Kentucky Evangelist and Missouri Musicians In Special Services Here

Rev. Sammy Sparks

Rev. D. E. Clay, pastor of the Wilson Avenue Church of the Nazarene, has announced a week's evangelistic program with a noted evangelist from Ashland, Ky., Rev. Sammy Sparks. The evangelist has recently made several appearances in the British Isles and other foreign countries. Beginning Monday evening, Jan. 7, through Sunday, Jan. 13, the Ashland preacher will present the evangelistic message, at 7:30 each evening.

Accompanying the young Kentuckian in the evangelistic program will be the Dee Rushing Family of King City, Mo., which includes Dee, Bernadene and son, Tracy. The threesome will be heard here in the same songs heard over many radio stations in the United States which carry the group's broadcasts. The evangelism, the pastor said, three are commissioned as song evangelists in the Nazarene Church. Rev. Clay said, and sing any type of religious music from Negro spirituals to the classics. Jenkins-av Couple Wins Baby Derby

A daughter born to Mr. and Mrs. Wilbur Sherman of 481 E. Jenkins-av won for her papa and mama the coveted prizes set up for the baby derby winner.

The prize goes to the parents of the first baby born in the South Side Leader area after the stroke of midnight of Dec. 31. However, with the deadline passed, only one other had received the "little darling" — or had reported the birth. This report was from Mr. and Mrs. Garland Loran Massie, whose child was born in Mt. Carmel Hospital Jan. 1 at 2:30 p.m.

Mr. and Mrs. Sherman's child was born at 12:30 a.m. Jan. 1 in Grant Hospital.

Columbus' first baby of the new year was born to a Sunbury-rd couple at "30 seconds after midnight." They are, of course, outside the Leader area and could not participate in the Leader's Baby Derby.

The retired man took over his Columbus responsibilities for the military communications in 1939, and it was stated that he met the urgent problems arising from the magnitude of the second World War "in record time." Blyth was reportedly disinclined to discuss details of those hectic days leading up to World War II.

Started in 1906

The South Sider began his telephone employment in Cleveland in January, 1906, employed then by the Cuyahoga Telephone Co.

The retiring telephone man will not be without activity, he

The . . . of Linwood-av man was a yard conductor and he was responsible for all the switching—placing and replacing, according to the need for cars, as well as for placing for unloading and for loading.

McCarley likes railroading and he wasn't anxious to quit. Fact is, he wanted to stay, and railroad officials would have been willing to have him remain on the job where, it was said, he has always done a good job.

But the man who liked his job also had to face up to union reg-

from . . . OG's NOTES

"Never Again!" often is the cry of one whose will power was weak after the previous New Year's debauchery. That didn't save the life that was lost this time through a "little too much!"

Where can they hid them?—Just read a story, with picture, of the passing of the horse and mule from the American farm. Census Bureau says the number of horses and mules on American farms is DOWN to ONLY 4,100,000—four million, one hundred thousand! A whale of a surprise to me, and I have traveled much over America's farm land areas in recent years. The Bureau also stated that at the end of 1954 tractors to U.S. farms had increased TO 4,700,000—not so many more tractors than there are horses and mules. Progress seems so slow!

HAPPY three hundred sixty-five days to you—all of YOU the finest in the land!

Help Wanted: There's no rush. Plenty of time to prepare—nine years, to be exact. Of course, some will be needed earlier than

The Sunday school will convene at 9:30 a.m. with an award to be given in each department to the person who was with the most persons in attendance in the school. John Wines is the superintendent.

The Youth Fellowship groups will meet Sunday evening. The mid-week service of worship will be Wednesday at 7:30 p.m.

A Florida visitor who will soon be returning South, after spending the holiday season in Columbus is Edith La Rue. Her husband's health didn't permit him to make the long trip north so he visited with relatives who were vacationing in the southern state.

Another visitor who will soon be returning home is Isabelle Lauper Rausch nee a New York girl. Talking to Isabelle on the "Amerine" we discovered that her sister Emily Ocker has moved from her Whittier st. home to 777 Siebert st. Folks on Siebert st. have a fine gal as a neighbor. We can say. She's A-1 in the nice decorati field, too.

The Eastwood Seventh Day Adventist Church planned two social events for the young folk of their congregation who were home for the holiday season from Mt. Vernon Academy and Washington Missionary College.

This past Saturday a party was held at the Park of Roses shelter house and on Jan. 3 there was a skating party. One young South Sider we know personally was among the vacationers. Robert Wilson of S. Eighth st.

The event was celebrated with a reception at the Kimball Glass club room on New Year's Day. In addition to their two sons and daughter, 14 grandchildren and 15 great grandchildren complete the family picture.

Our sympathy at this time goes to the family of Pat Stewart who passed away last week.

Of "flu" bug done laid our favorite Irishman low last week and he's still pretty wobbly. (Anent the Irishman part, he always emphasizes the one "n" in Lenox, with the admonition not to make a Scotsman out of a good Irishman. The Gadabout upholds the Scotsman though she thinks they're "verra fine People".)

The PVA of Orient State Institute will hold the next meeting on Jan. 6, at 2 p.m. in Kirk Hall on the institution's grounds. All interested folks are cordially invited to attend.

As soon as Pa Time trods on and the brand spankin' new year starts on its way, it's birthday time for Helen Branscome, Marge Hoptry, and an unnamed character who looks at us every time we peek in a mirror. To the two mentioned, happy birthday gals! And to the third one, welcome to the "Jack Benny Club". (We'll admit to no more birthdays, just the "anniversary" of the one we had last year.)

Here's a cutie that Gerry Baughman told us about her little granddaughter. The mother of the little girl was rather "run down" so had to take the medicinal "iron". When the little girl heard what her mommy was taking, she inquired "Is that so you can iron, mommy?" (She's not TOO wrong at that.)

Still yet a note about our "gifts for giving" we wanted to pass on. Our doll lady, Mrs. Bier, had some welcome help from three of her friends in various ways and she asked that they receive recognition too, which we're only too happy to do. The women were Mrs. Harry Rucker, Emma Troutman, and Mrs. Koehler. Also, the women of St. Paul's E&R Church helped by contributing dolls and materials. We want to thank all persons who helped her, for it made the whole project so much easier. Perhaps it would be timely to ask that the discarded dolls in your household be passed along to Mrs. Bier, for she plans to start in on them again, so as to get a nice supply to give at next Christmas. Her address is 742 E. Gates st., and her phone is HI. 4-4083.

Per usual, deadline is breathing down our neck, so gotta hurry! Please call us at HI. 4-1051 with your news items, won't you? Till next time, then—

Creak In Back May Be Warning, TB Society Says; 'Be Your Age'

False Front

You've seen — or seen pictures of — those western main streets lined with what look like substantial two-story buildings but which are only one-story sheds from the back view. Lots of people are like that; they look healthy at a quick glance but, oh that back!

As a matter of fact, backache probably causes more trouble than any ailment except the common cold. And you get just as little sympathy for it, as you painfully creak through the day's work. Every year, says the Tuberculosis Society of Columbus and Franklin County, about 250,000 people hurt their backs on the job and have to be sent home. Nobody knows how many more manage to stick it out with the help of aspirin.

Through the years, people have complained of lumbago, sciatica, or weak sacroiliacs. But, whatever the fashionable name, it's still a backache. Doctors think about 60 per cent are caused by muscular strain, the sprain of a ligament, or the stress of bone against bone as in a slipped disc. Another 30 per cent are caused by muscular fatigue. They don't think the whole answer lies in better physical fitness. According to the Tuberculosis Society, the important thing is to figure out the cause of the strain or fatigue and get rid of it. Often this means persuading the poor backache sufferer to give up that false front and act his age. It's sometimes hard for us to face the fact that old birds can't take on as much heavy physical work or play as spring chickens.

Guidance Rules

The Tuberculosis Society suggests the following rules to help you avoid unnecessary backache:

1. Lift with the legs, not the back. Bend your knees and squat to pick something up from the floor instead of bending over from the waist.

2. Avoid overexertion. Get help when you have to move the piano.

3. Exercise regularly, but by easy stages. Don't try to pile a week's exercise into the weekend.

4. Change position as often as possible. Cramped muscles are the bane of the desk worker.

O.G.'s Notes

that. But it is estimated that TEN THOUSAND trained specialists will be needed by 1965 to operate the electronic "brains" that will be in use then. O, by the way, it's for smart people; guess I'll keep on pegging away at the typewriter. I CAN find the keys. I am not sure whether I'm know how to set up a problem on the "brainy" monsters of the future. Take it away! I don't want it!

* * *

From OG's Notes: Reminiscing through notes of other days when I was ambitious enough to syndicate: "Vocabulary is the first requisite in human relationship." That sentence was followed by "Education comes to most of us out of the milk of life through the crucible of time." I wonder which way and how far away from the suggestion therein is this which I heard a member of the "intelligentsia" utter recently: "Wotchyagunado?" I've heard better among the pygmies of the earth. One cannot corrupt the language without himself being corrupted in his thinking.

* * *

Ancient philosophy: "Where there is no vision, the people perish. And he that keepeth the law, happy is he." This philosophy by an unknown author of the Arab world long before the story of Genesis, has its application in our own time and in our own thinking. Vision is a necessity if our generation shall step up to higher levels as a contribution to the generations coming. "Wotchyagunado" standards can't support us, to say nothing of giving a "leg up" to higher standards by the next generation.

Where did they go? Yes, where are the warm, gladsome days of spring and early summer when life was lifted by the beauties of mild, unfolding, colorful nature?

said, pointing out that he has been active in several community affairs. His associates started him off last Thursday afternoon with a party in the Ohio Bell office, where he told his associates that he expected to continue his activities in the Masonic work, church work, YMCA work, plus "getting some things done around the house."

Choir Man

One of his activities which has lasted over a period of 30 years is that of a member of the choir of the Wilson Avenue Evangelical and Reformed Church. Another activity which will call upon his "spare" time is that of member of the Central YMCA management board, of which he was chairman for seven years.

Other activities to which he has given service are the Columbus Chapter, Order of Eastern Star, and the Optimist Club, of which he is a past president.

Two projects during the years he has served as coordinator for the company's military communications stand out in his memory, he said. He said that shortly after the outbreak of World War II Wright Field required a seven-position manual board in record time. It was installed in 21 days instead of in the usual nine months.

The other project, he said, was at Lockbourne. When the Air Force base was reactivated there in 1951, its dial system was flown into Columbus by Western Electric and was installed quickly.

Other Activities

His career has taken him through many positions, clerk, long distance supervisor, commercial representative, rate engineer, and general commercial engineer.

He also has served as vice president of the N. C. Kingsbury Chapter, Telephone Pioneers of America.

A daughter, Lois Jeanne, assistant treasurer of the Ohio Bell Credit Union, lives with Mr. and Mrs. Blyth at the Kelton av. address.

Retirement was compulsory under the company's 65-year retirement policy, it was said.

Linwood Ave. Man—

ulations, and, under a rule of the Brotherhood of Railroad Trainmen, our South Side man had to yield to the inevitable—and to age, of course, and retire.

The retired railroader may lose some of his ardor for work in a little while if he carries out his announced plans. "I'm too young to quit, but since I have to get out, I'm going to Florida. I'm going to fish and watch the trains go by."

McCarley is a grandfather—Oh, so many times. The report indicates that he should be well entertained by his grandchildren. There are 34 of them to be exact. It doesn't, really, seem that Grandfather Earl McCarley, 69, will have any problem in keeping up with what's going on among that many grandchildren.

It's thought just as well not to take the "threat" to go to Florida too—too seriously. Those 34 grandchildren are a mighty big magnet. Maybe the retired railroad man might find even the paradise called Florida lonesome without the grandchildren.

Stanley Allyn, business executive: "The basic conflict in the world is not socialism versus capitalism. It is the conflict of freedom versus the lack of freedom."

Longmire In Two-Week Field Training Program

Army Sergeant 1/c Gordon R. Longmire, 28, son of Mr. and Mrs. Emerson Longmire, 500 Deshler-av., recently participated with the 8th Infantry Division in "War Hawk," a two-week field training exercise in Germany.

Sergeant Longmire, a message center supervisor in the division's 8th Signal Company, arrived in Europe last October.

He entered the army in December, 1945, and received basic training in Mississippi.

Happy New Year!

As we turn on to the smooth new page of 1957, leaving behind 1956 with its joys, heartaches, good times as well as the days when sailing was a little rough, we look forward with hope to the new year. A hope and sincere wish for health, happiness and days of good cheer for all.

South In Third Place In Tournament; East Top

By Bob Goldstein

The journeying cagers of South split even in a pair of tournament contests last Thursday and Friday nights at Lima's annual holiday court carnival.

The Bulldogs dropped their opener 62-42 to Lima High School. However, the visitors came back to tame Wilmington, 68-45, for an unofficial third place finish. East's Tigers, the other Columbus cage entry, won both their tilts to become the carnival's champion for the second straight year.

In South's first game they ran afoul to Lima High's brilliant defensive work and their 35 percent shooting pace. The host's Tom Weadock and Bill Clay, combined to completely blank the Bulldogs George Devlin, a remarkable defensive accomplishment. Ken Fowler, once again, paced the Bulldog's offense with 17 points. All nine of Lima's players entered the scoring column, with Clay netting 15 and Weadock chipping in with 13. The Bulldogs hit a frigid 28 percent clip from the field to pretty much tell the story of the 62-42 loss.

Ken Fowler sacked up 22 markers to lead the Bulldogs to their 68-45 win over Wilmington. Devlin came back to add 16 points. Darrel Henkle added 12 and Don Dicke hit for 10 to highlight the Bulldog's first noticeable scoring balance of the season. Leading 41-36 at the third quarter's end, it took a 27-point fourth quarter splurge to insure the Bulldog's victory. Fowler's 11 tallies and Henkle's nine highlighted the final quarter fireworks. The win upped the Bulldog's current record to four wins, three losses.

M-F Sophs Seek Good Citizens; Set Standards For Selection

Sophomore class students of Marion-Franklin High School have varied the Diogenesean hunt for honesty to a search for outstanding citizens, according to Walter Shott, M-F High teacher. Pictured left to right these students, Don Drake, Tracy Soles, Sharon Motts, Ann Funk, reflect pride in the criteria they have adopted in their project of setting a standard of good citizenship and finding a citizen or citizens who measure up to the criteria. The young people pictured are in sophomore English. Any resident of the M-F area may nominate a candidate for the honor. Any adult resident of the district may be nominated, it was said. Those nominated will be given public recognition. Members of the district school board and employes of Marion Local Schools are not eligible. Closing date is Jan. 11.

LOYALTY

Since little Johnnie's personal horizon had been greatly extended by several months at kindergarten, his mother decided to inquire concerning his current loyalties.

"Dear, said she, "whom do you love the best?"

The youngster pondered the query soberly and then replied, "Well I love you best, Mommie, and Daddy next best, and my teacher the least. And in between come a lot of dogs.

When contentment enters, progress ceases.

'57 Baby Derby Winner Goes On Gift Getting Tour

Vol. V. No. 43 | Columbus, Ohio, Thursday, January 10, 1957 | Total No. 251

Glad Mother Appreciates Leader Plan

Derby Winner With Baby

Mrs. Wilbur Sherman, who gave birth to the first baby in The South Side Leader 1957 First Baby Derby, was scheduled to make the rounds of the gift givers this week to reap the reward of being the first in the Leader area to give birth to a baby. Contrary to most years, only two births were reported to the Leader as possible prospects for winning the numerous prizes given by merchants, artisans, business institutions, for the first-born on New Year's Day. The Shermans live at 481 Jenkins-av.

The Sherman progeny checked in at 12:30 a.m. at Grant Hospital. Those who have been reporting the "first baby" year after year speak of this year as the high'est in a long time and a time when the competition was least.

Only one other birth was reported to the South Side Leader. That baby, as was reported last week, was checked in at 2:30 p. m. Jan. 1.

Waited by the Telephone

To take care of a possible rush of callers wanting to get in quickly with claims for the prizes for the first baby, the Leader set up a plan whereby, upon the dot of midnight as the old year melded into 1957, some one was sitting beside the telephone ready to receive "returns" in the race until after 6 o'clock in the morning.

However, the precaution was not necessary, since births during the first day of the new year, beginning at midnight, totaled only the two reported. The precaution was in line with the habit of the Leader, of being ready

(Continued on page 5)

from OG's NOTES

Whopper! Yes, and it's from MY state. I'd understand it if it had come from Burlington, Wis., where tall tales are emitted every year. But from South Carolina . . . wow! You'll agree it is a "tall" tale. Here it is: A Florence, S.C., man lost his fountain pen three years ago. He had his name engraved on it in two places. Recently he and his wife went to New York on a business trip. The wife, leaving the hotel, spied a pen on the street. Sure enough, it was the lost pen with husband's name on it—just as it was when he received it as a gift! That's the story. As far as I am concerned if they wanted to shake confidence in Florence — well, I'm glad the story is SO big! Down there we do it in a big way or not at all!

• • •

Another Whopper: This time it's local and a happy whopper. I mean the annual South Side Branch YMCA dinner — maybe I should say, Banquet; as I remember it from last year, we were really banquetized, with food and a refreshing demonstration of the excellent work done by this YMCA organization. My wife said it cut down considerably on the cost of groceries for the week. The evening of the 14th will be a panorama of accomplishments, an unfolding of a picture which gives great encouragement for the future. Congratulations to Cap Hoover and Jim Wagner, and to others who have given vocal and financial help.

• • •

From the South: You've heard of pouring oil on the sea to soften its turbulence and make safe a ship at sea? I wish I had reserve power which would come to usefulness at this moment in softening the thinking and attitudes of many of my southern friends — the home of my birth and up to young manhood. Wouldn't it be nice if we could, with a Paul Bunyan gesture, work a miracle and let the giant ox of the story become real as he hauled an unending load of good fellowship into every community, so human values would be accepted at face value, ending such useless strife? I wish it were so.

Around and Around! Going "around and around," quoting a long-time radio and now TV show expression, with no definite plan in life, is a poor way to reach one's destination.

• • •

Overtaken: We are overtaken by failures because we haven't definitely and effectively committed ourselves to success.

• • •

Switch To Throw: In life there is a switch to throw by everyone. We must get on to the track called "Effort" or we'll land in that place called "A Dump."

• • •

Snow! Snow is distracting. Here it is a Sunday afternoon and I sit at the trusty old (and I mean OLD) typewriter trying to get whatever it is inside my head that aches once in a while active in developing ideas. And you know what? I have an enemy to my thinking! You wouldn't think it. While I sit here there's an insistent "Song of White" disturbing to my concentration. It's not words that reach me. It's beauty! Yes, darn it, falling snow has its own beauty, filled with graciousness, garlanded with joy, and generous in its supply of frolicking, snowshoeing, snowballing, and all the other things which in younger days we enjoyed doing in accompaniment to the softness of the flakes without which winter would not be so good. Try as I may, in the corner of my right eye there's an impact from out beyond the window, and my "intellectual" pursuit is hampered by the gently falling gems which remind that Winter has its gorgeousness to compare with Summer's green fields and roadsides and gardens! Therefore, I accept it as a necessity.

• • •

Don't Do It Example: Narcissus, an ancient, as the story goes, lost his life by falling in love. We're not likely to do that, at least not like Narcissus did. You will remember that the gentleman (he's been gone a long time and it's safe to call him a gentleman) fell so in love with his own reflection in a pool of water that he pined away and died.

Slow Going: Seems like a long time since summer went away. However, before summer is well under way there'll be regret that hot weather is so hot! This human is hard to satisfy.

White Gifts Appreciated

Shortly before the Christmas holidays Barrett Junior High School offered its students an auditorium show by a paid professional entertainer. Part of the audience paid their way in by cash and part by gifts of canned food wrapped in white. The food packages were sent to charitable projects carried on in the South Side. The following letter of acknowledgement (in part) was received by the school.

"May I use this method to express my sincere thanks to you for the canned goods sent to us from your school.

"We sent out nine nice boxes, and made it possible for 32 people to have a happier Christmas. The families ranged from an aged destitute widow to a family of nine." It was signed by Mrs. Grace E. Steward, director.

Bulldogs Trim Terriers 73-55; Third Straight League Win

By Bob Goldstein

South's Bulldogs notched their third straight City League victory with a workmanlike 73-55 win over the scrappy Aquinas Terriers last Friday at South.

A well-rounded scoring attack, featuring three men in double figures and an equal number with nine each, spurred the Bulldogs to a 45 per cent shooting pace. The undersized Terriers' closest penetration was a 17-15 deficit at the first quarter's end. Led by George Devlin and Don Dicke, the Bulldogs pulled away to a 39-25 intermission time lead.

However, Ernie Johnson, the pint-size Aquinas guard, rallied his mates for all of the third and much of the last quarter. Johnson tallied 23 points for the evening's high. Capt. Larry Shumick added 13 points for the Irish, before being ejected late in the third period for roughness. Shumick was accompanied to the showers by Bulldog George Devlin.

Devlin's exit brought beefy Hal Ward onto the scene. Ward calmly sank four last-period jump shots to give the Bulldogs a comfortable margin. Midyear grad Don Dicke played his usual fine game off the boards, and added 16 valuable markers in the offensive department. Devlin and Ken Fowler each mustered 13 points. The latter made up for his low offensive production with some sharp-shooting assists. Ron Allen's eight first-quarter points got the Bulldogs off on the right foot. Junior Darrell Henkel, a rapidly improving ball player, chipped in with four field goals.

Coach Bob Fearing's South Reserve team remained atop the League J.V. race by besting the Irish yearlings 50-37. The win was the fifth straight for the future Bulldogs.

Tonight

Tonight the Bulldogs travel to North to meet the powerful Polar Bears. This will be the most important contest for the Bulldogs this season. The Arcadia-av crew

Moose Gave Yule Party For 700 Youth

How Moose Bring Joy to Children at Christmas Party.

• • •

Did you ever wonder what the organization commonly called "Moose," even dropping the "Loyal Order," does with the money which is taken in as a result of their famous dinners every week? In case you have been curious, the picture above should set you straight about it. Pictured are hard-working Moose men at the Sycamore-st meeting place, when 700 children were presented with gifts at the annual Christmas party. It took a long time to get through, and there was a lot of work before, during, and after the party, and it is likely that the fellows doing the work here were tired enough when they finished. But they were happy, as they are every Christmas — happy because they can and do bring joy to many little ones

Finessing Required To Honor Four On Nearly Identical Natal Days

Group at Mercy Hospital at lunch in observance of close-together anniversaries.

• • •

Quite a bit of finessing was necessary recently at Mercy Hospital to get together a group of people all of whose birthdays fell pretty close together, so a surprise luncheon could be served to them.

One of the difficulties the hospital staff had to overcome in keeping plans secret was that Superintendent C. B. Beard was one of the four to be honored, and he was right there keeping "his eyes open" which made the finessing difficult. But, to give them their due, members of the staff who were conniving in favor of the honorees were smart enough to pull it off.

Their birth anniversaries falling very close together, the honorees were surprised with the natal day dinner. The honored group are, seated, left to right, Mrs. Joseph G. Price, widow of the founder of Mercy Hospital; Miss Myra Freet, R.N., director of nursing service; Mrs. Edith Beard, wife of the superintendent, C. B. Beard, at right. Mrs. Beard will be remembered by many as Edith Cain, graduating with the South High Class of 1918, while the superintendent says he went under the nickname "Mandy" at South. Standing and serving individual birthday cakes are, left to right, Miss Marie Kintz, R.N., and Miss June Swick, R.N., both nurse supervisors. Luncheon was served by the dietary department under the direction of Miss Christine McKeever.

Mrs. Bill R. Clark

White carnations flanked by palms decorated the altar of Livingston Methodist Church for the wedding of Miss Patricia Louise Kisamore, daughter of Mr. and Mrs. H. R. Kisamore, 552 S. Pearl-st and Mr. Bill R. Clark, son of Mr. and Mrs. Herman Clark, 1605 Sullivant-av. The ceremony was performed Wednesday evening at 8:45 by the Rev. Levon A. Shaum.

Given in marriage by her father, the bride wore a floor length gown of ivory tulle and Chantilly lace over satin styled with a scalloped neckline trimmed with a ruffle embroidered with seed pearls. The bouffant skirt was fashioned of alternating layers of lace and pleated tulle and extended into a sweep train. A veil of illusion was caught to a crown of seed pearls and she carried a white Bible topped by a white orchid.

Mrs. Ernest Wilson served as matron of honor. Miss Carol Nixon, Miss Patricia Robinson, Miss Eleanor Ott and Miss Joyce Kisamore, sister of the bride, as bridesmaids. Karen Hoover served as flower girl. The attendants all were gowned in white crystal taffeta with bands of peacock blue. The dresses were fashioned with round necklines and enlongated bodices accentuating the full, gathered skirts. The contrasting color bound the neckline and edged the unpressed pleat in the back of the skirts. A large bow added back interest.

The matron of honor carried yellow carnations and the bridesmaids, pink.

Best man was Mr. George Cameron and ushers included Mr. Robert Louch, Mr. John Dawson, Mr. Edgar Yahn and Mr. James Righter of Detroit, Mich.

Local Girl Weds In June

Miss Anne De Stefanis

The couple plans an early June wedding.

The Gadabout

Priscilla LaRue Lenox
HI. 4-1051

Mr. and Mrs. Hollis Russell, 1809 S. Sixth-st, celebrated their golden wedding anniversary quietly, Dec. 26. Mrs. Russell merits another congratulation for her soon-to-be Jan. 14 birthday.

Jerry Melmed, a South High grad of last June and now a Capital University student, entertained the Agudas Achim Sisterhood last Tuesday at their luncheon. Jerry will be the featured soloist with the Capital University Men's Glee Club when it leaves on a tour Jan. 24.

Our ailing list is a little too well populated this week and we hope that all those who have been "under par" will have a rapid recovery. Margaret Miller is recovering from torn cartileges sustained as the result of a fall. Carol Bauer is another who has not been in the best of health, and "Dad" Dean, 33 E. Jenkins-av, has been quite ill.

Birthdays that occur at this time of the year are those of Janet Elkins, Beulah Clark, and Helen Fisher.

St. Augustine Church will be the scene of the wedding of Carolyn Wiggins and Charles Bauer this month. Carolyn, who has lived on Moler-st for years, was a South High graduate a year ago. Charles is in the navy. The Wiggins now reside at 1975 Suillvant and Charles' home address is 1526 E. 25th-av.

Two members of Leaderland were chosen as outstanding residents recently so congratulations to Mrs. William Barbee Durham, of 778 Miller-av, who was given recognition as one of the ten most outstanding women of Columbus and to Donna Miller, South High senior, voted one of the sixteenagers who are above average in school and community affairs. (Mrs. Durham is a fellow member of the South Unit of the League of Women Voters, may we add.)

Cloverleaf Club 4 meets Jan. 16 in the home of Mrs. John Jones, 795 Gilbert-st, at 8 p. m.

Women of the Moose have two activities on the agenda for this week: the civic affairs committees of Lodge 11 and Chapter 206 meet Friday, Jan. 11, at 8 p. m. in the Moose Home. William Spratley, state and local chairman, will conduct this meeting. Mrs. Raphael Pierce, 940 Reinhard-av, child-care chairman of Chapter 206, will preside at the chapter night program. Initiation of candidates will be held.

We're not real certain about the correct date, so we won't say "for sure". However, we THINK it's tonight at 8 o'clock.

Mr. and Mrs. R. L. Clark and their daughter, Joan, are visiting Mr. and Mrs. Ronald Cook, of 1413 S. Sixth-st. Mrs. Cook is a daughter of the Clark's. The Clarks probably find our weather a little milder than that of Chicago, where they now live, but much colder than their homeplaces in the South. Right, Clarks?

Mrs. James Sergi, 292 Thurman-av, entertained Wing 43 of Nightingale Cottage, Tuesday. The new officers assumed their duties and they are Mrs. Herman Eigensee, chairman; Mrs. Bernard Decker, vice-chairman and council representative; Mrs. Guy McFarland, secretary, Mrs. John Cavanaugh, treasurer; Mrs. Henry Schrader, corresponding secretary. Chairmen of the Wing are Mrs. James Albert, gift; Mrs. Phillip Arnold, sunshine; Mrs. Charles Roach, sales tax; Mrs. Forrest Lanfear, publicity; Mrs. Jack Byron, Mrs. Parker Swain, and Mrs. Robert Rueckel, telephone.

One of the local sports writers complimented Columbus' South and East on an incident that happened at the holiday tournament Dec. 27 and 28, in Lima. Briefly, it was this: South Hi cheerleaders led the South basketball team in cheers while East was playing their opponents and East cheerleaders led East basketball players for South, as neither team had a following in the northwestern Ohio city. Seeing as how South had defeated East just six days before, that (East's first loss on its own floor in three years!), it was certainly a fine gesture. Some of our college teams could try a little of that sportsmanship, perhaps.

Thurman Avenue WSCS groups have two metings scheduled for the immediate future: Mary Circle will be meeting at the church today for a noon dessert luncheon with Mrs. J. F. Coulter and Mrs. F. J. Sweasy as hostesses. Suzannah Circle members will convene Jan. 15, at 8 p.m. at the South Side Settlement House, 363 Reeb-av.

Another person on our ailing list is Mrs. P. J. Wolfe, 36 Reeb-av. A speedy recovery, indeed, is wished for her.

The Yunkers of Morrill-av certainly picked a fine time to go to Florida, for as we write this we've had the heaviest snow of the winter.

If Mr. Colmery, South High's basketball coach, is listening, he might like to use this bit of information. We told our soon-to-be graduated South High senior that the nicest birthday present he could give us was to make 20 points in last week's basketball game. He didn't quite make it, but 16 points is close enough. (Oh, no, we're not a "proud momma" . . . much). Of course, the other school's coaches needn't bother to read this item; it's strictly for Mr. Colmery's use!

Guess we've used all our notes so will end with our usual invitation to call us at HI 4-1051 with your news. We're quite sincere in saying that we want to give news of the entire South Side, not just in our own locality, but we do need your help. Till next time then, this is

Patricia Kisamore Weds Bill Clark Wednesday

Mrs. Bill R. Clark

White carnations flanked by palms decorated the altar of Livingston Methodist Church for the wedding of Miss Patricia Louise Kisamore, daughter of Mr. and Mrs. H. R. Kisamore, 552 S. Pearl-st and Mr. Bill R. Clark, son of Mr. and Mrs. Herman Clark, 1605 Sullivant-av. The ceremony was performed Wednesday evening at 8:45 by the Rev. Levon A. Shaum.

Given in marriage by her father, the bride wore a floor length gown of ivory tulle and Chantilly lace over satin styled with a scalloped neckline trimmed with a ruffle embroidered with seed pearls. The bouffant skirt was fashioned of alternating layers of lace and pleated tulle and extended into a sweep train. A veil of illusion was caught to a crown of seed pearls and she carried a white Bible topped by a white orchid.

Mrs. Ernest Wilson served as matron of honor. Miss Carol Nixon, Miss Patricia Robinson, Miss Eleanor Ott and Miss Joyce Kisamore, sister of the bride, as bridesmaids. Karen Hoover served as flower girl. The attendants all were gowned in white crystal taffeta with bands of peacock blue. The dresses were fashioned with round necklines and enlongated bodices accentuating the full, gathered skirts. The contrasting color bound the neckline and edged the unpressed pleat in the back of the skirts. A large bow added back interest.

The matron of honor carried yellow carnations and the bridesmaids, pink.

Best man was Mr. George Cameron and ushers included Mr. Robert Louch, Mr. John Dawson, Mr. Edgar Yahn and Mr. James Righter of Detroit, Mich.

are the proud possessors of an 8-0 record. Coach Colmery's boys need this one to stay in the thick of the City League race. The Polar Bears primed for tonight's game by blasting Central 67-41. A thought of comparing scores makes Bulldog loyalists shudder.

Mr. and Mrs. Hollis Russell, 1809 S. Sixth-st, celebrated their golden wedding anniversary quietly, Dec. 26. Mrs. Russell merits another congratulation for her soon-to-be Jan. 14 birthday.

Jerry Melmed, a South High grad of last June and now a Capital University student, entertained the Agudas Achim Sisterhood last Tuesday at their luncheon. Jerry will be the featured soloist with the Capital University Men's Glee Club when it leaves on a tour Jan. 24.

Our ailing list is a little too well populated this week and we hope that all those who have been "under par" will have a rapid recovery. Margaret Miller is recovering from torn cartileges sustained as the result of a fall. Carol Bauer is another who has not been in the best of health, and "Dad" Dean, 33 E. Jenkins-av, has been quite ill.

Birthdays that occur at this time of the year are those of Janet Elkins, Beulah Clark, and Helen Fisher.

St. Augustine Church will be the scene of the wedding of Carolyn Wiggins and Charles Bauer this month. Carolyn, who has lived on Moler-st for years, was a South High graduate a year ago. Charles is in the navy. The Wiggins now reside at 1975 Suillvant and Charles' home address is 1526 E. 25th-av.

Two members of Leaderland were chosen as outstanding residents recently so congratulations to Mrs. William Barbee Durham, of 778 Miller-av, who was given recognition as one of the ten most outstanding women of Columbus and to Donna Miller, South High senior, voted one of the six teenagers who are above average in school and community affairs. (Mrs. Durham is a fellow member of the South Unit of the League of Women Voters, may we add.)

Cloverleaf Club 4 meets Jan. 16 in the home of Mrs. John Jones, 796 Gilbert-st, at 8 p. m.

Women of the Moose have two activities on the agenda for this week: the civic affairs committees of Lodge 11 and Chapter 206 meet Friday, Jan. 11, at 8 p. m. in the Moose Home. William Spratley, state and local chairman, will conduct this meeting. Mrs. Raphael Pierce, 740 Reinhard-av, child-care chairman of Chapter 206, will preside at the chapter night program. Initiation of candidates will be held.

We're not real certain about the correct date, so we won't say "for sure". However, we THINK it's tonight at 8 o'clock.

Mr. and Mrs. R. L. Clark and their daughter, Joan, are visiting Mr. and Mrs. Ronald Cook, of 1413 S. Sixth-st. Mrs. Cook is a daughter of the Clark's. The Clarks probably find our weather a little milder than that of Chicago, where they now live, but much colder than their homeplaces in the South. Right, Clarks?

Mrs. James Sergi, 292 Thurman-av, entertained Wing 43 of Nightingale Cottage, Tuesday. The new officers assumed their duties and they are Mrs. Herman Eigensee, chairman; Mrs. Bernard Decker, vice-chairman and council representative; Mrs. Guy McFarland; secretary, Mrs. John Cavanaugh, treasurer; Mrs Henry Schrader, corresponding secretary. Chairmen of the Wing are Mrs. James Albert, gift; Mrs Phillip Arnold, sunshine; Mrs Charles Roach, sales tax; Mrs Forrest Lanfear, publicity; Mrs. Jack Byron, Mrs. Parker Swain, and Mrs. Robert Rueckel, telephone.

One of the local sports writers complimented Columbus' South and East on an incident that happened at the holiday tournament Dec. 27 and 28, in Lima. Briefly, it was this: South Hi cheerleaders led the South basketball team in cheers while East was playing their opponents and East cheerleaders led East basketball players for South, as neither team had a following in the northwestern Ohio city. Seeing as how South had defeated East just six days before, that (East's first loss on its own floor in three years!), it was certainly a fine gesture. Some of our college teams could try a little of that sportsmanship, perhaps.

Thurman Avenue WSCS groups have two metings scheduled for the immediate future: Mary Circle will be meeting at the church today for a noon dessert luncheon with Mrs. J. F. Coulter and Mrs. F. J. Sweazy as hostesses. Suzannah Circle members will convene Jan. 15, at 8 p.m. at the South Side Settlement House, 363 Reeb-av.

Another person on our ailing list is Mrs. P. J. Wolfe, 38 Reeb-av. A speedy recovery, indeed, is wished for her.

The Yunkers of Morrill-av certainly picked a fine time to go to Florida, for as we write this we've had the heaviest snow of the winter.

If Mr. Colmery, South High's basketball coach, is listening, he might like to use this bit of information. We told our soon-to-be graduated South High senior that the nicest birthday present he could give us was to make 20 points in last week's basketball game. He didn't quite make it, but 16 points is close enough. (Oh, no, we're not a "proud momma" . . . much). Of course, the other school's coaches needn't bother to read this item; it's strictly for Mr. Colmery's use!

Guess we've used all our notes so will end with our usual invitation to call us at HI 4-1051 with your news. We're quite sincere in saying that we want to give news of the entire South Side, not just in our own locality, but we do need your help. Till next time then, this is

The program will be supervised by the commissioner's staff and observed by Civil Defense personnel.

Local Man's Kin Dies In Germany

Carl H. Beyer, German-born South Side man, is glad he went back to Germany about 18 months ago. There he saw a sister whose home is behind the Iron Curtain, in East Germany. Now she is dead. Her death occurred on Dec. 27, he told the Leader.

While he was on the recent trip and staying in West Germany, Mrs. Clara Jaeger, the sister, came over into West Germany to see him. He feared trouble if he should go into the Soviet-controlled area. Her home was in North Brandenburg, East Germany, Soviet zone.

Get Dog Tag Now Or Pay A Penalty

The Humans Society and the county auditor's office in a statement called attention to the law requiring owners to purchase dog licenses for their pets. All persons not purchasing a license for their dogs on or before the deadline, Jan. 20, will be subject to a penalty. License fees are $2 for a male, female, or spayed female.

The county auditor's office will be glad to mail your license to you upon receipt of your application giving a full description of your dog, such as age, sex, coloring, and breed, accompanied by the correct amount for the license tag and a stamped self-addressed return envelope.

All dogs, 3 months of age and older, must be immunized against rabies in addition to being licensed.

Roller Skating At Roosevelt Jr.

South Side Branch YMCA Teen-Age Council has scheduled its third annual roller skating party to be held at Rollerland Thursday, Jan. 24, from 7:30 to 11 p.m.

The skate is open to the general public and tickets will be on sale at Barrett, Roosevelt, South High, and the South Side Branch YMCA by members of the Teen-Age Council. Tickets are 60 cents each.

Funds raised by the annual skating party are used to subsidize the South Side Branch YMCA Teen-Age Council program, which includes a recognition dinner for the ever-faithful volunteer service of the auxiliary police of Company A and school advisors, YMCA World Service, and the South Branch Y-Park.

The Lord is nigh unto them that are of a broken heart; and saveth such as be of a contrite spirit.—(Psalm 34, 18.)

Into the helplessness of our utmost sorrow comes this wonderful consolation; and this promise, this reprieve—this chance ever to begin anew. God will always hear us, from the deepest pit of despair.

Only possible reason we can see why old fools are bigger fools is because they have had more practice.

South-Y Gra-Y Cage Play Opens

The Gra-Y clubs of the South Side Branch YMCA will begin their basketball leagues Tuesdays and Thursdays beginning Jan. 8 and ending Feb. 5. Jim Wagner reports that the leagues promise to be good ones, as the boys put to use the skill obtained in two months of practice.

Not only will the teams receive mention for winning the most games, but also on the sportsmanship displayed. All teams are graded on their sportsmanship at each game by the advisors and referees. At the end of the season a closing dinner is held and the team with the best record of clean play is given an award to be put in their school.

The leagues are run by the South Side YMCA with help from volunteers throughout the community. The games will be held at Schiller Park each Tuesday and Thursday, starting at 3:30.

The teams of each league are as follows: Tuesday — Reeb Shooting Stars, Siebert Scorpions, Stewart Indians, Southwood Eagles, Deshler Lions, and Southwood Panthers.

Thursday — Beck Bulldogs, Heyl Buckeyes, Heyl Leopards, Lincoln Park Scarlets, Lincoln Park Grays, Livingston Wildcats.

House Painting Trend

The trend toward do-it-yourself house painting seems greatest in those areas which have seen marked increases in home ownership. Recent polls have shown that 53 percent of the house paint jobs are being done by the owners themselves. In 1941 this figure was a modest 19 percent.

Pastor Paxton stressed the fact that the services are open to all people.

Local Man's Kin Dies In Germany

Carl H. Beyer, German-born South Side man, is glad he went back to Germany about 18 months ago. There he saw a sister whose home is behind the Iron Curtain, in East Germany. Now she is dead. Her death occurred on Dec. 27, he told the Leader.

While he was on the recent trip and staying in West Germany, Mrs. Clara Jaeger, the sister, came over into West Germany to see him. He feared trouble if he should go into the Soviet-controlled area. Her home was in North Brandenburg, East Germany, Soviet zone.

Get Dog Tag Now Or Pay A Penalty

The Humane Society and the county auditor's office in a statement called attention to the law requiring owners to purchase dog licenses for their pets. All persons not purchasing a license for their dogs on or before the deadline, Jan. 20, will be subject to a penalty. License fees are $2 for a male, female, or spayed female.

The county auditor's office will be glad to mail your license to you upon receipt of your application giving a full description of your dog, such as age, sex, coloring, and breed, accompanied by the correct amount for the license tag and a stamped self-addressed return envelope.

All dogs, 3 months of age and older, must be immunized against rabies in addition to being licensed.

Dr. Anderson Is PTA Speaker

Heyl Avenue PTA will have its first meeting of 1957 Jan. 17, at 7:30 p.m.

Since this is health month our speaker will be Homer A. Anderson, M.D., one of the leading pediatricians in Columbus. His topic will be "Your Child's Health Is An Emergency." He will also answer any general questions concerning the subject.

Dr. Anderson has practiced here for 10 years and is an assistant professor of pediatrics at Ohio State University, diplomate of the American Board of Pediatrics, and is chairman of the School Health Committee of the Columbus Academy of Medicine.

Recreation Clubs Begin Saturday

The Columbus Recreation Department will begin the operation of boys' recreation clubs on Saturday, Jan. 12, 1957, from 9 a.m. until 1 p.m. at Schiller Recreation Center and Roosevelt Jr. High School. This physical activities program for boys from the fourth through ninth grades in school will be offered every Saturday morning through Mar. 9. The purpose of these clubs is to provide supervised and organized recreational programs for boys in as many sections of the city as possible.

Under the direction of the Columbus Recreation Department, Ohio State University physical education students will supervise and carry out the activities, which will consist of basketball, tumbling, group games, volleyball, wrestling, and physical fitness. Boys in the fourth, fifth, and sixth grades should report at 9 a.m. this Saturday at the club site nearest their home, while the seventh, eighth and ninth graders should report at 11 a.m. to the club site nearest their home.

sales of 41 cents or over for the period July 1 to Dec. 31, 1956. Vendors will also be required to bring copies of their purchase orders showing the amounts of stamps purchased during the last half of 1956.

Vendors are no longer required to have sales tax returns sworn to before a notary public or a representative of the Department of Taxation. The vendor, however, is required to sign the declaration on the return that the information given is true.

When completed, all returns must be filed with or mailed to the Treasurer of State, P.O. Box 1799, Columbus, O. If a deficiency is shown on the vendor's return, remittance in the amount of tax due should accompany the return, made payable to the Treasurer of State, either by check, draft or money order.

Roller Skating At Roosevelt Jr.

South Side Branch YMCA Teen-Age Council has scheduled its third annual roller skating party to be held at Rollerland Thursday, Jan. 24, from 7:30 to 11 p.m.

The skate is open to the general public and tickets will be on sale at Barrett, Roosevelt, South High, and the South Side Branch YMCA by members of the Teen-Age Council. Tickets are 60 cents each.

Funds raised by the annual skating party are used to subsidize the South Side Branch YMCA Teen-Age Council program, which includes a recognition dinner for the ever-faithful volunteer service of the auxiliary police of Company A and school advisors, YMCA World Service, and the South Branch Y-Park.

STRENGTH FOR THESE DAYS
from The Bible

The Lord is nigh unto them that are of a broken heart; and saveth such as be of a contrite spirit.—(Psalm 34, 18.)

Into the helplessness of our utmost sorrow comes this wonderful consolation; and this promise, this reprieve—this chance ever to begin anew. God will always hear us, from the deepest pit of despair.

Only possible reason we can see why old fools are bigger fools is because they have had more practice.

South-Y Gra-Y Cage Play Opens

The Gra-Y clubs of the South Side Branch YMCA will begin their basketball leagues Tuesdays and Thursdays beginning Jan. 8 and ending Feb. 5. Jim Wagner reports that the leagues promise to be good ones, as the boys put to use the skill obtained in two months of practice.

Not only will the teams receive mention for winning the most games, but also on the sportsmanship displayed. All teams are graded on their sportsmanship at each game by the advisors and referees. At the end of the season a closing dinner is held and the team with the best record of clean play is given an award to be put in their school.

The leagues are run by the South Side YMCA with help from volunteers throughout the community. The games will be held at Schiller Park each Tuesday and Thursday, starting at 3:30.

The teams of each league are as follows: Tuesday — Reeb Shooting Stars, Siebert Scorpions, Stewart Indians, Southwood Eagles, Deshler Lions, and Southwood Panthers.

Thursday — Beck Bulldogs, Heyl Buckeyes, Heyl Leopards, Lincoln Park Scarlets, Lincoln Park Grays, Livingston Wildcats.

House Painting Trend

The trend toward do-it-yourself house painting seems greatest in those areas which have seen marked increases in home ownership. Recent polls have shown that 53 percent of the house paint jobs are being done by the owners themselves. In 1941 this figure was a modest 19 percent.

Schedule BIS Chaplain As Banquet Speaker

Charles L. Harrison, resident chaplain at the Boys Industrial School, Lancaster, will be the guest speaker at the 1957 Spring Street YMCA Father and Son Banquet.

The banquet will be held on Thursday, Feb. 14, at 6:15 p. m., Central YMCA, 40 W. Long-st.

The theme this year is "Pals Forever Dad, Pals Forever Son."

Several outstanding athletes and their dads from Ohio State University will also appear on the program. Reservations may be made by calling CA. 1-6779 or CL. 3-6372.

Jesus, our Divine Saviour and Redeemer, speaks thus to all of us today as He spoke to His disciples. God gives us bountifully of love and good and strength. But He cannot give us faith. Through our own free choice and belief and will, we must create and maintain our faith, ourselves.

Check For Moisture

Check often to see that gutters and downspouts are free of clogging leaves and twigs. When melting snow and rain can't drain off trouble can be in the offing. Check the outlets of the downspouts also. All water should be carried away from—not toward — the foundation of the house. Remember that moisture seepage will cause interior paints to crack and peel.

YEAR END

Another year has woven its design
Into the tape of time, and stitched a line
Or two across each countenance, and sewed
A final seam where Death inscribed his code . . .
So many fleeting days torn, page by page,
From calendars that measure only age,
So many hours clocked, and minutes spurred
Until their fragmentary forms are blurred
And pale—life slipping, sand-like, through our grasp.
As, futilely, our fancy tries to clasp
Retreating episodes, forgetting how
The only moment that we live is now.

Two or three weeks ago I wrote about Miss Grace Layton, the polio-victim who designs and sells greeting cards and stationery. My thanks to those who Tried to help Miss Layton. Somebody goofed and the name of Miss Layton's town was spelled wrong when it appeared in this column. One lady told me her letter was returned. I am very sorry. January second: After a strenuous two or three weeks, now there's nothing to do but relax—and untrim the tree; write thank-you notes; put away the Christmas candles so they won't melt this summer; pack ornaments, etc.; shake pine needles from everything; sweep them from the floor; try to think of a new way to disguise left-overs; look over the Christmas cards again and answer notes written on some of them; look for gloves, compacts and hankies left by guests, and look forward to spring.

Now Out Of Coaching

Reported last fall as planning to retire as part-time basketball and baseball coach, C. R. Battin is now out of coaching at Roosevelt Junior High. According to the report several weeks ago, the part-time coach wanted to devote full time to teaching. It was reported that a desire for the less extravagant activity of teaching was the reason for the combination teacher-coach deciding to go to fulltime teaching. He continues at Roosevelt.

Looked Reasonable

The first time a car ever appeared in a remote backwoods community it whizzed by the general store. Someone asked, "What in tarnation was that thing?" Just then a motorcycle came around the bend. "Don't know," somebody answered, "but here comes its colt!"

Painting Over Paper

Before painting over wallpaper make sure the paper adheres firmly at all points. If so, it's probably safe to go ahead and paint. It's wise, however, to make a test application on a square yard or so of the papered wall area. This will tell you if the coloring matter in the paper bleeds into the paint, if embossed patterns show through, or if the paint loosens the paper. If any of these things happen, you had better remove the wallpaper with a steamer, then wash off any remaining paste with water. All cracks should, of course, be filled.

Home Owners Fight Effort To Rezone For Factories

Action of the Council of South Side Organizations at its Jan. 10 meeting, has given impetus to the efforts of a large group of home-owners and their near-by neighbors to prevent what is called "the irreparable damage to homes in the community costing up to $25,000 each," according to leaders in the neighborhood involved.

The decision of the Council of South Side Organizations to support the opposition to zoning the area, which is along Fairlawn from Deshler-av northward, brought out a great surge of enthusiasm in the area and gave what was said to be a sure thing that the City Council will give sufficient time to familiarize itself with the details and the circumstances, and then support the property owners-voters in their campaign to prevent the crash of real estate values in the community.

Who Wants It Zoned?

That question was asked by many, and answered by many. The comments heard at a giant mass meeting Sunday afternoon in the cafeteria of the Wesleyan Press, on Fairlawn, indicated that the promoters of rezoning are professional real estate people who recognize the high value of the location.

During an intense discussion of the situation Sunday afternoon, it was stated that at the present time "the commercial interests who want to wreck our neighborhood have not a single prospect for the ground here where our people live and where we have built our homes in the expectation that we would be allowed to live in our homes with our fami-

Judge Gessaman Rules For Annexing District

Judge Myron B. Gessaman in Common Pleas Court yesterday (Wednesday) morning dismissed an action brought last summer against a movement to annex about 7,100 acres of Marion School District to the City of Columbus.

The decision of Judge Gessaman marks an end to a period of uncertainty about whether the area could get into the city. With a large sentiment for joining the city, residents of the Marion area early last spring organized to solicit the area for signatures asking admission to the City of Columbus.

Fought Back

During the summer workers sought and secured what seemed to be an adequate number of signatures to the petition. However after the petition was filed and after the County Commissioners had voted to admit the area, a group of dissidents sought legal aid in combatting the break-up

Steelton Merchants Install Newly Elected Officers At Jan. 8 Meet

Pictured above are newly elected or re-elected officers of the Steelton Merchants organization, who were installed at the Jan. 8 meeting at Fiesta Club. From left to right, front row, are Judge Henry Holden, who administered the oath of office; Tom Sharp, Steelton president; Bob Benjamin, master of ceremonies. Back row, left to right, Dr. F. Finke, retiring president; M. Milousnich, first vice-president; B. Bighouse, re-elected treasurer; S. Skunza, secretary; G. Horvath, dinner chairman.

Officially Steelton Merchants organization began its existence in 1931, although a number of the older members believe it was an existing organization earlier in the century, but probably not officially organized—"more like a voluntary organization, with members getting together whenever they felt like it, and growing into an organized institution," one member said.

In 1931 the group officially organized under the name which it still bears, Steelton Merchants. The organization interests itself in subjects which are important to the people of the area, find it a medium for the exchange of business talk, seek better parking, provide amusement via a carnival each year, send a boy or boys to camp each summer, and, in general apply themselves to the practice of looking after the district's welfare. It has been said of the Steelton Merchants organization that it is big enough to be interested in important aspects of the community and small enough to be a friendly, neighborly group working toward the public welfare.

Family Fun Night At Southwood

Mrs. Walton Barnhart, program chairman, has announced that the PTA of Southwood School will hold a "family fun night", Jan. 24 at 8 p.m. at the school.

The fathers and sons will meet in the auditorium for their program.

The mothers and daughters will meet on the first floor room 12, for their program.

Following the programs groups will combine for a square dance under the direction of Alfred Eggleston, recreation chairman. "Jim" Wagner will call the dances.

A movie is planned for the children not participating in the square dance.

Refreshments will be served in the lunch room.

Control Needed

If a fellow hasn't been able to control the "horses" under the hood of his car in the past, how can he manage the additional horses the makers tell us are under the new hoods? Is carnage to be exalted?

* * *

Roll, Horses, Roll!

With increased power, doubly upped and multiplied, seems like motor car engineers want to make quick work of a contract to translate us from being high-speed maniacs to the place on the other side of the curtain called Death. Making it simple, we are given additional power to translate ourselves from here to there—OVER THERE! Trouble is, so many not "in the thrill" have to be killed or mangled to let the driver speed into the blackness of his future.

Closer to the Big Void

Reading the papers, notice that some of the great secrets of the skies are about to be exposed—if man can live to complete the exposure. The satellite is nearing completion, press reports indicate. It won't be long before man rides in the satellite, or in many satellites. Interesting thought: will battles be fought, in the great-up-yonder? Will reporters be on the "sidelines" as nations are defeated far away from the earth's surface? Is man's knowledge leading to the destruction of the human race? It can be, you know!

Goldstein Tells Story Of Defeat By North

By Bob Goldstein

Coach John Colmery and his rangy South cagers ran into one of the state's hottest teams last Friday night at North. The North Polar Bears lived up to their statewide No. 2 ranking by blasting the visiting Bulldogs 76-53. While the Polar Bears extended their season's long winning streak to 10, the Bulldogs' City League title hopes were buried under the North avalanche.

Had 'Em on Run

Utilizing their famous pressing defenses, Coach Bernie Cellar's crew constantly had the Bulldogs on the run. The Bulldog height advantage was cut down by the tremendous outside shooting of Dick Jones. Jones had five first-half baskets as the Bulldogs seriously threatened through the first 12 minutes of the game. At that point North led 26-22. However, the classy Maroons poured on 11 straight points to enjoy a 37-22 picnic at halftime.

Sensational sophomore Jim Doughty along with veterans Bill Dodson and Dan Wherry effectively tied up the Bulldogs' Don Diche and George Devlin. Hal Ward took up the slack with 15 points and reliable Ken Fowler come through once again with some sharp passing and an 18-point offensive show.

Defenses Knifed

In the second half, catlike Alf Hylton led the Polars' charge. Hylton added four baskets and Jones came back with six long jump shots. Hylton's sharp passing knifed through the Bulldog defenses for many sharp-shooting assists. After the third-period smoke had been cleared the Arcadia-av boys led 55-35.

The maroon-clad warriors of North continued the assault in the final period as the Bulldogs were explainably tiring. Apparently the Polar Bears were as fresh as at the start as Dick Jones' jump shots rang a merry tune for North followers.

Reserves Lost, Too

The evening turned out a total loss as South's reserve cagers dropped their first league contest. The North yearlings won out in a 37-36 thriller. The Bulldog varsity has now had the dubious distinction of playing Ohio's two top teams.

The Middletown Middies and the North Polar Bears have both inflicted defeats on the Southerners' record. Even though South lost out in both parings, the valuable experience against both powers was apparent in recent Bulldog encounters.

Panthers Coming

Tomorrow night the Bulldogs return home to entertain the Linden Panthers. The game will mark the end of the first round of City League play. The following night South will travel to Springfield to play the Wildcats, coached by former East High mentor, Bucky Walters.

Inter-Center Shuffleboard Tournament At Schiller

The annual inter-center shuffleboard tournament was held at Schiller Recreation Center last week with representatives from recreation centers all over the city participating.

In the junior girl competition, Vicki Quinn of Glenwood Recreation Center defeated Sue Woodward of Schiller for the championship.

The junior boys' championship was claimed by Jim Parrott of Sunshine Recreation Center, over Steve Chevelier of Linden Recreation Center, 52 to 10.

Mary Ann Yetter of Schiller Recreation Center defeated Sandy McGuire of Sunshine for the intermediate girls' championship 50 to 20.

Dabe Erb of Schiller won the championship of the intermediate boys division by defeating Earl Glover of Sunshine for a score of 59 to 48.

Judy Collins of Glenwood defeated Grace Howard of Schiller 62 to 32 for the senior girls' championship.

The senior boys championship went to Don Creed of Glenwood with his 55 to 47 defeat of Charlie Williams of Sunshine.

Roy Andrews and Carl Evans were the other representatives of Schiller in the tournament

Committee Receives Essays From Four Local Schools; Winners To Capital

Pictured are John Joyce, American Legion essay chairman, turning over to his wife, who is president of Southway Unit No. 144 Auxiliary, 160 essays from the four high schools in the unit's area to be judged for awards. Left to right, Mrs. Murl Peetker, Auxiliary Americanism chairman; Mrs. John J. Joyce, Auxiliary president; John J. Joyce, Legion essay chairman; Mrs. John T. McCoy, first vice-president of Auxiliary.

One hundred sixty essays on the subject "Patriotism in Modern America" were dropped into the lap of the judging committee last Saturday evening at the American Legion Post Home at 874 S. High-st.

Essays to be judged are the result of a national contest and were selected from those received from ninth to 12th grade students in Barrett Junior High School, South High, St. Mary's High, and Holy Rosary High.

Boy and Girl

The responsibility of the committee is to select the best two essays from each school, one by a girl and one essay by a boy, in each of the four specified grades in each school.

When this has been accomplished, the essay chosen will be delivered to the county commander as will be done by all other posts in the Department of Ohio, where they will be judged and a county award given.

The winning essays will be forwarded to the Department adjutant, he to receive them not later than March 1 this year. Department judges will select 12 winners, three from each of the four grades, and deliver the state winning essays to the department commander by March 31 this year.

These 12 winners will be awarded an all-expense trip to Washington, D.C., Mrs Joyce explained.

The first after-banquet item on the program was community singing, under the leadership of Paul W. Ward, vocal instructor in Central High School, and director of the South Side "Y" Optimist Junior Boys Glee Club, pictured above in a presentation following the community singing.

Joe Davis, chairman of the program committee of the Board of Management of the South Side "Y", was master of ceremonies.

As a closing feature the chairman introduced member Tom Moody, president of "Y" Amerigo II, who narrated the history of "Y" Park, using colored slides to show the growth of usefulness of the area during the years.

lies without trucks, manufacturing noises, smoke, soot, and all the other handicaps to residence property in a factory district.

Park Is Planned

Further investigation indicates that there is a large number of people having their homes and their families in the area which allegedly it is sought to factorytize who have been supporting the conversion of the woods area into a park, as a contribution, one of the speakers said, "to maintaining the area forever as a place where it is nice to have a home."

Later investigation indicated that there is pretty near a whole community devoted to the park idea, and these cannot, they say, find factorization comparable to having a park in preserving values and serving a great many people with good environment for their homes.

Sunday Meeting Called

With the support of the Council of South Side Organizations, the Sunday meeting was called for the specific purpose of going to City Council next Monday evening, where the sponsors of factory zoning and the supporters of non-rezoning will be heard by members of Council. It is expected that a large delegation from the concerned area will be in attendance at the Council meeting. Members of the audience Sunday afternoon indicated that they will be on hand to oppose rezoning before the Council.

Large Attendance

The crowd consisted, it was stated, of more than 250 home owners in the neighborhood. Action taken by these included the employment of an attorney to represent the community group. There will be another meeting next Sunday for committee action in determining certain details said to be "desirable in bringing the subject before the Council next Monday evening."

Mid-Year Graduation—

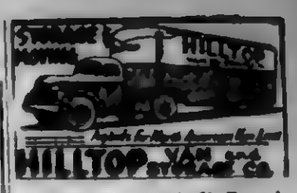
memorial gift, followed by announcement of awards and remarks to the class by Principal Swain. The singing of the Alma Mater by the class and the audience will conclude the program.

Marching Song

To start commencement ceremonies, the graduating class will march into the auditorium while singing "God of Our Fathers." Led by Miss Mary Francis Winchester, the class and the audience will sing the "Star-Spangled Banner", followed by the pledge of allegiance to the American Flag led by Jack Silcott, vice-president of the senior class. The invocation will be given by Rev. Robert Streaty of Clair Chapel Methodist Church, after which the graduating class will sing "For the Lord is a Mighty God." Speakers for this occasion will be Jo Stonerock, whose topic is "As the Twig Is Bent," and Norman Friedberg, who will speak on the subject "What Profiteth it a Man?". Eichberg's "To Thee, O Country" will be sung by the graduating class, following which the presentation of the class to a member of the board of education will be made. Rev. Streaty will give the benediction, followed by the recessional hymn concluding the program.



Judge Gessaman—

(Continued from page 1)

of the district. The attorney, Thomas Applegate, appealed the case to Common Pleas Court, asking a restraining order preventing the City of Columbus from accepting the area into the city.

It was this action upon which Judge Gessaman gave his decision yesterday, Wednesday, morning. At a hearing Tuesday, the opponents of annexation through counsel declared that sufficient signatures had not been filed, although County Commissioners last July 31 declared the signatures adequate, and approved the entry of the area into the city.

It was reported that Judge Gessaman acted upon his conclusion that counsel for the opponents of annexation had not sustained their pleas that there were insufficient signatures. He therefore dismissed the action, making the entrance into the city of the area dependent only upon the date when the city council accepts the Marion area. Attorneys could not be interviewed to learn if they plan further legal appeal.

Parents Asked To Depend Upon Ice Data Broadcasts

Superintendent Strausbaugh of Hamilton Township Schools has announced that Radio Stations WRFD, WBNS and WBNS-TV will broadcast news of the closing of Hamilton Township's four schools, Obetz, Hamilton Central, Hamilton South and HamHton High, if it is necessary to do so because of bad weather or icy, dangerous roads. Parents and students are asked to turn on their radios or televisions early in the morning if there is any doubt in their minds about the closing of school.

These stations will have the official word from Mr. Strausbaugh if the schools are to be closed, he said. Trying to telephone the schools or friends may be quite useless. He urges that the suggested stations be depended upon.

Dog License Deadline Is January 20

Franklin County Auditor Fred C. Dunn has made a final appeal to dog owners to rush their applications for 1957 dog licenses. The Auditor calls attention again to the fact that after Jan. 20 there will be a penalty of $1, making the delayed license cost the dog owner $3

The county official says that if you can't get to the Court House, mail the application to be there by the 20th of this month, giving full description of your dog, and send a stamped, add-ressed envelope. Fee is $2, it was announced, per dog and $10 for a kennel license.

Remember, unless the application is postmarked Dec. 20, there will be an extra charge, the Auditor warned.

January is certainly a birthday month for the Sergio family of Gilbert-st. Here are the celebrants: Kate Sergio, Jan. 9, and her son, Stevie, Jan. 15; John Sergio, Jan. 14; Betty Sergio, Jan. 23; and Roseanna Sergio, Jan. 24. A married sister, now living in the East, had a Jan. 8 birth date, too, so far-flung wishes to "Toni", even if belated.

Mr. and Mrs. Roy Howard, Sr., 1326 Smith-rd, can look back on the past holiday season as family reunion time. All their children and grandchildren were present at various times throughout the winter's vacation period. The Howards' daughter and family were visitors in Columbus, which added immeasurably to the homefolks' happiness. The visitors from Proenix, Ariz., were Jim and Isabelle Lindner and their four children. Since the Lindners were well-known South Siders, we're sure their many friends were glad to see them once again.

We're glad to report an illness in the past tense, so hope Ethelyn Messer will remain on the "perk and chipper" list now.

January brides and grooms are: Nancy Lee Jacobs of Pomeroy, O., and Gary Harold, 900 Lilley-av. Their wedding was an event of Jan. 12, in Pomeroy. Mr. Harold was a South High grad, attended OSU and is now associated with Industrial Nucleonics Co. The other young couple will exchange their vows this Saturday, so best wishes to Janet Mary Hensel, 1251 Wilson-av, and to Capt. Edmund Pacocha of Warren, O.

Our sympathy to the family of Laurence Griffith, 16, one of the fatalities of the beginning year.

Trudeau Guild 19 held its Jan. 15 meeting in the home of Mrs. John Kessler, 1538 Oakwood-av

Since the matter is so close to the Gadabout's thoughts these days, we want to emphasize the importance of regular rabies shots for the family pets. It's SUCH a worry when a child is bitten and there's even a little doubt in the parents' minds about the affair!

PTA news, past and present: Deshler PTA and Beck Street PTA groups held meetings yesterday, and St. Leo's, Heyl Avenue and Livingston Avenue PTA's are active today. St. Leo's meets this evening at 8 with TV sportscaster Jimmy Crum to show his film "Kodiak Bear Hunt." Heyl Avenue members will be able to question their guest speaker after he presents his topic, "Your Child's Health In An Emergency." Guest speaker is Dr. Homer A. Anderson, pediatrician. At Livingston Avenue, it is the PTA's study group that meets today for a noon pot-luck luncheon. At 1:15 p.m. the group will hear a discussion, "Do Parents Teach the Three R's?". Mrs. Carl Dodke is the leader and Mrs. Helene Sliter is the consultant.

Welcome to the new little girl in the Herman Hafey home, 785½ S. High-st. (Many South High grads would better remember Mrs. Hafey as Betty May Baughman, so we'll include that bit of information.)

We're hoping Jack Sickles is home now from Mercy Hospital and starting his way to increased health.

Diane Humes celebrated her Jan. 6 entrance into the "teen" years with a group of her girl friends, with an old-fashioned "taffy pull". Enjoying the get-together at 49 Southwood-av were Patti Hampton, Sarah Woodward, Dottie and Barbara Craggs, Sharon Lee Dear and Wanda Heiser.

Not-very-long-ago birthdays to remember are those of Larry Leach, 99 Reeb-av, Jan. 8, and Merle Norris, 817 Frebis-av, on Jan. 15.

Group B, OSU Mothers' Club, met this past Tuesday in the home of Mrs. Wilbur Martin, 257 E. Morrill-av. Assisting hostesses were Mrs. Floyd Lemmon, Mrs. Marshall Houghn and Mrs. Leo Neugebauer.

On Mar. 20 Columbus will hold its first nephrosis walk. In order to give the public a little advance knowledge of this dreadful disease. There is available for use by PTA, church, or other interested groups a 16 mm. sound film entitled "Children With Nephrosis." If you are unable to furnish a projector and operator, the nephrosis group will try to do so. Anyone interested in showing this film to a group between now and Mar. 15, please contact Mariam Theado, 681 Oakwood-av, or call her at CL. 8-2967. Miss Theado ca be reached after 7 p.m. (If you are unable to get Miss Theado, call the Gadabout and she'll relay the message.)

St. Francis Circle 13 meets this evening at 8 in the home of Mrs. James Meers, 819 Fairwood-av, for a dessert bridge meeting.

Comes January and we always get to chat pleasantly with Mrs. Roy Schneider of 1402 Parsons-av. The reason? So that the Leader readers in Torrence, Calif., the junior Schneiders, will have a happy birthday wish from Columbus. Pat Schneider had a Jan. 16 birth date, and Donald Schneider of the Parsons-av address had his birthday the day previously, the 15th.

Band and Orchestra Parents of South High School are asked to gather rummage for the group's rummage sale, to be held Feb. 25 and 26. (Anyone else caring to help this project is cordially invited to do so, of course.) You see, state requirements for Class A competition will necessitate buying three instruments that will cost approximately $1500, so the group has a worthwhile project of helping to purchase the needed instruments. If you have rummage to donate, contact any one of these women: Mrs. Metzger, HI. 4-2407; Mrs. Hoptry, HI. 3-6415; or Mrs. Berger, CA. 4-1058. Mrs. Berger, the group's president, also asked that we thank those who bought vanilla from the BOP.

Mrs. Berger's sister, Kay Green, was in the hospital as we wrote these words, so we hope she's home now from Mt. Carmel and recovering. Kay's home address is 1446 S. Fourth-st.

Mid-year graduates of the junior and senior high schools enter into the last days of their grades at this time so we'll take a moment to see what's happening to our "teeners". Barrett graduates will have their 9A party tomorrow night. South Mid-year grads will have their senior supper and prom tonight. The double-header starts at 6 and is over at 11:30 p.m. This Sunday at 4 p.m., baccalaureate services will be held. Monday at 1:30 p.m. class day exercises will be held and the big event, graduation, takes place Tuesday, Jan. 22, at 8 p.m.

White Cross Hospital Guild 33 meets today at 10 a.m. in Henderson Hall.

Mr. and Mrs. Lorraine Itskin were host and hostess to the "Zodiac Club" last Sunday evening. The two members whose birthdays were celebrated were Helen Fisher and Priscilla Lenox, others present were Clem Fisher, Paul Lenox, Tom and Judy Lenox, Don Dicke, Patti Fisher, Bill and Nellie Kaufman with daughter, Janice, Chuck and Leo Walters, and Darrell Itskin.

The South Unit of the League of Women Voters will meet Tuesday, Jan. 22, in the home of Mrs. Earl A. Todt, 644 Napoleon-av, at 8:15 p.m. Mrs. Carl Groetzinger of 460 Stanley-av, a member of the unit, will be the resource leader for the evening.

One more belated birthday remembrance and we'll be on our merry way. The young daughter of Mr. and Mrs. Virgil Eagon, Janet, had a January 4 birthday, and we don't want to skip anyone.

Guess that's all for this time. Do call HI 4-1051, won't you? It helps! Thanks and till next week, tis

THE MAN SAID IT!

Yes, the man said it! We're used to it, of course but it always sounds good. Mrs. Frank C. Hahn, 911 Livingston-av, had a good Servel refrigerator she did not need. She advertised it in the South Side Leader. And you know what? Mr. Hahn came in to tell us that there was a flood of telephone calls. The second caller visited the Hahn home and bought the refrigerator right away, quick! They think the Leader is a good newspaper. You will, too, if you try it. Well, then, try it, won't you? Just call HI. 4-9262.

To Install Officers

F. H. Temple and J. H. McNelly have announced that Capitol Lodge No. 334 IOOF will install its new officers at the lodge rooms at 24 W. Goodale, Friday evening, Jan. 25.

How Much Should A Funeral Cost?

• THIS IS A question which we hear every day—and the answer is not at all difficult or embarrassing. Each family has its own set of circumstances which, properly added up, supplies its own answer. We are always glad to talk frankly about costs—ours and yours — and to give our advice when asked. If you have a problem of this kind why not drop in and talk about it. We'll try to give you all the facts.

'Friends' And $13 Lost While Taking A Bath

There's some question in the mind of Amil Paliat, 34, 1864½ Parsons-av, whether his callers, or guests, were really friends. He doesn't think they were. The reason is, as he explained to police last Thursday night, that while he went to take a bath, his five guests went away, as did $13. He thought it quite an expensive bath.

Dad's Jet Life Brings Fame To Girl

Barbara Mundy, a freshman at Hamilton Township High School, has come into considerable prominence in and around the school with the January issue of McCall's Magazine, which carries a five page article entitled "Jet Pilot." Both the articles and the many photographs that illustrate it are about Barbara, her Jet pilot father, Captain Bud Mundy, and the rest of her typical jet pilot family." To be able to read about a schoolmate in one of America's larger magazines is quite a thrill.

The article tells something of the irregular hours which are a part of a jet pilot's life. It also tells about some of the places where the Mundy family has lived, from tarpaper shacks in San Antonio to a modern housing unit at Lockbourne AFB.

Two members of the journalism class interviewed Barbara at school when the article first appeared. During the interview the reporters learned that Barbara has attended 14 different schools so far. The family has moved 16 times.

Club To Meet

The Weight-Lifting Club of Schiller Center is resuming meetings again after the holiday. The evenings set aside for this activity are Monday and Wednesday, with LeRoy Wise of the Schiller staff as instructor.

Lions To Hear F. L. Helm On African Rubber Talk

Fred L. Helm

Southeast Lions are looking ahead to next week's luncheon meeting of the group, when they are to hear much of the development of rubber plantations in Liberia, West Africa, according to Lion Frank Nubeck, program chairman.

The speaker at the meeting next Tuesday, Jan. 22, will be Fred L. Helm of the public relations department of Firestone Tire & Rubber Company. His association with Firestone started soon after he graduated from Ohio State University in 1923. During the intervening time he took enough time from his Liberian activities to investigate and study the native rubber of Central America. It is said that the speaker will draw a full membership list to hear him tell of his years of experiences in Liberia and Central America.

Mr. and Mrs. Helm live at 108 S. Roosevelt, Bexley.

Big Crowds At Leagues' Openers

The South Branch YMCA Gra-Y Leagues opened Tuesday, Jan. 8 and Thursday, Jan. 10, at Schiller Park gymnasium. One hundred and forty-two boys were on hand to start the season off. All of the teams put on a display of good sportsmanship even though everyone could not come out on top of the point column, a "Y" spokesman said.

Impressive in the Tuesday League was the Lincoln Park Scarlets, who won the most sportsmanship points as well as their game with the Livingston Wildcats. The high scorers on their first night of competition were Larry Jonas of the Lincoln Park Scarlets and Gerald Gibbs of the Heyl Buckeyes with eight points each. Bill Howard of the Beck Bulldogs looked very good with his showing of floor play.

In the Thursday League, the Southwood Panthers and the Deshler Lions put on good showings with impressive wins, while the Stewart Indians and the Southwood Eagles tied for top honors in sportsmanship points. The high scorer of the afternoon was David Mouser of the Southwood Panthers with 18 points. Close behind was Robert Cossin, also of the Southwood Panthers, and Terry Treneff of the Deshler Lions with 10 points each. A good showing of floor play by Rodney Crow of the Siebert Scorpions made possible the winning of a close one for Siebert.

Tuesday League scores: Beck Bulldogs 12, Heyl Leopards 2; Lincoln Park Grays 17, Heyl Buckeyes 14; Lincoln Park Scarlets 13, Livingston Wildcats 6.

Thursday League scores: Siebert Scorpions 7, Reeb Shooting Stars 3; Southwood Panthers 34; Stewart Indians 7; Deshler Lions 24, Southwood Eagles 3.

from QG's NOTES

The Difference

Soviet jackasses bray about "liberation" the while they proceed with brutally treating those who believe that God made man to be a thinking animal and, so believing, seek to exercise that holy right. You read almost daily of the condemnation the Red leaders heap upon the "miserable capitalistic, selfish United States." Yet, let any who may wish read from history's record and find a single country which has done as much for the dignity of man, for political freedom and the freedom of speech and of the freedom of nations as the United States of America. We have no equal.

• • •

The Record

Our record began with freeing ourselves from England. The Philippines were freed from the ruthless domination of Spain. It cost a lot in lives and money to prepare, or help the people prepare, for independence. We did it. Then, out of the same war which freed the Philippines came the freedom of Cuba. And there was Puerto Rico, which exercised its option to become a commonwealth of the United States. Texas was emancipated, became a great state in the United States. Not a single nation or people has been held in subjection. The masters of Russia and the devourers of the soul of man, and his destroyer, have only mean words for a people who have done what the United States has done! Slave Russia ruins — human body and soul! Free America gives zest to individual living and achievement, both spiritual and material!

Acknowledgement

Let me give acknowledgement to the PTAs and particularly to the publicity chairmen of the PTAs for a happy, friendly relationship. It is delightful to work with them. They are unselfish in their requests, they show appreciation for what is done in the light of duty — by golly, what would I do without you? Well, I'm sure glad you are here!

On Wednesday, Jan. 16, five members of Southway Post No. 144, American Legion and its auxiliary were guests of Barrett Junior High School honor award program, the highest honor awarded youth by the legion.

The two students chosen from the graduating class as being the most outstanding boy and girl were Sue Feil, daughter of Mr. and Mrs. Edwin Feil, 337 Welch-av, and Douglas Pritt, son of Mr. and Mrs. Ray Pritt, 405 Welch-av. Joyce, essay chairman, for the post, and Roy Shumate and Mrs. Murl Poether, Americanism chairman for the Auxiliary.

The American Legion School award is designed to place emphasis on the development of the qualities of honor, courage, scholarship, leadership, service, companionship and character in school pupils. The School Award Plan, by promoting in youth an understanding of these qualities, equips youth to live their own lives as outstanding examples of good citizenship.

Loses Two Fingers In Explosion

A 14-year-old South Side boy had the middle and index fingers of his right hand blown off while experimenting with chemicals at his home last Sunday morning.

Fire Department emergency squadmen said Clarence Price, son of Mr. and Mrs. Carl Price of 984 Miller-av, was trying to make gunpowder in the kitchen when his concoction exploded.

The boy was taken to Children's Hospital. His condition was reported fair after surgery.

League Meet This Friday

Mrs. Emma R. Wilkerson, president of the South Side Community League has urged all members to attend the group's first meeting of 1957 this Friday at St Stephen's Community House, 379 E. Barthman-av. Important business meeting will be held upstairs at 7:45 p.m. Mrs. Mary Jenkins, secretary, will receive duties at this meeting.

Teachers To Be Paid By Columbus

Columbus South Side now is part of a "greater" Columbus as the result of its neighbor to the south and southeast having been received into the City of Columbus, the accomplishment occurring at the Monday evening meeting of the Columbus City Council.

Not only is the Leader area now part and parcel of Marion Township and a bit of adjoining townships. It is part of a Columbus having the largest area of any city in the State of Ohio. Of course, there are always problems, and the large area now is the center of official activity as efforts are made to amalgamate the Marion area with the city's management routines.

Schools

Among other items in the annexation of the Marion Township school district, with its 7,100 acres of land, the city received six schools the value of which probably get up into the hundreds of thousands of dollars. This includes Heimandale, Marion-Franklin High School, the very new and not quite complete Beery High School, Smith Road Elementary School, Clarfield Elementary, Fornoff Elementary.

Uncertain

It is understood that the Columbus Board of Education has already assumed the payroll for the schools in the annexed area. The area schools have previously paid teachers once a month at the end of each month. The teachers will now receive payment of their monthly stipends on the 24th of each month, it was stated. How many of the teachers employed in the schools will be continued under the Columbus Administration is not known, but a number of the teachers in the annexed area have expressed some concern lest the requirements of the city schools shall cause them to look elsewhere for employment.

Other Problems

Other items imposing much effort upon certain city authorities are the questions of how many more policemen will be necessary, how many more firemen, and then the ever-present garbage disposal and numerous other related items.

Columbus has, according to an announcement, sent one piece of equipment to the township fire house, along with men to man the equipment. Additional police officers impose a greater burden on the city than the needed extra firemen. Officials have, however, expressed the opinion that there will be a smooth working-out of the program of amalgamation of the areas with the City of Columbus.

Bright Spot

Officials find one outstanding point which gives them increased optimism: the annexation brings into the City of Columbus additional taxable property worth $60 million dollars. That will bring in considerable cash, according to tax-conscious officials.

Raiji Rathod Of India Will Speak

Raiji Rathod, a boys high schoo, superintendent at Baroda, India, will be the speaker at the church school of Oakwood Methodist Church at 9.15 Sunday morning, Jan. 27, and he will speak again at the 10:30 morning service, according to an announcement several days ago.

The Baroda man is in this country temporarily, studying at a seminary in Asbury, Ky. The seminary is on the list of Oakwood Church for scholarships, two having been given annually for 30 years, it was stated. The visitor from overseas is the uncle of a youth now attending the Asbury seminary on a scholarship from Oakwood.

Rev. Carl E. Hicks is pastor of the Oakwood Methodist Church.

Southwood's 'Fun Night'

Plans for a gala "Family Fun Night" have been announced by the PTA of Southwood School to be held Jan. 24, 8 p.m., at the school. There will be no business meeting, according to Mrs. Paul Mason, publicity chairman, who said Alfred Eggleston will preside in the auditorium for the fathers and sons meeting, followed by a musical program for entertainment.

Mrs. Elmer Marte will preside in Room 12 for the mothers and daughters meeting, followed by Miss Patty Poeschel entertaining with her Marionettes.

Then in keeping with the theme for the evening, "Wholesome Fun Is Our Responsibility," the two groups will combine for a square dance on the first floor of the school. Jim Wagner, associate executive secretary of the South Side Branch of the YMCA will instruct and call the dances.

A movie for the children and those not participating in the square dance is planned.

Bill Hoermle Back From Trip

William (Bill) Hoermle, Sr., has returned from a visit to Chicago, Ill., where he spent several days in the famous Merchandise Mart, at the national meeting of the Retail Television Dealer Association. Inspected were the newest in television design, he said upon his return.

WWI Election Set For Feb 3

Publicity officer R. M. Hartman, "the Old Sarge" of Veterans of World War One, has announced that the next meeting of the organization will be held at 300 W. Broad-st, Veterans Hall, Sunday, Feb. 3.

An important item, according to the announcement, is the election of officers to serve in 1957.

The Gadabout

Priscilla LaRue Lanes
HI. 4-1651

A 13th birthday on Jan. 19 was celebrated in grand style by Miss Sharon Rumsey, 222 Frebis-av. Fourjeen of Sharon's friends gathered in the Rumsey home to celebrate her entrance into the "teens." They were Martha Essig, Joe Knoefske, Mary Ann Irvin, Harry Smith, Sharon Morrison, Paul Jacob, Judy Pope, Raymond Gleich, Mary Margaret Roberts, Clarence Zielke, Bobby Miller, Joan McGarvey, Richard Turner and David Corbett.

Little Craig Daniels proved he's a smart young lad already, by picking such nice parents — so congratulations to all three, new baby and young parents. The Daniels live at 32 W. Hinman-av, for those who wish to send their congratulations.

One list that we prefer to be a short one is the "ailing" one, but it's full to the brim this week. Some of the ill folks we know about are Beth Edwards, Norris Dean, Jack Sickles, Jerry Babbert, Marge Hoptry, Donna Hampton, Nellie Kaufman (who was scheduled for surgery this past Tuesday), Lana Itskin and "Grandma" Johnson, who perhaps is now a little closer to recuperation than the others mentioned.

Two Circles of St. Francis School of Nursing will be meeting in this part of town very soon. They are Circles 21 and 5. Circle 21 will have Mrs. Richard Barrett as a hostess, Jan. 29, at 8:30 p.m. Mrs. Barrett's address is 254 Thurman-av. On Jan. 31, at 8 p.m., Mrs. Dixie Stump will entertain Circle 5 in her home at 1031 Ellsworth-av.

Our friends from St. Ladislaus parish are sponsoring a fish dinner tomorrow, Jan. 25, from 5 to 8 p.m., in the school hall, 377 Reeb-av. Committee chairmen are Mrs. Margaret Holliday and Mrs. Charles Fraley, chairman and co-chairman; Mrs. Ralph Kelley and Mrs. Joseph Ardner, tables; Mrs. Andrew Hirtz, Mrs. Rocco Zubovich, Mrs. William Speath, Mrs. Warren Marshall, Mrs. Albert Macioci, Mrs. Joseph Persichetti, Mrs. Sam Skunza, Mrs. Bela Santo, Mrs. Lee Miller, Mrs. Michael Yandrich and Mrs. Joseph Buscilla, dinner; Mrs. Louis Varga, counter orders; Mrs. Frank MacDonald and Mrs. Ann Marton, grocery basket; Mrs. John Warden and Mrs. Edward Horvath, carry-out orders; Mrs. Joseph Eramo, dishes; Mrs. John Tarbara, Mrs. Bernard Karner and Mrs. Charles Erdoes, tickets; Mrs. Joseph Ardner and Mrs. Charles Erdoes, publicity.

January birthdays that we don't want to forget are those of Mrs. Charles Friebis, 581 Southwood-av; Kathleen Whalen, 224 Frebis-av; Mrs. I. Froggiotti, 1396 Moler-rd, and Mrs. Frogiotti's little grandson, Jimmy Buchan. Oh, yes, we want to include David Wiechers, 236 E. Moler-st, in our list of celebrating birthdayites, as well as Grace Largan, of Parsons-av.

Two South High grads will exchange vows in Oakwood Methodist Church this Saturday, so congratulations to Diana Elaine Long, 691 Siebert-st, and Maurice Douglas Fife, 484 Linwood-av. Another young couple who will have a Jan. 26 wedding anniversary is Donna Kirchner, 4193 Eastlea-dr, and Paul Mincer, 249 Frebis-av. Both young folks also graduated from South High School. Their marriage will take place at 10:30 a.m. in St. Leo's Church.

Charles Friebis, 1548 Oakwood-av, is one of the young lads of the community to be called into his country's service. Charles' branch of Uncle Sam's forces is the Marines. (As Charles' birthday will occur Feb. 9, it would be a nice thing to make it a memorable one with many cards.)

A young serviceman overseas helped to make the fourth wedding anniversary a memorable one for his wife. Mike Shields called his wife, Peggy, from Germany and, in addition, had Irwin Johnson play special music on his "Early Worm" program for the Hanford-st resident.

Two PTA activities we know about on today's agenda are "first-hand", so to speak — those of the South High and Southwood groups. The executive board members and room mothers of South are meeting for a noon potluck luncheon today, with the faculty members as their guests. This evening, at 8 o'clock, Southwood PTA members will participate in a "Family Fun Night", with a square dance planned for the parents and a movie for the children. Theme for the evening is "Wholesome Fun Is Our Responsibility." (We heartily recommend an A.S.H. degree for parents, "After School Hours," for we know that parents with children in two or three schools can spend a lot of time attending the various meetings and functions. It's fun, but a little rough, when all the schools decide to be busy at the same time.) Two other groups that have activities today are those of the Heyl and Stewart Schools. Heyl's Parent Education Group is to meet today at 1:30 p.m., and the subject to be discussed is "Teacher and Parents Talk It Over", with a skit being used to demonstrate the talk. Stewart Avenue PTA will meet at 7:30, and should be of special interest to parents whose children will soon be in junior high school. The topic for the evening is "Preparing Elementary Children for Junior High School." Here's an item that rouses our taste buds: a steak dinner is to take place today at South Methodist Church, from 11 a.m. to 1 p.m. and from 5 to 7 p.m.

Our congratulations to Jack Louner, new production manager of WLW-C. Jack was formerly in Cincinnati, with WCPO-TV. He is a native of Columbus and one of his sisters, Emily Ocker, is a South Sider, as is his grandmother, a Siebert-st resident, we believe.

"Nine-day-old" birthday congratulations to Bob Spohn, 1237 S. Ohio-av. (Remembering the nursery rhyme, "Pease porridge, hot, etc.", if they were better for being "nine days old," and why not birthday wishes, hm?)

Mrs. Lillian Miller, San Gabriel, Calif., was the recent guest of her central O io relatives for several weeks. One of Mrs. Miller's sisters, Mrs. Harold Hill, is a resident of 572 Moler-st.

A young couple who will remember January, 1957, as their wedding month are Deanna Fritz, 639 Sheldon-av, and Carl S. Dunn of Harrisburg, O.

St. Mary's Dance Club will sponsor a round and square dance in the new school gym, 700 S. Third-st, tomorrow, from 9 to 12. Al Baumbusch's orchestra will provide the music.

Guess we've used all the material we could find . . . the phone rang nicely last week—and keep up the good work! The number is HI. 4-1651, so you won't have to look it up. Till next edition, 'tis—

Oakwood Methodist Sets S. S. Church League Pace

Oakwood Methodist's high-scoring five continued on its winning way, averaging 32 points per game, as it downed Thurman Methodist, 37 to 7. The Oakwood lads jjumped off to a flying start scoring 20 points the first halg. Thurmen tried hard all the way, but the pressing defense tactics of Coach George Strain, jr., held the Thurman boys to two baskets and three fouls. Dick Anderson was high man for Oakwood with nine points, followed closely by Lynn Hampshire and Jim Siders with six each. Thurman's two baskets were scored by Al Mullens.

In the closest game of the evening, Emmanuel Lutheran squeezed by St. John E. & R. 15 to 10. The score was tied four times and with just three minutes remaining, St. Johns was leading 9 to 8. Emmanuel turned the heat on with Tom Lewis and Bill Reall hitting free throws and Joe Middendorf scoring to put the game on ice. The game was actually won at the foul line as Emmanuel was able to net 7 of 13 chances, while St. John could hit only 2 of 11. Both teams scored four gaskets. Although losing the game, St. John played good ball and cannot be taken too lightly by future opponents. Diebert was high man for St. John, scoring three points, and Bill Reall was high for Emmanuel with six.

In the last contest of the evening St. Paul E&R won over Livingston Methodist 18 to 12. At the end of the half St. Paul was out in front 10 to 3. From then on, little David Duerler of Livingston too charge and scored nine points to really scare St. Paul, but it was not quite enough to make up for the first half. Jim Buehl of St. Paul continued to lead the league in scoring as he scored 11 of his teams 12 points.

Friday's Game May Show If Bulldogs Are 'Hot'

By Tom Woodyard

Coach Colmery's newly-inspired Bulldogs came through Friday night to down Linden 71-68 in a City League clash and then put the stopper on Springfield Public in a Saturday night meeting 61-59.

Working with much teamwork and precision, South came from behind in the second half in both tilts. As the second half got under way against Linden, the Bulldogs were behind 10 markers, but broke it down even as the ball game went into the final quarter. The score remained knotted until the final gun, but South then scored six decisive points in the overtime as compared to the Panthers' three to put the game in the win column for Bulldogs.

Taking scoring honors for the night was South's Don Dicke with 20 tallies. Also scoring in double figures for the canine were Ken Fowler, 19, and Capt. Ron Allen, 13.

In the Saturday night tussle at Springfield the Bulldogs finally managed to go ahead in the final seconds to put down the Wildcats from Springfield in a nip-and-tuck game which finally ended when big 6'5" George Devlin sank a one-handed jump shot from just over the half court mark. When Devlin finally connected for his last two points the scoreboard clock showed seven seconds remaining to be played.

Taking scoring honors in that game was South's Ken Fowler with 24 points, 13 of them coming in his torrid first half and nine in the thrilling fourth quarter.

Tomorrow the Bulldogs play host to Chuck Koterba's invading Pirates, which promises to be a very exciting game, because South was handed one of its two City League defeats in its first encounter with Central.

Gray-Y Basketball Leagues Said Steadily Improving

The second week of the South Side Branch YMCA Gra-Y league showed some good basketball and some steady improvement on the part of the boys. The sportsmanship rating of each team was still relatively high, but some teams showed less in respect to the previous games. The sportsmanship winners for Tuesday was a tie between the Lincoln Park Scarlets and Lincoln Park Grays. The Scarlets are repeaters from last week. In the Thursday League, it was a three-way tie between the Siebert Scorpions, Southwood Panthers, and the Southwood Eagles. The Eagles are also repeating from the week before.

The league ratings for the Tuesday League find the Beck Bulldogs and Lincoln Park Scarlets in a tie for first place, with two wins and no losses. Nice floor play and good shooting by Jerry Hoover of Beck and Joe Middendorf of Lincoln Park Scarlets helped spark the wins. The Thursday League finds the Siebert Scorpions along in first place. Siebert battled its way to win over a strong Deshler team by five points. The Reeb Shooting Stars looked very impressive in their win over Stewart.

Leading scorer of the week was Keith Taylor of the Southwood Eagles with 13 points The Lincoln Park Grays have so far showed the best team play.

LEAGUE SCORES

Tuesday League: Lincoln Park Scarlets 15, Lincoln Park Grays 12; Heyl Leopards 11, Livingston Wildcats 0; Beck Bulldogs 23, Heyl Buckeyes 13.

Thurdsay League: Southwood Eagles 14, Southwood Panthers 13; Siebert Scorpions 13, Deshler Lions 8; Reeb Shooting Stars 21, Stewart Indians 9.

Traffic Death Quiz Goes On

Police said early this week they will continue their investigation of a traffic accident in which 44-year-old Granger Tabor of Delbarton, W. Va., was fatally injured Sunday night.

Tabor's body was taken to Delbarton Monday night for funeral services. He died at 5:10 a.m. Monday, Jan. 21 in Mercy Hospital, seven hours after suffering internal injuries in a two-car crash at Reeb-av and Fourth-st.

Police said the driver of the car in which Tabor was a passenger was a son-in-law, Denver Elkins, 19, of 1302 Parsons-av. Elkins was charged with running a stop sign and is to be questioned further after the funeral, officers said.

Elkins was driving east in Reeb-av, officers said, ran the stop sign, and struck a car driven by Charles Cowan, 27, of 287½ E. Whittier-st, which was traveling north in Fourth-st.

Four other persons suffered minor injuries in the crash. They were released after treatment at Mercy. Tabor was thrown to the pavement by the impact of the crash.

The death was the first in Columbus traffic in 1957.

Annexed School Plants Are Large Value In Area

BEERY JUNIOR HIGH SCHOOL like two others in Marion School District, one of the most modern school buildings, is not yet finished, although classes have been accommodated in parts of the building since early last fall. Beery Junior faces Lockbourne, with one end not far from M-F building.

HEIMANDALE ELEMENTARY SCHOOL building is located a few hundred feet east of Groveport Turnpike on Koebel-rd. This building has a large auditorium in the center of the building which is surrounded by individual classrooms and administrative or service rooms. Kindergarten classes have been held on balconies for some time.

SMITH ROAD SCHOOL is an older institution than three others in the area, but it is well-equipped and contributes to the strength of the school district, it was said.

CLARFIELD ELEMENTARY SCHOOL at 3220 Groveport Pike is large and has been around for some time. It's had good care, it was stated, and takes care of the area which it serves.

FORNOFF ELEMENTARY SCHOOL is located at 156 Dering, and is in-between as far as age is concerned. Located in the center of a tight population, it meets the needs of the area, at least for the present.

Hypocrites

Strange (isn't it?) how so many charged with unpatriotic and illegal activities against our country dive into cover behind the Fifth Amendment. It has been well said that an honest man with honest intentions does not need to cover up with ANY section of the law.

• • •

Different Purpose

Our laws and Constitution are designed to protect citizens unjustly accused. They were NOT compounded by legislatures and courts to permit vile characters to hide in the shade of that distinctively American protection for honest people.

Salute To S. High

With little genuine hope, but with eagerness and determination to do their best, our Bulldogs went out to fight a valiant battle with little real hope of success last Friday evening at Central High. But their efforts, their doggedness (like Bulldogs should) paid off, and on the same night another of our nemeses, North, wallowed in the mire of defeat. That defeat was, for the Bulldogs, a sweet morsel as they contemplated what North did to them recently. Our chests are protruding and our heads are held high in pride for our Bulldogs!

Aerial Bombs Will Start Polio March

As aerial bombs explode over Franklin County this Thursday at 7 p.m., 9000 women will begin an hour-long march for March of Dimes donations.

Mothers will visit every home in the county, carrying manila envelopes with the word "Polio" printed in big, dark blue letters.

At the same time, models, escorted by men of the armed forces, will solicit contributions to the March of Dimes in restaurants, bars, and business places.

It will be the fifth annual Mothers' March on Polio here.

Money raised will be used to treat those persons for whom the Salk polio vaccine came too late, to continue research for improved vaccines, and to help train more doctors, nurses, and physical therapists.

Ticket chairman Mrs. Lowe said tickets will be available at the school Feb. 4 to 7, inclusive, 12:30 to 1:15.

New Minister At Benfield

Benefield-av Church of Christ has a new minister in charge. He is William B. Venrick, who has come, with his wife, to be pastor of the church, the pulpit of which was vacated recently, when Rev. Dana S. MacDonald and Mrs. MacDonald left for their new home in Florida, the result of retirement after many years in the ministry.

The new pastor of Benfield-av Church of Christ is a young man with considerable experience in the background. Born in Winchester, Ind., he was raised in Lancaster O. His first charge was at May Hill, O., Church of Christ, leaving there for the Fifth-av Church of Christ, Lancaster, as assistant minister.

The minister and his wife are occupying the minister's residence alongside the church. Their first service here was Jan. 6. He graduated in 1955 from Cincinnati Bible Seminary, a church college, with the degree of Bachelor of Sacred Literature. One of the tenets of the church is to omit the word "Reverend" in connection with their ministry, on the ground that the use of the title might suggest a desire to rank higher than their flocks.

Lanfears Ready to Dance

A lot of families like the Forrest L. Fanfears, pictured above, 278 Thurman-av, will be in attendance at the Heyl School PTA dance at the K. of P. Hall, 697 S. High-st, Saturday evening, Feb. 9, from 8 until 11 o'clock.

Jim Wagner will be there, and he will call for the square dancing, while his combo will provide music for the occasion. Children may attend with their parents. Mrs. Bill Jacks, publicity chairman, said, with tickets obtainable at the door.

Bulldogs Climb To 2nd Place With Central Loss

South's Bulldogs avenged an early season defeat by edging past the Central Pirates 56-53 last Friday night at South.

The win moved the Bulldogs up to a share for second place in the tightening City League race.

With the absence of sparkplug Kenny Fowle and for much of the first half, the Bulldogs' scoring punch switched back to the capable shoulders of George Devlin. "Big Joe" poured in 10 points in the first half, and once again he combined with Don Dicke to successfully control both backboards. Junior Darrell Henkel chipped in with three baskets before the first half intermission to help cement a 31-23 Bulldog lead.

Pirates Halted

In the second half the outside pressing of Canine guards Tommy Bolen and Ken Fowler successfully held in check the vaunted Pirate duo of Clancy Readout and Jerry Cook. In South's first meeting with the Riverside boys, Readout and Cook combined for 39 Buccaneer points. However, this time it was an entirely different story as the Bucs' high scoring duo were held to a very meager eight points.

Dave Vines took up the Central slack with 20 points, but the Pirates trailed by as much as 12 points in the third period.

Fouled Out

Senior Don Dicke fouled out of the contest early in the fourth period to end his athletic eligibility at South. Sensing the Bulldogs' disadvantage, Coach Chuck Koterba's crew rallied to within one point at 54-53. Captain Ronnie Allen, who totaled 11 points for the evening, calmly sank two foul shots with eight seconds remaining to completely seal the Buccaneers' doom.

South's reserve squad moved into first place in the City League by downing the Baby Bucs 43-37. Waldo Drake and Dave Long led the Puppy attack with 11 points each.

Tomorrow night the Bulldogs travel to Steubenville to play the Big Red of Steubenville High School. The Smoky City boys are currently ranked eighth in Ohio statewide rankings. Defensing 6'8" Bill Ralich will pose a real problem for Coach Colmery's lads. Last year the Bulldogs battled the Big Red on even terms much of the way before bowing 49-37.

South High Senior Girl Wins Top Rating In 'Homemaking'

By Patty Trumps

Joyce Halterman, a senior at South High School, received the highest score in a written examination on homemaking knowledge and attitudes, administered Dec. 4 to senior girls. For her achievement she was named South High School's Betty Crocker of Tomorrow and was given an award pin designed by Trifari of New York. Joyce's examination paper will be entered in competition to name Ohio's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runner-up award in the state. Joyce studies foods under Miss Elsie Friebel.

Each state Betty Crocker Homemaker of Tomorrow will receive a $1,500 scholarship and an educational trip with her school adviser to Washington, D.C., colonial Williamsburg, Va., and New York City, while the school she attends will receive a set of the Encyclopedia Britannica. Marilyn Wilson Wins Much Coveted Shriner Award

By Patty Trumps

Marilyn Wilson, a January graduate of South High School, was presented the much-coveted Shriner Award in Class Day ceremonies Jan. 21 in the school auditorium.

R. C. Richards, "Problems of Democracy and History" teacher, as well as one of the senior registration teachers, made the presentation, relating the qualifications of the winner. As winner of this award, Marilyn's name will be engraved on a silver plaque which will be hung in the front hall of the school.

Rates High

An honor roll student, Marilyn rated high in character, scholarship, leadership and service. This fact is best illustrated in her record as treasurer of the senior class, secretary of Student Council, clerk of Student Court, president of Philo, member of the Optic staff (1955), make-up editor of the Lens staff (1956), and reserve and varsity cheerleader.

Also awarded at the Class Day program was the Alumni Scholarship of $160, which was awarded to Pat Stocker. Linda Swisher was given a trophy for her excellent record in participation in the Girls' Athletic Association.

National Honor Society

National Honor Society members elected from the graduating class are Joe Stonerock, Neal Kreshecr, Jane Armentrout, Pat Stocker, Edna Ann Baughman, Marilyn Metzger, Anne Eyster, Becky Meyers, Mary Karnes, Sharon Morris, Amelia Petrasio, Stacy Skufis and Marilyn Wilson.

Three Plants Modern Mode

Discussion in Columbus City Council last week pointed up what was described by one member of Council as danger "of municipal bankruptcy." This charge has been refuted by others, but the charge has resulted in a look at a number of the segments of the recent annexation of most of Marion Township. A big bright spot is the school system.

Big School System

Marion Township had a large school system, as shown on this page today. Not including Scioto Trail, on S. High-st, there are five major school plants. These are Marion-Franklin, headquarters for Marion Local Schools' Board of Education, 1547 Koebel-rd, and the high school for the district; Smith Road Elementary School, 1301 Smith-rd; Clarfield Elementary School, 3220 Groveport-pk; Beery Junior High School, Lockbourne-rd, adjacent to the Koebel location of Marion-Franklin; Fornof Elementary School, 156 Dering.

Executive Offices

The executive offices of the school district are located at the Marion-Franklin School plant. Superintendent Thomas J. Quick has been administrator for the giant plant and the school district, and he has not made any announcement concerning his future activities. The position of superintendent will be abolished as far as the local area is concerned, since the schools have already been brought under the

MARION-FRANKLIN HIGH SCHOOL is almost spectacular in its beauty through design. In addition to the large student body, the building houses the official family of the school district. Here Superintendent Thomas J. Quick supervises the district, conducts the business of the district. As the Board of Education's house, the building is one of the most attractive and modern anywhere.

Priscilla LaRue Lones
HI. 4-1051

Joan Mincer Cooperider is again in the Lancaster Hospital with further surgery done, all the result of an auto accident last year. Joan was a South High grad and we're sure her friends will want to send cheery notes and cards to help her through this period. Joan's folks still live in the South Side, but Joan lives in Thornville, O. Do remember her, won't you?

January birthdays that occur in the last half of the month: Ruth Korch and husband, Carl of 272 Southwood-av; Carl's birthday was an event of Jan. 19 and Ruth's natal day was the 23rd. (We hear that Ruth and Clara Jane, her daughter, will be traveling south to see the newest Korch, Jack's offspring. Perhaps Ruth will be kind enough to tell us all about it on their return.)

Other birthdays to be recognized are those of Janice Pieplow, 153 E. Gates-st, Jan. 22; Joan Crabtree, 148 E. Welch-av, Jan. 24; Franklin Dunkle, 93, Frebis-av, Jan. 26; and Eddie Day, 489 Southwood-av, Jan. 30. Little Miss Pieplow celebrated her birthday by having some of her friends in for a party.

The South High Alumni Association met this past Tuesday at the school. Plans for the spring reunion were discussed and committees were chosen.

A very nice note from Mrs. William Fennell told us that she and her husband are very happy with the advent of their little girl, born Jan. 20, 1957. The new Miss Fennell has two little brothers for playmates when she gets a little older. This nice young family resides at 1905 S. Wager-st.

A 60th wedding anniversary is something that's really special, so best wishes to Mr and Mrs. Morris Deitch, 886 Lilley-av. The anniversary was an event of Jan. 27. It was celebrated with a dinner at the Fort Hayes Hotel, for family and close friends. The family includes four sons, two daughters, two grandchildren, and two great-grandchildren.

Sympathy is extended to the Bailey family at the loss of Mr. Bailey.

St. Leo's PTA will sponsor a round and square dance this Saturday, Feb. 2, in the school recreation room, from 8:30 to 11:30 p.m. Harold Martin's orchestra will furnish the music. Thomas Cahill is chairman and co-chairman is Leo Martin. Tickets are available at the door.

Mentioning Harold Martin in the preceding item reminded us that he had an early January birthday, so, belated greetings, old pal!

My, but the ailing list is still filled, to our sorrow. Mary Eichel, David Wiechers, George Oakley, Danny O'Hara, Su Ellen, Jayne Ross and Mrs. Elmer Barry are on the roll call this week. Our friend, Lana Itskin, spent time in White Cross Hospital, but is now at home. Should you care to send a card, her address is 1713 S. Third-st. Nellie Kaufman, a South Sider for years, is home after a "visit" to Mt. Carmel Hospital. Her home address is 4549, St. Anthony-ln.

New officers for Mercy Hospital Guild 7 are president, Mrs. Nedford Mason; vice-president, Mrs. Walter Herget; secretary, Mrs. Leslie Shade; treasurer, Mrs. Albert Wondrak.

A worthy entertainment to attend is the show and dance, sponsored by the Columbus Hungarian Relief Committee in conjunction with the American Red Cross and Hungarian Grand Committee. The affair is on Feb. 3, 8 p.m. to 1 a.m. at Rollerland. General chairman is George Tokar. Mr. George Horvath, ticket chairman, is also president of the Hungarian Dramatics Club; other chairman include Rose Warga, Margaret Harvath, David George, John Chidder, Lou Miller, Alfred Boron, Lon Posey, and John Barcroft. The show will be under the direction of Lon Posey.

The Lincoln Park Bluebirds and Campfire Girls were numbered among the skaters at Mr. Harvath's Rollerland last Friday, Jan 25. Their leader reports that the girls had a wonderful time.

Two items about the Moler Street Robertson family on our "clue" sheet today. One, that Ann Robertson, a Lincoln Park student, is recuperating from a broken wrist. The second news note tells us that June and her husband celebrated a twelfth wedding anniversary this past Monday, Jan. 28.

Committee chairmen for the BOPS group at South High School are as follows: ways and means, Mr. and Mrs. Ralph Metzger, 1215 Ann-st, and Mrs. William Hoptry, 280 Southwood-av; historian, Mrs. Robert Karrer, 1275 Oakwood-av; telephone, Mrs. Lorraine Itskin, 1713 S. Third-st; Mrs. William Koehler, 685 S. Front-st; Mrs. T. Krebs, 1121 City Park-av; Mrs. Donald Fischer, 799 Deshler-av; Mrs. Mike Bordy, 415 Sheldon-av, and Mrs. George McGrew, 218 Whittier-st; membership, Mrs. Southward, 800 S. 18th-st; hospitality, Mrs. Albert Justus, 1447 Wilson-av; Mrs. John Hite, 526 Jenkins-av; Mrs. Joseph Ford, 1306 Oakwood-av; and Mrs. Hiram Gates, 1571 S. High-st; publicity, Mrs. Paul Lenox, 1411 S. Sixth-st. Don't forget, if you have any rummage, the BOP's are holding a rummage sale the latter part of February, and would appreciate having the things you no longer need. Contact Mrs. Berger, CA. 4-1058; Mrs. Metzger, HI. 4-2407; or Mrs. Hoptry, HI. 3-6415.

Roll out the wheel-chair for sure, I feel every day of my four-score and ten years! This is what ages me—my husband's great-niece is now married! Just think, as years go on, perhaps we'll be a great-great aunt! (But Dad Time, I'm too young for that yet; or am I? Madelyn Eagon is the bride and her bridegroom is Tommy Wilson. The newly-weds will have a Jan. 26 anniversary in the years to come.

It just won't seem the same to go past 214 Frebis-av and not have the McCaffreys living there. Shirley, Grace and Buss are now settling in their beautiful new home in Grove City. Their address is 465 Homecomer-dr; right across from Russ and Cleo Canter. So many folks we know are moving there that it really seems like an extension of our community. We're real glad they have such a pretty new home, but gosh, we'll miss them.

The music department of South High School is sponsoring a variety show tomorrow evening, so why not drop in on it? We always get a kick out of seeing the youngsters perform, and we're sure you will, too.

Thomas Wilson, 1624 S. Eighth-st, certainly has a busy schedule this week, and will be ready for the "slippers and pipe" routine when Sunday rolls around. He was scheduled to fly to the manufacturer's convention in Chicago yesterday, to return tomorrow. Then on Saturday, he will drive his family to Cambridge to attend the wedding of a former Columbus girl. He is attending the convention as a representative of the Leukhart Machine Co.

A former Columbus resident of 680 Woodrow-av, is quite ill in a Los Angeles Hospital and when we get a definite address we'll pass it on to you. The lad is Jerry Speers. He received a skull fracture when hit by an automobile. His battle for survival has been a nip and tuck one, but last reports said he'd survived the operation. His mother is with him at the present time.

A very nice thank-you note received as we were writing our weekly stine, tells us that 370 girls and boys of Franklin Village and in foster homes were made happier at Christmas by folks such as our readers.

We want to pass along the thanks for it is you who deserve them. We had received a thank-you note from Benjamin Franklin Hospital a day or so after we distributed the things there, so we'll convey their gratitude also.

Nothing else to write about that we can think of, so we'll go our merry way. Do call us at HI. 4-1051, won't you. Till next edition, then, tis the

Modern Way

DAP Is Angel Of Mercy In Lockbourne Families

Times change and an editor has a hard time keeping up with the new ways and new thinking about many things. This is the editor's apology to himself for being without adequate knowledge of an organization about which a news item came into the office a week or so ago.

Some one had written an item about something called DAP! The editorial mind ran around in circles and looked into the corners of the mental equipment, seeking information about a DAP—what, why, and where it might be. It was soon discovered that hundreds of DAP-helped members of Lockbourne Base live in this area, but at the time, no explanation being at hand, it was decided that the person who sent in the item should be called on the telephone. That's when a new world dropped in on us.

The "new world"—or new way of doing things—was simple, after we had it explained to us. It has to do with a serviceman's family. Time was when the man in Uncle Sam's service left his family at home when he entered the army, or when he went to another part of the country, or to overseas posts. It's different now. That's where DAP comes in, with a bang!

Quick Away!

Let's start with a man on duty being suddenly ordered to a distant post, hundreds, or even several thousand miles away. The military cannot wait for each man ordered away to settle up affairs with the same routine fashion as can be done in civilian life. He may have to leave immediately. But what of wife and children? DAP steps in with efficiency and high human interest in the persons involved.

Such a move means finding a place to live in a community where the family probably has never been before. It means getting along until household goods arrive. Frequently, it means stretching the budget!

At Lockbourne and other SAC bases, they think it lies in the Dependents' Assistance Program, better known by its initials, DAP.

The program was set up through the Strategic Air Command in April 1954 after a year and a half of study. Control and operation were separated from wives' clubs. Wives of airmen and officers are encouraged to work side-by-side in the volunteer program.

The DAP at Lockbourne has been operating for 30 months and now has a building of its own remodeled from a squadron orderly room.

More than 1000 wives of men stationed at Lockbourne have completed an eight-hour lecture series emphasizing service benefits and facilities, retirement and Social Security, and available services for the family in the community and base.

Attendance Urged

All wives are encouraged to attend these lectures since an informed dependent is a secure and happy one, according to officials.

A new senior advisor to the DAP is selected every eight months. There are only two paid helpers assisting in administering the new program.

Mrs. Bernard Montgomery, wife of a master sergeant, currently heads the organization as coordinator.

Letter Helps

DAP at Lockbourne has progressed to the point where every newcomer receives its services, a spokesman said.

Information about the base and a letter expressing pleasure at the man's arrival are sent to parents of unmarried men. A letter of welcome is sent to wives of married men who do not immediately accompany the man to Lockbourne.

New families are urged to contact the DAP for any necessary assistance. Newcomers are assisted in finding housing. If their household goods have not arrived, DAP will lend pots, pans and plates to the family.

A reference service helps those with financial problems to contact assistance agencies like the American Red Cross, Air Force Aid Society or Lockbourne AFB Credit Union.

In Touch With Families

Volunteer members of the DAP welcoming committee call on the wives of new men, explain the base and its facilities, and assist the newcomer in every possible way.

When one or more squadrons from Lockbourne are on training missions elsewhere, volunteers and friends keep in touch with the families left behind to make sure everything is going right, and emergency transportation and child care are arranged when needed.

Information about housing and conditions at other bases in the United States is kept at the DAP center, and data about overseas bases is also available.

Perfection has not been achieved but the services extended are mighty helpful and greatly appreciated.

St. Paul's Pastor Recalls 8-Year History At Church

Rev. John O. Lang has completed an eight-year pastorate of St. Paul's Evangelical Lutheran Church, he told the Leader early this week.

The anniversary date is Feb. 6, he said, marking the 1945 day when he came to St. Paul's from his professorship at Capital University to give temporary service until St. Paul's found a successor to Rev. E. J. Katterhenrich, who had accepted a call to Good Hope Lutheran Church of Bucyrus, O. The visiting minister continued a visitor until July 10, 1949 when pastor of St. Paul's. He gave up his professorship at Capital, he recalled and on Aug. 14, 1949, was installed as pastor of the church.

The new pastor, however, continued to teach several classes in Theological Seminary at Capital until June of last year. The anniversary coming up leads Rev. Lang to speak next Sunday, Feb. 3, on the subject "When I Came Unto You—And Yet Today," at 8 a.m. and 10:30 a.m. services. He announced that on the following Sunday, Feb. 10, he will use as his theme the subject for his first sermon eight years ago at St. Paul's, "On the Mountain With Jesus," dealing with the transfiguration of Jesus.

Carlos P. Romulo, Brig. General, Philippine Ambassador to the United States: "The peoples of Asia must recognize that their only hope to remain free depends on their joining hands with those people dedicated to the defense of human liberty."

Big Musical Splash At Hungarian Aid Dance, Sunday, Feb. 3

When the Columbus Hungarian Relief Committee, in conjunction with the American Red Cross and the Hungarian Grand Committee, sponsors a show and dance at Rollerland, Sunday, Feb. 3, 10 popular bands and acts will be featured, according to George Horvath.

Among the artists who will participate in the show are Rusty Bryant and his Dot Recording orchestra; Lou Posey's 12-piece orchestra; the Dixieland Six; the Morrey Mann quintet; Al Roberts and his authentic Hungarian orchestra, who will present a series of folk dances in native costume; the Richard Johnston Choral Ensemble; Mitzi Joyce, dancing accordionist and singer; Paige and Hewitt, unicycle act; the Johnny Wright Trio; and the Four Nomads.

General chairman of the affair is George Tokar. Proceeds from the evening will go to the Red Cross, to be forwarded to its national headquarters, and from there to the people in Hungary.

Thurman Ave. Lugs Enough Points To Squeeze Livingston

In the South Side Y Church League last week Thurman Avenue Methodist won its first game of the season, squeezing by Livingston Methodist 19 to 17. Bob Isons' very good passing and outmaneuvering his opponents helped Thurman to win. Good shooting and perfect rebounding by Al Mullens was also a contributing factor.

Good Ball

Livingston played good ball all the way and tied the score with just seconds to play, but the Thurman boys would not be denied this victory. Al Mullens and Bob Ison hit the nets for eight and seven points respectively to lead Thurman, while Mike Grayem with eight and David Duerler with five were high for Livingston.

The Oakwood steam roller continued to roll, although it was almost ambushed by St John E&R. The final score was 28 to 21. St John's really made a game of it and actually outscored Oakwood 12 to 10 the second half, but the first half lead was just too much for them to overcome.

Three Lead

Three boys did most of the scoring for Oakwood. Dick Anderson was high with eight points, with Bob Tidwell and Bob Drury close behind with seven each.

In the last game of the evening undefeated Emmanuel Lutheran downed the small inexperienced boys from Central Community 27 to 5. The Central Community boys jumped off to a flying start, taking the lead 4 to 0, before Emmanuel could get rolling. Score at half-time was Emmanuel 8 and Central Community 4. A last-half rally was too much for the boys from Central Community and Emmanuel won going away. Huston, Jan Boden and Jerry Styers were high point men for Emmanuel. George Mather and Tommy Lutz scored for Central Community.

Dog Census Being Taken

The Humane Society announces that its humane officers are now taking a dog census in all of Franklin County, including Columbus and other municipalities in the county, for the purpose of recording all dogs owned in the county and making sure all owned dogs are licensed.

In addition to having all dogs licensed, the dog must also be immunized against rabies. Regulations require not only the immunization of dogs against rabies, but the re-immunization of dogs against rabies every 12 months.

Humane officers are knocking on doors in the various parts of the community and will continue to do so until the census is completed, is was stated. Owners whose dogs have been found unlicensed will be required to purchases licenses and pay one dollar penalty, if the tags were not secured by the deadline date of Jan. 20.

Refusal to license a dog subjects an owner to a fine of as much as $25 and costs.

Sportsmanship Gains In Play

The South Branch YMCA Gra-Y leagues find an individual leader in each league after some existing ties are broken. The sportsmanship of some of the teams has improved greatly, producing a three-way tie in each league. As was stated earlier, awards are given to the team in each league which displays the best sportsmanship throughout the season. The Beck Bulldogs, Lincoln Park Grays, and the Livingston Wildcats are this week's winners in the Tuesday League. The Thursday League has the Stewart Indians, Southwood Panthers and Deshler Lions tied for top honors this week.

This week's play finds the Lincoln Park Scarlets out in front of the Tuesday League with a three-won and no-loss record. The Scarlets came from behind to win in an overtime from the Beck Bulldogs, 17-15. Jerry Hoover and Bill Howard had Beck on its way to what looked like its third victory, but the Scarlets put on a press in the last quarter which stopped Beck. John Farkas, Joe Middendorf and Larry Jonas showed some good floor play and shooting that put the game on ice for the Scarlets.

The Siebert Scorpions are in first place of the Thursday League after a 30-6 win over Stewart. Carl Leatherwood and Ronald McDaniel contributed some fine play for the Scorpions. The Southwood Panthers won a close one from Deshler 17-15 to put themselves in a tie for second place with Reeb. The Reeb Shooting Stars have been showing good teamwork and floor play to become a good bet for the championship. Doug Anderson and Rodney Wilkerson have played some good ball for the Shooting Stars.

Tuesday's Scores

Lincoln Park Grays 24 over Livingston Wildcats 6; Lincoln Park Scarlets 17 over Beck Bulldogs 15; Heyl Buckeyes 16 over Heyl Leopards 4.

Thursday's Scores

Southwood Panthers 17 over Deshler Lions 15; Reeb Shooting Stars 17 over Southwood Eagles 10; Siebert Scorpions 30 over Stewart Indians 6.

Barrett Confers Honor On Students At Assembly

Barrett Junior High School held its honor and recognition assembly Wednesday, Jan. 16, when awards were given for achievement and for service to the building.

In the Barrett court of honor the degree of knight was awarded for ninth-grade superior scholarship to Judy Marte, 332 Sheldon-av; Reinhold Tischler, 492 Reinhard-av, and Norman Zierhut, 1095 S. High-st. Knighthood at Barrett is for students about to graduate, and its award depends upon excellence in the classroom. The three young people earned top-flight grades to win this award. The knight pins are evidence of scholarly attainment.

The degree of esquire in the court of honor was certified to the following "excellent" students in the eighth grade:

Nancy Buller, Kay Chambers, Janet Nicholson, Richard Guyer, Ralph Kleinline, Vivian Beach, Jean Benyi, Mary Ann Yetter, Carolyn Gary, Christine Hessenauer, Lydia Oursler, Martha Rader, Aileen Wimer, Jon Ellifritz and Saundra Rife.

The esquire degree, of ancient, honorable implication, is given for meeting high level requirements in grades and averages throughout the eighth grade.

A and B

The following new Pages in the court of honor, each of whom received A or B, higher-than-average records, received certificates and badges:

Daniel Paxton, Suzanne Bell, Joyce Fischer, Mary Heery, Sharon Roshon, Jean Atkins, Hattie Burgess, Betty Collins, Sandra Gage, Diane Gehl, Carol Hahn.

Judith Henry, Patricia Komives, Rebecca Miller, Judith Noble, Dorothy Deatley, Martha Gentile, Bonnie Hoeflich, Ethel Kirby, Karol Washington, Sandra Withington.

Frances Smith, Diane Wright, Joyce Reese, Gerald Oursler Diane Birkfield, Bonnie Brown, Ellen Pennington, Pat Skinner, Clayton Hicks, Jo Ann Crabtree.

Bonnie Husse, Emily Klein, Sandra Nagy, Patricia Trigg, Roberta Coslett, Judith Parks, Sandra Swadley, Beverly Carrol, Joyce Clark, Sally Hickle, Beverly Smith.

Page pins were earned by much higher than average classroom marks in the seventh grade.

Service

Certificates of service were awarded for membership in vocal, instrumental and physical education groups, and for valuable service to the building. These service awards went to the following:

Linda Junk, Barbara Stout, Judy Hanson, Kendall Jones, Reinhold Tischler, Peggy Moore, Sue Mauger, Richard Joiner, Clifford Carr, Ray Clark, Robert Goodwin, Ronald Barrick, William Burson.

John Schumacher, Marty Wilson, Sandra Gwilym, Joan Allen, Joann Fuleky, Sally Jones, Nancy Green, Joe Talbott, Douglas Pritt, Thomas Lyle, Ronald Lambert, Richard Bishop, Lacy Blackburn, Ray Green, Kenneth Summers, Thomas Noble, Terry Campbell, Ronald Ranck, Harold Dalton, Joseph Bishop, Fred Rowland, Sharon Burns, Linda Huiss, John Trumps, James Gill, Carol Taylor.

Marilyn Wooten, Loretta Abahazie, Sue Feil, Madge Messer, Judy Pope, Judy Innis, Anna Lucas, Barbara Arledge, John Quickel, John Standifer.

Bruce Miller, Paul Wallar, Dan Landis, Richard Halterman, Wanda Bright, Regina Hall, Rosemary Parks, Gary Layman.

Many of these received more than one service award, and many received both service and scholarship awards.

High Point

The high point of the assembly was the presentation of the American Legion citizenship medals. At every graduation time officials of Southway Post visit the Barrett building to present medals to that boy and that girl who are considered by teachers and classmates to be outstanding in the best qualities of a citizen. Names of the medal winners are not announced in advance of the actual presentation. The medalists themselves have no knowledge of their own share in this part of the assembly program. Sue Feil, daughter of Mr. and Mrs. Edwin Feil, was the fortunate young lady, and Douglas Pritt, son of Mr. and Mrs. Raymond Pritt, was the equally fortunate young man. Each one was sought for by his or her home teacher and brought out from the assembly audience and to the stage, where Mr. and Mrs. John Joyce, representing Southway Post and Auxiliary, made the formal presentation.

Musical Directors Herbert Germain and Andrew Denman led the orchestra and the choral groups. Principal R. L. Nash was in charge of the assembly.

South Hi Music Groups Plan Variety Show

Announcement has been made of the "coming-up" variety show to be given by South High School Band and Orchestra. This is the annual production by the band and orchestra, it was said in the announcement.

The show will be put on by the two groups in the school auditorium, it was said, Friday evening, Feb. 1, at 8 o'clock.

The statement indicated that acts featuring singers, dancers, pantomimists, and instrumental numbers will all go together to present an interesting evening. "As in the past, a boys and girls chorus line will perform," it was stated.

Bob Merriman has been announced as master of ceremonies, while music for the show will be furnished by the South High School Band.

Dancing will follow the show, according to the program, "making the evening a real entertainment value for 50 cents." Tickets, it was said, are available from members of the band and orchestra and at the door Friday evening.

Mites Of Meanness

Judging from press reports, our country is crawling with termites that wear shirts, britches, shoes and such other appurtenances as should be reserved for MEN. It is said that our United States intelligence people know these termites and are able to round them up if circumstances make it desirable. These miserable mites infiltrate our country the while their masters in the Kremlin see to it that people in Russia from anywhere who fail to submit to the barbarous spirit in Russia are soon reported as "missing", with no reports after that.

• • •

Oh, Yes,

Sunday afternoon, listening to a Columbus TV on education problems, such as (and this is quoted) "How does it happen that graduates make application for college entrance when they can't spell cat"? "What is wrong with our schools?" That lent itself to quite a bit of talk-talk, with examples of bad English. Then the talk-talk ended with this from the MC: "We have been glad TO (CAPS OURS) HAVE HAD . . .". Ouch! How our English is abused!

Memories Linger

One of the things to linger long in our memory: a very nice note from James H. McNelly, recording secretary, Capitol Lodge No. 334, Independent Order of Odd Fellows, and simply because we "put a piece in the paper" about a newsworthy item, as a good newspaper man should! Thank you for your note. I like you!

supervision of the Columbus Board of Education.

Undisturbed

However, it has been announced that the system with personnell will continue to operate under the present authority until the school year is finished. Because the school system is the largest segment of the former township, taking it into the city for immediate detailed supervision would be "almost impossible," according to one authority. The City of Columbus, as announced in this page last week, has taken over the duty of paying salaries for the teachers and others employed in the system in Marion Township.

Total value of the involved school property is not known at the present, but it known to be high. Marion-Franklin, Beery Jr., and Heimandale are the most modern in architecture and distribution of classes to be found in the United States.

In the meantime, though, it was said that as far as pupils are concerned, everything is just as it was—school's not out!

from.... OG's NOTES

She Liked It

Thursday afternoon of last week a friendly reader called the editor to say that she was greatly impressed by the pictures of the Franklin-Marion District Schools and the information presented That was greatly appreciated However, out of the conversation an idea was developed that ought to be of high importance to every person living in this area The idea is this Too many people disparage the South Side True we have some spots of which we are not proud and a few which—well, ought to be wherever that well-known and often spoken-about place may be But we have a great abundance of fine people, religious institutions and activities, sports entertainments—and a lot of just good people. I heartily join the lady in asking that we exalt the good that we have and let its warmth sort of clean up the raggedness that may be found around us

Little To Very Big

Came across a bit of information the other day. It was about book matches In 1889 a Philadelphia lawyer patented "Flexible Matches" the beginning of the "book matches" of today It was slow starting, but a bit of research brought out that two years ago, in 1955, book match cover advertising reached a total of more than $26,000,000 The volume has grown into a giant with way over a million of the book matches being given away free every 60 minutes It's a far cry from Joshua Pusey's "Flexible Matches" to those of the present It's big business, and ties the past to the present in a big way

Souped-Up "Victory"

Dispatcher from Roumania via air from Bucharest to Vienna Austria tell of the "sweep" made by the Communists in the national elections in Roumania ALL 437 Communist candidates for the Parliament were elected The opposition was blanked, Communists have unity—backed by Red guns That, they say, is DEMOCRACY Of course, it is necessary to say, to be consistent, that murder, wreckage, human ruin when done by Communists, are democratic We have our own faults here, of course being human, but our thinking is not taken from the fringes of the Fires of Hell And we have compassion

Steubenville Exhibits Mastery Over Bulldogs

By Bob Goldstein

The South Bulldogs were defeated by the Big Red of Steubenville 65 55 last Friday night before a capacity crowd at Steubenville

Stumbling at the starting gate the Bulldogs never quite caught up as Steubenville raced to a 20 7 first quarter margin Led by the 6'8" Bill Raiich, the Redmen increased their margin to 16 points at intermission time Raiich had 23 points at halftime as the Big Red opened up a 41 25 lead

Turnovers

Reliable Kenny Fowler got hot on the second period with 12 markers but the whole Steubenville ball club hit at a sizzling pace throughout the game. A constant full court man-to-man press caused many Bulldog turnovers in the nightmarish first half

In the third stanza Captain Ronnie Allen led the Bulldog uprising with 8 points The crew cropped senior totaled 15 points for the game to further indicate his rapidly improving play With George Devlin doing an acceptable job on the giant Raiich Bill Murray kept up the Big Red pace with some fine outside shooting

Trading 53-42 at the start of the fourth period the Bulldogs whittled away at the once sizeable deficit Kenny Fowler and Darrell Henkel led a fourth-period rally as the Canines pulled to within five points with two minutes remaining However, Coach Merle Vacatol's crew successfully stalled out the waning moments for a 65 55 victory at the final buzzer

Statistics Tell

A close look at the statistics will see an excellent reason for the Big Red's superiority Steubenville converted 21 out of 23 charity tosses. The visiting Bulldogs made good on 19 out of 26 Billy Murray converted 6 out of 6, and Bill Raiich who racked up 33 tallies for the night, added seven out of eight from the gratis line. This, plus the well in advance scouting by the Big Red cloak and dagger men, added up to a clear cut 10-point victory for the eighth ranked, in statewide listings Big Red of Steubenville

Roger Foltz, 6'3" junior, has been promoted to the Bulldog varsity to take up the vacancy created by Don Dicke's mid year graduation Foltz will now be eligible for the remaining games on the schedule and the upcoming Central District Tournaments

It's The Tigers

Tomorrow night the Bulldogs will entertain the rapidly improving Tigers of East. Since whipping North and throwing a terrible scare into Middletown, the Bengals have become the watchword of the City League Mel Nowell Tiger guard is a Bengal needing careful surveillance by the Bulldog backcourt aces In their previous meeting South broke two East winning streaks with a reserve victory and a 54-49 win in the varsity encounter

Barrett Wins Hard Game From Roosevelt Junior

Barrett Junior High School won a hard-fought basketball game from Roosevelt Junior High School Thursday afternoon, Jan 31, in the Bearcats' lair at 345 East Deshler-av, by a final score of 46 to 39

George Crow's backboard and rebound work as an important feature of the game His performance in those departments brought 15 points to the Barrett score Kenny Schumacher scored 9 points, Kenny Kerns 4 Bill Young 2, Bill Spahr 2, Dan Valentine 2, and Dick Guyer 2 Guyer made more than points for his team by furnishing stability and direction on the floor Not all of Barrett's team were in position to do any high scoring, but they all contributed to the winning score by steady and efficient handling of the ball.

Andrews, with 12 points was high man for Roosevelt The entire Roosevelt team gave Barrett a hard time Roosevelt had a strong lead early in the game, and the win was not Barrett's until the game was over

Barrett has had a good season in the South Section of the Columbus Junior High School League. The Bearcats lost one to Franklin and won from Eastmoor, Mohawk, and Roosevelt

League Of Women Voters Begins Drive

Mrs Robertson and Bill Hoermle

The first donation to the funds drive by the League of Women Voters in the South Side was made by Bill Hoermle to Mrs R E Robertson, finance drive captain Mrs Robertson called upon the appliance store operator on Parsons-av and promptly received his contribution He is shown handing his check to Mrs Robertson The league, Mrs. Robertson said, was formed in 1920 immediately after the 19th Amendment admitting women to the polls Its main tenet is to "provide the public with information about measures and they will vote right." Mrs Robertson said there are no other drives for funds by the organization after the present drive ends. Capt Robertson and her group had a quota of $2,000, she said.

Championship Race Close As Two Leagues Near End

The South Side YMCA Grade leagues are fast drawing to a close with individual leaders for each league The Lincoln Park Scarlets are leading the Tuesday league and Siebert is leading the Thursday League Both have four wins and no losses

Sportsmanship ratings are increasing as the games progress No one team is leading any league and it looks like a close race for the championship Last week saw the Beck Bulldogs and Livingston Wildcats leading the Tuesday League and the Stewart Indians came out on top of the Thursday games

The games themselves are getting much closer and the teams are showing much better floor play Livingston came within one point of winning its first game in losing to the Heyl Buckeyes, 12 to 11. Bob Miller and Charles Fillinger played a good game for the Livingston Wildcats The Lincoln Park Scarlets again put on a fine show of floor play and shooting, to beat the Heyl Leopards 20 to 4 Joe Middendorf rebounded and dropped in the most points for the Scarlets Beck was dropped from contention by a close loss to the Lincoln Park Grays

The Thursday League is being taken all alone by the Siebert Scorpions. The Scorpions won from the Southwood Eagles. The Reeb Shooting Stars continued to gain in prestige as they won a close one from a tough Southwood Panther team If the Panthers can bounce back and beat Siebert this coming week and Reeb can win over a strong Deshler team, Reeb can tie for the championship The Shooting Stars have continued to improve with each game and this week will tell now far they have improved. Deshler played a good game against Stewart last Thursday.

No matter who wins the two remaining games, each team will have won in becoming better players in the game and in the community with their fine sportsmanships

Missionary To Tell Of China

Members of Wagner Memorial Evangelical United Brethren Church on Monday, Feb 11 will have an opportunity to hear from a returned missionary to China first-hand information about the Chinese situation and the impression of comparative values between Christianity and Communism

The returned missionary is Rev. Charles Ashley, a native of Ohio, who was born in Huron County. He went to China in 1946 and was stationed in Canton, where he taught in the Pui Ying Middle School until the area was taken over by Communists

Then the missionary went to Hong Kong where a branch of the school was opened. Rev Ashley was pastor of East Linden Church Columbus, for one year while awaiting clearance for his work in China.

"Now, after this extended term of service in China," a statement said, "Rev Ashley is making a deputation tour throughout the entire church in the hope that he shall be able to awaken the church to her responsibility to pray for the Christian fellowship behind the borders of China"

Priscilla LaRue Lenox
HI. 4-1081

Guild 83 of St. Ann's Hospital will be convening this evening, at 8 p.m. in the home of Mrs. Norbert Baker 984 Wilson-av. New officer of the group are as follows: chairman, Mrs. Rowena O'Neill; secretary, Mrs. Helen Powelson; publicity, Mrs. George Yasko.

Feb. 2, the date when old Mr. Groundhog does his peeking, is of especial significance to Mr. and Mrs. Raymond Short, 220 Hinman-av, for it is the anniversary of their exchange of wedding vows. The Shorts celebrated their 11th year of married life last Saturday. Feb. 2 was also important to Anna Lynette LaRue, for she was two years old. Her "big" sister, Donna Marie, was four years old on Jan. 27.

"The Weekly Guide" issued by the office of the Superintendent of Columbus Schools, has a special column devoted to highlighting outstanding service in the public school system, other than instructive. We were quite pleased to see a longtime friend so honored in the Jan. 31 issue. May we quote the item in its entirety? . . .

"We point with pride . . . to Mrs. Lillie M. Reich, clerk at Southwood School, who lends a helping hand with many school activities beyond her required clerical duties. She is frequently seen treating a bruised knee, soothing an aching tooth, or stopping a nose bleed. If trouble hits a youngster in the form of lost lunch money, Mrs. Reich always has a 'little loose change' for lending. Duplicating work for the PTS as well as the teachers is all in line of duty," according to Mrs. Reich. We want to add our thanks to Lillie for the extra curricular things she's done for the little Lenoxes in just the sort of things mentioned in the "Weekly Guide," too.

The same pamphlet carried a notice by Pauline T. Bryant, our journalism teacher at Central Night School, which took us back, mentally, to the three pleasant years we spent there after our South High graduation. We haven't seen her for over 20 years, but we still exchange greetings in the holiday season. She's a wonderful woman!

The WSCS of Oakwood Methodist Church will be quite busy this week, we see by their schedule. The circles that will be meeting before next publication date are Susannah Wesley, Feb. 8, 7:45 p.m., in the home of Irene Miller, 694 Wilson-av; Esther and Bennett Circles have meetings on Feb. 12. Esther meets at 1 p.m. in the home of Mrs. Hartupee, 950 S. Cassingham, while Bennett has an 8 p.m. meeting time in the home of Mrs. Ed Barber, 968 Studer-av. Feb. 13 meetings to be held in this area are those of the Jessie Lee and Marcy Circle. Jessie Lee members convene at 1 p.m. at the church with Mrs. George McGarry as the hostess. Mrs. Ray Wood, 705½ Champion-av will greet her fellow members at 8 p.m. in her home.

We hope to receive more information to pass along on this item, but will tell you what we know as of now. There will be a 50th year celebration of South High School Philo girls, Mar. 22, and it is hoped that all former Philo members still residing in the area will be able to attend. Four charter members have been located and will be present. As we said, we are to learn more about this big event, and will gladly relay the information as soon as we have all the details.

Happy "Ham Lincoln" birthday greeting to Becky Leonard, who is now able to correctly say the great man's name, but won't be able to live down her babyhood pronounciation, come Feb. 12! Becky lives at 515 Forest-st (and isn't it appropriate she goes to Becket School?).

Poor Barbara Holliday, we had her on our ailing list this week, and then guess what? She got bit by a grandhog! Her mom told us about it on Feb. 2, so maybe that proves the critter DOES come out on that day!

It's fun time for the area PTA's evidently. Heyl-av PTA is sponsoring a round and square dance this Saturday, from 8 to 11 p.m. at 697 S. High-st. Jim Wagner will be the square dance caller. Room mothers and board members have tickets, and we suppose they may be also purchased at the door. Tonight and tomorrow nights at 7:30, Siebert-st School will be presenting the annual variety show. The theme will be patterned after Ed Sullivan's TV variety show. An all-star cast of parents and teachers will participate. There will be singing, dancing, and magic tricks on the program.

This Saturday, Feb. 9, will be the wedding day of four young folks, three of whom are St. Mary's grads. Mary Ann Casey, 545 City Park-av and Julius Vargo, 303 E. Hinman, will be residing at 692 Wedgewood-dr after their exchange of vows in St. Mary's. Miss Casey was Rose queen while in high school. The third St. Mary's grad, Donald Kaiser, 1399 Studer-av, will travel to Waterloo, Iowa, to claim his bride. She is Linda Joyce Patty of that city. Mr. Kaiser is an employee of Battelle Memorial Institute.

Our "Tomboy" Priscilla Dicke is fast growing out of that nickname, so we'll have to think up a new one for her. Nonetheless, she had a 15th birthday yesterday, Feb. 6. Mrs. John Colville also had a natal day to celebrate yesterday. Greetings to Mrs. Colville, "paddlings" to Sis!

As is our custom, we like to pass along names of folks very ill and those in need of cheering up. We have two such names today, so we hope your cheery cards are readily available. One name is Goldie Neff, very ill in room 902, University Hospital. The other name is Baker, more of a family thing, as Mrs. Baker is taking care of an ill husband and invalid daughter. Do remember them, won't you? The address is 28 E. Barthman-av.

Betty and Herman Hafey, with young 'un, no longer have a South Side address. Larger quarters were needed when the youngest Hafey arrived, so now the three can be found at 2265 Deming-av. They formerly lived at 785½ S. High-st.

Birthday celebrating time in the Tabor family. Mike Tabor was 10 years old on Jan. 28 and his American grandmother had a Jan. 29 birthday. Mike lives at 1566 S. 6th-st and his grandmother on Deshler-av. (Mike's mother is English, which accounts for the unusual designation above). Peggy, Mike's mother, will soon be flipping the calendar to a new age, matter-of-factly, on Feb. 11.

It might be kind of us if we went to help Mary Eichel burnish her lovely brass things, do you suppose? She'll be hostess to Trudeau Guild 10 members next Wednesday, Feb. 13.

Here's a couple who should be enjoying nicer weather than us stay-at-homes can expect to experience. Mr. and Mrs. Arthur Swisher of Siebert-st, left Friday Feb. 1, to visit for a few weeks in Titusville, Fla. Their host will be Harold Radcliffe, a son. We hope the Swishers have a wonderful time.

Cloverleaf Clubs of St. Anthony's that meet in this area within the next week are:

Leaf 23, at 822 Heyl-av, home of Mrs. Clyde Sheline, on Feb. 12 at 8 p.m. Leaf 26, tomorrow, Feb. 8, at 8 p.m. for a Valentine party in the home of Mrs. Betty Edmister, 1500 Miller-av.

A charming young woman, Mrs. S. K. Jones, whom we've met a few times, will get to discover some of radio broadcastings thrills and chills first hand. Dr. and Mrs. Roy Bethel (Nita Hutch to WTVN'ers) will be in Hawaii, taking in all the pleasantries and sunshine that paradise is noted for. While on vacation, the former Hinman-av resident will have five women to act as hostesses for her. The aforementioned Mrs. Jones is one of the five to assist Nita in this way, and she'll do a fine job, as she's talented and capable. (We hope Roy and Nita have a relaxing time, for they deserve it.)

Virgil Bradford receives recognition for his Jan. 29 birthday. He lives at 575 E. Gates-st.

Our sympathy at this time to the family of Mrs. Unverzagt, who passed away last week.

No more news, so till next time then, 'tis — The Gadabout

New Albany Wins

On Friday, Jan. 25, the Eagles of New Albany defeated the Rangers by the score of 56 to 45 on the winners' court.

The game was fairly close until the final minutes of the third quarter, when Hamilton went from its zone defense to a man to man. At that point the Eagles pulled away and Hamilton never came close again.

Bernie Dalton led the scoring for New Albany with 25 points, although he sat out most of the last quarter. Wayne Sharron was high with 16 for the losers.

New Albany also won the reserve game 33 to 30. The losers' bright spot was Sonny Derby's 16 points.

Lion Aux Banqueters Will Hear About Puppetry From National Magazine Editor

Hamilton Twp. Seniors Prepare Commencement

The seniors of Hamilton Township High School are preparing for their commencement on May 20. The class had a meeting on Jan. 25 to decide on the color for the gowns that they will wear for commencement. The boys will wear dark blue gowns and caps with a blue and white tassel. The girls will wear white gowns and caps with tassel of blue and white.

They also picked their class motto "Strength and Courage Will Lead You to Knowledge."

The class also decided on what kind of invitation to have. It will have a picture of the school inside of the three-way folder. These invitations are for the class to invite friends and relatives to the commencement ceremonies.

Class Play

The senior class of Hamilton Township High School has chosen "State Fair" as their class play, to be given May 3 in the high school auditorium. Dianne Ball, Beverly Roof, and Melvin Vance were chosen as the play-reading committee. State Fair is a three-act comedy and calls for six men's parts and five women's parts.

Start Slow; No Improvement

Many start things at a slow pace and slowly move upward to success. Others start slow and never move anywhere, except down, the while condemning those who had what it takes to move upward. It takes more than wishful thinking to amount to something. To achieve, honest effort, honest thinking are a necessity.

Better Than Guns, Or Loans

Whatever comes out of the visit in the United States of King Saud of Saudi Arabia in an official way, the lasting influence will be that developed by the good news the King had from physicians and hospital in Washington: that there is hope for the young prince from the country of dry, parched lands. How really wonderful it would be if the spirit which actuated President Eisenhower in ordering arrangements for the King's son could be dropped down like a veil of prophetic happiness over all the countries of the world! Then war materials would be consigned to museums, in the Horrors Department.

* * *

Greater Than the Dream

A "dream" of years ago has materialized. No longer do the artists, the cartoonists publish those cartoons of the impossible which were hoped for but not expected Now, in a country where men are free to work or not work as they please, free men have evolved, designed, built, and flown great air vessels around the world in a right big hurry. Nowhere in the process over the years has one man stood with whip or gun to punish a worker who was ill or hungry and weak for his job. Our way does not permit that . . . Here's what these vessels of the air did: flew over (better get your map) or near Newfoundland, French Morocco, Saudi Arabia, the coasts of India and Ceylon, the Philippine Islands and Guam. Then they came back home —a Mayflower to the future. And not in one second of that round-the-world trip were human dominance, capture, ruin, the motive. The motive is peace, long-time peace, so our children and others the world over, may live, grow to help lighten the burdens of mankind everywhere. That's America. Let those who can equal it step out front, please! The trip was made in 2,719 minutes, or 163,140 seconds.

The Graduates

I want to pay a tribute to a lot of boys and girls, nearly all of whom are unknown to me—O. I know a few. The few come into the office to pick up Leaders, bring news, and for other reasons. But I understand that the graduating class of last week was a grand class. Some one told me the other day that South students are outstanding in their activities, in their behavior — and I know that a good many are helpful and most polite. The same thing, of course, is true of other schools. Many successful, happy years to you, Graduates, from whatever school you have stepped out to responsibilities either in schools or jobs.

Hamilton Twp. Story

Edward Collins Hangs Up 29-Year-Record On Bus

Edward Lee Collins has achieved a long record as bus driver in Hamilton Township High School district, according to Janet Lindemuth, a high school student at Hamilton, and a member of the journalism class.

Collins began his long-time bus-driving history at Hamilton in 1928, and has missed very little time from his job, Janet says. He has also a record of service to the school longer than that of any of the school board administration, teachers, cooks, or janitors.

Lee, as he is familiarly called, was born at Waterloo, O., just south of Ironton. He attended the first through the eighth grades at Waterloo Elementary. They did not have a high school team.

Collins and his wife, Edna, have been married 34 years. They have one son, Robert Lee, and one grandson, Edward Lee.

Lee owns and operates a garage, filling station, and a restaurant. The garage is called "Collins and Son." It is for general repair. The restaurant is busy all the time with high school students.

Some of the bus driver's hobbies are fishing, hunting, and taking slide pictures. In the big-game hunting line he has shot deer and moose. He hasn't shot a bear yet, but he's aiming for that "next time." His favorite sports are football, baseball, and boating.

Other Hamilton Township bus drivers are Robert Collins, Edson Doersam, O. C. Elam, Ed Hann, Mary Herron, Wendell Herron, James Sheets. Lee Collins, has given Hamilton its longest service.

These seven young people had all-A cards, with perfect grades from every teacher in every subject. Fewer than one per cent of the building's students had achieved so well.

Fifty-one other Barrett pupils, "excellent students all," said a Barrett spokesman, placed in the second division of the honor roll. These "high-grade students" are:

Looks Back 8 Years For Sunday Topic

"On the Mountain with Jesus" is the sermon topic of Rev. John O. Lang, pastor of St. Paul's Lutheran Church, 322 Stewart-av at the 8 a.m. and the 10:30 a.m. services Sunday, Feb. 10. This is the same theme he used eight years ago, when, on Feb. 8, 1949, he preached his first sermon at St. Paul's. At that time he was professor of history at Capital University and came to St. Paul's only as supply pastor. He accepted the call to the church on July 10 and was installed Aug. 14.

Nephrosis Fund Campaign To Need Many Workers

Four hundred men and women volunteers are needed in southeast Columbus to assist in the forthcoming campaign of the Central Ohio Chapter of the National Nephrosis Foundation, Inc. according to an announcement made yesterday by Mrs. Harry C. Sharp, 184 S. Yearling-rd, president. Volunteers should write to Mrs. Sharp or Mrs. Stanley Klein, 2666 Brentwood-rd, chairman of the campaign. The southeast district chairman is Mrs. E. W. Thomas, 2940 E. Livingston-av. Working with her are team captains Mrs. Ed Garrigan, 1490 S. 4th-st, and Mrs. Stewart K. Jones, 263 Thurman-av.

Kidney disorders are said to cause a vast number of deaths in the United States every year. Childhood Nephrosis alone, one of the most common chronic disorders among children, kills one-half of all its victims.

"Research is needed urgently until cures have been found. Our goal this year is $10,000, and with 400 volunteers to join our members, we are confident of success," Mrs. Sharp and Mrs. Klein agreed.

Dr. Kenneth B. M. Crooks, college professor: "College students do not read, write nor comprehend as well as they should . . . Carelessness and laziness are apparently encouraged in our circus-style schoolrooms."

Holy Name To Enlist New Members

As a part of the program to enlist men of the parish into St. Leo Holy Name Society, special help is offered this Sunday, Feb. 10, following the 8:30 a.m. Mass. Enrollment will be following the Mass.

Charles Widmaeir, vice-president, with president Andrew Theado and Michael Streckly, are making the arrangements. Men will enter the school hall immediately after leaving the Mass. Coffee and doughnuts, it was announced, will be served.

Johnson Named Head of County Heart Fund Drive

Irwin Johnson

"Help your Heart Fund help your heart — and the hearts of those you love," says Irwin Johnson, well-known Columbus radio and television personality. Irwin, "The Early Worm," is general chairman of Franklin County's 1957 Heart Fund Drive, Feb. 1 through 28.

Seventy-five percent of the contributions to the Central Ohio Heart Association, with which the county association is affiliated, will remain in the Central Ohio area to fight heart disease through local research, education and community heart service programs.

155th Tactical Control Group Plans Reunion

Former members of the 155th Tactical Control Group, Air Force occupation troops which served in Europe during the Korean War, will assemble at the Moose Home, 5939 N. High-st in Worthington, Friday evening, Feb. 15.

The nucleaus of this unit and its subordinate squadrons were comprised of Columbus and Central Ohio men who formerly served in Ohio Air National Guard units stationed at Lockbourne Air Force Base.

In September, 1956, these units formed a permanent civilian association under the name of the 155th Tactical Control Group Association in order to perpetuate the friendships which were formed earlier.

Officers elected to serve during 1957 are president, Paul Kappes, 1777 Mooberry-st; vice-president, Harold Dulin, 2960 Rockford-dr; secretary-treasurer, Charles Myers, 269 N. Chesterfield-rd, Apt. 8C.

HELLO:

Birthday greetings to Mrs. G. L. Schleppi Priscilla Dicke, Dotty Schirtzinger, Frank Carroll. Happy anniversary to Mr. and Mrs. Leibrand, who have just celebrated their 31st anniversary, congratulations to Mr. and Mrs. Wayne Schultz, Mr. and Mrs. Louis Kaiser, who have new baby girls.

Flowers make the very best **Valentines.** A box of candy, perfume, steam irons or other gift are nice to receive, but they can not speak of love, devotion or friendship, with the warmth and in the personal ways that **flowers** can. One can never go wrong in sending **roses** or a **lovely corsage** to your girl friend. Perhaps mother would like a **plant** best! But if you choose **cut flowers** or a **corsage,** she would love that too. Call us for suggestions and price before the 14th.

Get well wishes to Mrs. William Seeger, Leland Lynn, Mrs. Ronald Dewey, Charles Woods, Mrs. Crawford, Gary Adams, John Harris, Terry Waters, Mrs. Tony Skunza, Miss Alvena Hague, Mrs E. R. Taylor, Larry Egger, Joyce Farrell, and Mrs. Clyde Diamond.

S. S. Merchant Loses $200

Pleading wet, cold feet and asking for a chance to dry and warm them, a young, thought to be about 19 or 20 years of age, held up his benefactor Tuesday afternoon and took from him a sum of money estimated to be about $200, according to police records.

The victim of the hold-up was Charles Hatem, of 672 S. Ohio-av, owner and operator of Hatem's Market, 205 E. Sycamore-st, who told officers that the young man had just previously been in the store and purchased a package of cigarettes.

Gaining a position behind the counter to warm his feet, the hold-up man told Hatem, "All right, pop. I want your money," brandishing a nickel-plated pistol to reenforce his orders

Mrs. Hatem was in the rear of the store, but believed her husband was just talking with a customer. The man escaped, the police were called, but the man had not been apprehended at press time.

The gunman was described as approximately 5 feet 9 inches tall, about 140 pounds. He had warned the victim that he would be shot if he called or gave an alarm. Then he fled west on Sycamore-st, wearing a black jacket and light blue trousers. He had brown hair, police said.

Emmanuel Lutheran's Victory String Snapped In South Side Y Loop

Emmanuel Lutheran's string of 12 wins in a row, nine last season and three so far this year, was finally broken by the strong undefeated Oakwood Methodist five. Final score of the heated contest was 17 to 13.

Emmanuel jumped off to a five-to-nothing lead at the outset, but their zone defense was finally penetrated by Oakwood's superior height and overall team scoring ability. Emmanuel's lead was cut to a mere two points at half time.

All five of Oakwood's starting team figured in the scoring, while only three of Emmanuel's scored. Fifteen fouls were called against Emmanuel of which Oakwood sank five. Nine fouls were called against Oakwood, but Emmanuel could only cash in on three. Bill Reall of Emmanuel and Dick Anderson of Oakwood were the game's leading scorers, with eight points each.

Second Game

In the second game of the evening, St. John E&R won its first victory in three starts, as it downed Central Community 35 to 10. All five boys scored well for St. John's with John Harris leading with 12 points, followed closely by Bill Diebert and Bill Warren with 9 and 8 respectively. George Mathers was the star for the Central Community five, as he tallied eight of his team's ten points.

Good sportsmanship and clean play were outstanding in this game. Only three personal fouls were called against each team.

In the last game of the evening, St. Paul remained undefeated, downing Thurman Methodist 17 to 11. Jim Buel continued to lead the league in scoring with 12 points. J. Bryan was high man for Thurman with five points.

Post Seeks District Job For L. R. Gill

Southway Post No. 144, American Legion has proposed a candidate for the job of Twelfth District commander, Department of Ohio, of the Legion, according to an announcement issued by the Post last week.

The Post's candidate for the honor is LeRoy Gill, retired, of 780 Kerr-st, in the north end of the city.

According to the announcement, Gill has been an active Legionnaire since 1919 "and is well qualified for the position," one of his supporters told this reporter. It was stated that he has served as commander, membership chairman, historian, and house committee chairman. At the present time Gill is serving his fifth year as chaplain of the Post and as Twelfth District vice commander.

Gill was unanimously indorsed for Twelfth District commander at the regular meeting of the Post Feb. 6.

from OG's NOTES

Why Savagery?

Why does savagery hold so large a place in the thinking of so many people in the world? Why do some believe that fisticuffs, fighting with fists, or worse, is the open road to growing up in the estimation of their fellow men? Why do some who mouth religion with pompous mien quickly "go off the handle" and curse, pour out vile language, and strike out with fists? How do they expect to raise children with a decent respect for the opinions of others — or don't they care a whoop about their children and their usefulness in life?

Law Must Prevail

Human life is safe only to the degree that a community's citizens abstain from taking "the law in their hands" and inflicting physical punishment upon those who are in disagreement, and have a right to be in disagreement. How can fighting settle the issue? How can raw, festering wounds help human growth in spiritual, intellectual achievement? How can the gleam of God given in human compassion and in a desire for human fellowship, and growth have a chance when one reinforces an opinion with flailing arms, fists, sticks, stones? How can the children of such have a chance to rise above the darkness in which their parents raise them and become useful and comfortable members of a useful society? A decent respect for man-

Lincoln Park Day Nursery To Close

Lincoln Park Day Nursery will close its doors effective March 31, according to a letter from the Community Chest to mothers or parents of children being cared for at the nursery.

According to the letter, dated Feb. 8, the closing is made necessary by "inadequate facilities of the nursery and the high cost of operation."

Waterman Baldwin, executive secretary of the Community Chest, made the following statement in the letter to patrons of the Lincoln Day Nursery:

The Statement

"It is our concern that the parents of the children enrolled in this nursery are able to make satisfactory arrangements for their children's care. Because of this concern, we are offering the consultation service of the Information Center of the Council of Social Agencies to explore with you the other community services that would fill your need.

"If you want to consult with Mrs. Pauline Bamford from the Information Center, will you please call CA. 8-5696 or write to the Center at 137 E. State-st for an appointment? She will be happy to make arrangements to talk with you at 137 E. State-st or in your home at your convenience."

Little Tots' Registration Starts Feb. 25

Registration and health appraisal of children who will start to Columbus public schools next fall will get underway on Feb. 25, Miss Florence B. Johnston, supervisor of nurses in the Columbus school system, has announced.

Any child who will be five on or before Dec. 31 may be registered for kindergarten. Children who will be six on or before Dec. 31 must be registered for first grade if they are not enrolled in a kindergarten of the Columbus public schools at the present time.

School officials are asking parents to contact the elementary school in their district in order to make registration plans. Registration should be completed shortly after Feb. 25 so arrangements can be made for children and parents to meet with school nurses for a conference and health appraisal.

Registration can be completed more quickly if parents take an original birth certificate and verification of diphtheria immunization to the school when they register their child, Miss Johnston said. Birth certificates for children born in Columbus may be obtained at the City Health Department, 181 S. Washington-Blvd.

Teacher Hurt, Says Attacked

Whether or not a child had written her own excuse for special treatment concerning going out at recess time, seemed to be the basis for an alleged attack on a teacher in the Heimandale Elementary School, on Koebel-av, Monday afternoon.

Apparently dissatisfied with the teacher's questioning of the authenticity of a note proffered by the child, Connie Sue Budd, 10, a pupil in Mrs. Inez B. Hall's class, the child's mother, Mrs. Ralph Budd, 658 Lewis-rd, Heimandale PTA president, went to the school building and, presumably, engaged in conversation with the teacher about the note.

Attack

That there was an attack is not questioned, since there seemed to be plenty of evidence of the attack, notably Mrs. Hall's black eye and cut lip and bruised face. Mrs. Hall, according to her statement, suggested they go in search of the vice principal. Mrs. Hall and Mrs. Budd disagreed on who did what first.

According to the teacher, Mrs. Budd "suddenly grabbed me by the shoulders and said, "I could break your neck." Then, said Mrs. Hall, "she punched me in the face and knocked me down—I don't know how many times. I ran from her, but she came after me and caught me." Mrs. Hall thought no one had seen her in her struggles except her son, Lafayette, 11, who is in the sixth grade at the school. She said he peeked in and then ran. Others said he called his father on the telephone and told him somebody was hurting his mother and to "please hurry and come and see what is wrong with her."

Officials Support

It is understood that unnamed officials of the schools encouraged Mrs. Hall to prefer charges against Mrs. Budd, and it was said that they are determined to protect teachers in the employ of the city. Heimandale School was one of those shown recently in th South Side Leader as being annexed to the City of Columbus, and is now a part of the Columbus school system. Information was received Tuesday afternoon that Mrs. Hall had announced that she would prefer charges against her "attacker." It was said that school officials felt that action against one charged with attacking teachers should be undertaken promptly, since it is the policy of the Board of Education to protect the teachers in the process of doing their duty.

Denies "Attack"

Mrs. Budd was reported as planning to prefer charges against Mrs. Hall, although exact charges had not been made known, it was said. Mrs. Budd was quoted as saying that "she (Mrs. Hall) shoved me. I wasn't brought up to be shoved around."

The note subject seemed settled, according to reports, the child's grandmother being quoted as saying that she had written the note asking that her granddaughter be given preferential treatment. The grandmother, Mrs. George Dvodan, was quoted as saying, "Yes, I wrote the note. We're from Ironton and I guess we hillbillies don't back down from a fight."

Mrs. Budd was reported as planning to prefer charges against Mrs. Hall presumably on the grounds that Mrs. Hall "pushed" her. Both women were instructed to appear at police headquarters yesterday if they intended to prefer charges.

From Kentucky

Mrs. Hall is a recent comer to Columbus, she said. Although she has taught school for ten years, this is her first year to teach in Columbus. She came to Columbus with her husband last September, it was stated.

A casserole dinner given by the King's Workers Class of South Methodist Church will be held Tuesday evening, Feb. 19, in the church parlors. The occasion is used for honoring the fathers of the church, it was announced.

Entertainment will include community singing and a white elephant party during the social hour, it was said.

At the left Champer receives a mon-sieu greeting from "Mike," an 18-month-old Great Dane belonging to R. B. Ray, 2557 Sullivant-av. Above, little "Tina," a longhair Chihuahua, eyes Champer suspiciously from the arms of her mistress, Mrs. Charles B. Barnett, 839 Chestershire-rd. Chantilly Lace, Tulle Fashion Bridal Gown

Miss Jo Ann Caminiti, daughter of Mr. and Mrs. Domenico Cominiti, 2294 Grasmere-av, became the bride of Mr. Vincent E. Pelino, son of Mr. and Mrs. Eugene Pelino, 1841 E. The bouffant lace skirt was made with a scalloped front hemline over pleated nylon tulle, that continued up the sides and back to form a bustle in the back. The skirt ended in a chapel train. A queen's crown of seed pearls and iridescents held her fingertip veil. She carried a lace fan topped with lilies of the valley and white roses.

The attendants wore waltz-length gowns of velveteen designed with draped portrait necklines, fitted bodices and full circular skirts. Matching velveteen plateaux with veils were worn on their heads. Bulldogs Fight In Vain To Down Tigers

By Bob Goldstein

A spirited fourth-quarter comeback by the South Bulldogs was put down by some nifty strategy as the East Tigers raced off with a 63-53 basketball victory last Friday night at South.

The Bulldogs have now plummeted down to fourth place in the City League race. The speedily improving Tigers skyrocketed to second place in the process of avenging an early-season loss at the hands of the Canines.

Mel Nowell

Blanketed by a rib-rocked defense, Bengal beauty Mel Nowell was held scoreless in the first period as the fired-up Bulldogs were on the long end of a 14-12 score. The rangy Bulldogs continued their surge, and at the midpoint of second period, enjoyed a 20-18 advantage.

At that tihe, the classy Bengals poured on 16 straight points to a meager two for the Bulldogs. This added up to a 34-22 half-time edge for the East Broad-st boys.

But the Southerners were not to be denied, and soon whittled the Tiger margin to an uncomfortable 36-32. In that interim the Tigers became an ice-cold ball club as they managed only three field goals in the third period.

Faced with a 39-34 disadvantage at the three-quarter pole, Kenny Fowler repeated his famous final quarter stand at East. However, this time agile Ken did not have the well-needed support, and the Tigers prevailed over the one-man gang Bulldogs.

Home Stretch

Fowler totaled 14 points in the home stretch as the Bulldogs made their vain bid to catch the Bengals. On the other side of the fence was the Tiger terror Mel Nowell. Nowell engineered his teammates in the near-perilous fourth quarter. With their lead sliced to 52-49, the Tigers went to work to ice the game with six consecutive points.

Brilliant Nowell

The brilliant Nowell wound up with 22 points, two more than the Bulldogs' Ken Fowler. Bob Brown had 13 points for the winners, and George Devlin rang up 10 markers for the Canines.

With the season entering the last few games, the Bulldogs must scramble to salvage a record to compare to last year. Although the varsity record has been slightly down, the Bulldogs' yearling squad rose to new heights with their 39-33 win over East's seconds. This moved Coach Bob Fearing's youngsters ever closer to the league title, as they boast an 8-1 league ledger.

North Threatens

The Ann Street gymnasium should be a huge magnet come tomorrow evening at about 8 p.m The giant force doing the attracting is Coach Bernie Cellar's North Polar Bears Ranked second in the state behind the mighty Middletown Middies, the Maroons have hit their stride again after a short lapse against the East Tigers. A hungry ball club like North is a very dangerous one to teams with not quite the same personnel. But, the Bulldogs could be waiting in ambush for the Bears who just amight be looking ahead to tournament time.

Power Break Darkens S. Side

A short circuit in an electrical power line darkened a large section of the South Side for about 30 minutes last Sunday evening. A Columbus and Southern Ohio Electric Co. spokesman said cause of the break was not known.

The affected area was described as bounded by High-st and Parsons, Sheldon, and Barthman ave.

100-Year-Old Church Plans Observance

Beginning this Sunday, Feb. 17, Trinity Lutheran Church, Third and Fulton-sts. will have a full week of observing the 100th anniversary of the founding of the venerable institution.

In recognition of the hundred-years-old observance, an attractive program has been prepared for the congregation, showing the beginnings of the church and following its progress through the century.

The week is called "Spiritual Growth Week," with committees for various aspects of the observance.

S. S. YMCA Holds Basketball Meet

The various South Side Gra-Y basketball teams began play in an elimination tournament Tuesday at Schiller Park. There will be four games played each Tuesday and Thursday ending Feb. 21. After the first set of games, the losers will play in one bracket and the winners in another, thus enabling each team to participate in at least two games. This tournament will have no bearing on the leagues which finished Feb. 7.

Auto Club Man Siebert Speaker

The Siebert School combined PTA and Parent-Education group meeting will be held in the school auditorium, Wednesday, Feb. 20, at 7:30 p.m. At this time tribute will be paid to Founder's Day. The remainder of the meeting will be devoted to a program on safety. Gene Satchell of the Columbus Auto Club will be the guest speaker and will provide a safety film, according to publicity chairman Mrs. Ralph Skeen.

Siebert will also be having Valentine parties this Thursday in all class rooms with room mothers providing the treats.

Barrett Cagers Are Winning

Barrett Junior High School took West Junior High 60-23 on Barrett's floor Tuesday, Feb. 5.

Barrett played Starling and won 43 to 34 on Starling's floor.

In league play, Barrett won five and lost one. League standings depend on the Franklin-Starling game today, Thursday.

Beck-st PTA Skit

Beck Street PTA will present a skit, "What PTA Means To Father" for Founders Day program, Wednesday, Feb. 20, at 7:30 p.m. The cast includes Mrs. Katherine Lefever, Mrs. Helen Carney, Mrs. Virginia Leonard, Mrs. Francis Moffitt, Miss Delores Weilbacher, Mrs. Donna Weilbacher, Mrs. Stella Claffey, and Mrs. Mary Potter.

Door prizes will be given and refreshments will be served it was said.

Gray-Ys End League Play

The South Side YMCA Gra-Y Leagues finished last Thursday, Feb. 7, at Schiller Park. The Lincoln Park Scarlets of the Tuesday League and the Siebert Scorpions of the Thursday League finished with records of five wins and no losses. All teams have shown marked improvement from the last of October when the first practice session was held.

Release Date

Sportsmanship winners will not be made public until Feb. 28, when the basketball banquet will be held. Each team has been graded by the club advisors and referees at each game on a system of 0 to 5 points. One point is given for the winning of a game. The points from each game are then tallied and the winner is decided. An award will be presented to the winners at the banquet.

The first two places of the Tuesday League were taken by Lincoln Park with the Scarlets in first place and the Grays in second. Other teams have been improving all year, but not enough to lead the league. The Beck Bulldogs showed some of the best floor play and team play of either league behind the leadership of Bill Howard and Ray Gray. Livingston improved a good deal through the season with Bob Miller and Frank Cruz doing their best as did the others. Both Heyl teams displayed good sportsmanship as well as team play.

Losing Side

Siebert was the victor of the Thursday League followed very close by the Reeb Shooting Stars. Siebert had a difficult time their last game in beating a tough Southwood Panther team. Keith Bradley and Jan Wisecarver helped almost lead the Panthers back to a victory after a poor first ball. Other teams from the Thursday League which have fought hard all season are, for one, the Stewart Indians. There has been a lot of good play hidden by a score that deserves mentioning. The Indians haven't won a game, but have played hard in every game, no matter the score. Jerry Kehlmeier and Arthur Parlitt are a couple of leaders of the team. Deshler has showed improvement with Paul Dolby and Terry Trenelf leading the way. The Southwood Eagles have also come a long way with the help of Glenn Goldsberry and Keith Taylor.

SCORES

Tuesday League

Beck Bulldogs 22, Livingston Wildcats 5; Lincoln Park Grays 25, Heyl Leopards 5; Lincoln Park Scarlets 17, Heyl Buckeyes 11.

Thursday League

Southwood Eagles 24, Stewart Indians 5; Reeb Shooting Stars 23, Deshler Lions 18; Siebert Scorpions 17, Southwood Panthers 14.

Flowers make the very best Valentines. A box of candy, perfume, steam irons or other gift are nice to receive, but they can not speak of love, devotion or friendship, with the warmth and in the personal ways that flowers can. One can never go wrong in sending roses or a lovely corsage to your girl friend. Perhaps mother would like a plant best! But if you choose cut flowers or a corsage, she would love that too. Barrett Jr. High Assembly In Journey Into History

Barrett Junior High School's self-contained classes (seventh grade) presented an assembly for their eighth grade schoolmates in the Barrett auditorium Tuesday.

The assembly program was built around the writing, illustration, and publishing of "A Book of Historical Figures," dated Feb. 12, 1957.

The auditorium stage had a classroom seating on the south half and a space for a "picture" on the north half. Stories and explanations were given as part of a classroom recitation, while the historical event was pictured in its space by other members of each home room group.

"The Preface"

The "Preface", prepared and presented by Mrs. Emma Jane Secrest's Room 20, consisted of a group from that room singing "This Is My Country" and another song with lyrics by Mrs. Secrest, written for this occasion.

The "Pictures" after the "Preface" followed this order: Washington, by Miss Joyce Brown's Room 213; Betsy Ross by Edgar Wilson's Room 201-b; Chief Logan by Miss Mary Catherine Richter's Room 304; Johnny Appleseed by Miss Ella Richey Wells' Room 110; Oliver H. Perry by Mrs. Miriam Hubbard's Room 312; Lincoln by Mrs. Mary Sandbo's Room 211; Grant and Lee by Mr. Wilson's Room 201-a; Clara Barton by Miss Well's Room 110; Wright Brothers by Mrs. Joan Hylton's Room 207; President Eisenhower by Miss Brown's Room 213.

After the "Pictures" the cast and audience sang "God Bless America." Jane Dodd introduced the program and Joyce Hamilton led the singing. David Boye and Randy Smalley led the assembly in the pledge of allegiance to the flag.

The entire program was under the general direction of Miss Ella Richey Wells.

O.G.'s Notes—

(Continued from Page 1)

kind dictates that fists are not the medium for settling disagreements.

Sad Days Ahead

There are sad days ahead for a fellow in Atlanta, Ga. He found that being an escaped convict was incompatible with his Christian faith. Therefore, he left wife and four small sons to return to the prison which may be his "point of no return." He left a good business which he had established. Too bad that his faith had not been secured earlier. He will have plenty of time to be sorry, for the sad heart continues sad though the work be heavy. Somewhere in our human scheme there should be some way of averting much of the horrors which pop up seemingly gleeful in the degree to which they degrade human beings. One often enough at the altar reaps help to avoid such degradation and such penalties.

Glory In The Lord

Man may glory in the Lord his God, whom he knows and understands to be kind, just and righteous. Wisdom, might and riches are not worthy of any glory because these do not abide, nor do they provide that which pleases God.—By Rev. Henry Oestreich, pastor, Martin Luther Evangelical Lutheran Church.

Sunday (A.M.) — "Worship the Lord gladly" Hymn No. 9
We rejoice because we can worship the Lord. Our worship should come from happy hearts, and reflect the joy which is ours as we recall the goodness and mercy of God extended to us in Christ Jesus.

Sunday (P.M.) — "Live for the Lord sincerely" Hymn No. 231
When our hearts have been captured by the Love of God, and faith is born within us, we desire to live for our Lord. We no longer live unto ourselves but unto the Lord and our daily walk through life is dedicated to Him.

Monday — "Speak for the Lord freely" Hymn No. 102
Our greatest joy as Christians comes when we tell others about our Savior and what He means to us and what He can mean to them. Let us speak often and whenever we have the opportunity that men may come to know Jesus, too.

Tuesday — "Serve the Lord willingly" Hymn No. 226
Our abilities are from the Lord. They are most worthy of His blessing when they are dedicated to His service. There is something that each of us can do for the Lord. Only our own selfishness limits our service to Him. May we resolve to serve Him today.

Wednesday — "Give to the Lord gratefully" Hymn No. 252
When we recognize that God is the giver of every good and perfect gift and we realize how very much God has given us, our hearts overflow with thanksgiving. Then we gladly give of all that we have, including ourselves, to Him and pray His blessing upon us

Gadabout—

(Continued from Page 2)

a word of explanation seem to be in order. First, we want to congratulate Mr. and Mrs. Charles Dersom on their Feb. 6 exchange of vows. The explanation is to the many friends of the bride (Jackie Thompson), who perhaps wondered why they received no invitation. There were no invitations because the furlough of the young husband-to-be came months ahead of schedule, so the marriage date was also changed. The bride and her mother, Mrs. Paul Barton, had one hectic week in which to prepare for the big day, and no formal invitations were issued. Mrs. Barton asked that we include this in today's column so that none of their friends would feel slighted. Naturally, we're happy to oblige. We understand the wedding was a lovely one, however, and two friends managed to hold showers for the lovely bride-to-be. The two friends were Molly Bordy and Sue Shields. (Need we ad that the mother of the bride is on the "poohed" side?) The newly-weds should be in Houston, Tex., now, since Chuck was due there early this week.

Since Mary and Herb Weisenberger, 284 Southwood-av, keep track of their "first robins" annually, we'll help them record it for this year by saying that they saw it on Feb. 11.

A loved teacher of Heyl Avenue School will have a Feb. 18 birthday, so congratulations to Miss Baechle.

Ailing youngsters this past week were Patty Trigg and David Leonard.

Livingston Methodist Church's Guild 21 will meet at 10 a.m. today in Henderson Hall.

Mrs. John Keller, 307 Stewart-av, spent her Feb. 10 birthday very quietly, as she is convalescing from her recent surgery.

Which reminds us (above item) that Lorraine Itskin will spend Feb. 14th birthday (today) by visiting Lona in White Cross Hospital. The Zodiac Club had planned a party for Lorraine and Leo Walters, but "Mr. Suregon-Man" changed those plans, at least temporarily.

Belated Jan. [illegible] anniversary congratulations to Mr. and Mrs. Roland Whitmer, 666 E. Mithoff-st.

Remember our item a few weeks back about Jerry Spares, formerly of 680 Woodrow-av, who was struck by an auto in Los Angeles, Calif., and his fight for life? We now have his address and it would be so kind and thoughtful to send him a card. It has developed he also has injured his back and must wear a brace, in addition to the head injuries. His address is Los Angeles General Hospital, Mission Road, Los Angeles, Calif.

Here's an unusual item, at least we'd never heard of anything like it before, and we like to pass such things along. Robert Klingbeil, brother of South Sider Ray Klingbeil, 977 S. Ohio-av, is the featured soloist in Morton Gould's tap dance concerto to be presented tomorrow at the new Memorial Hall, at 8:30 p.m. Robert is now a resident of Springfield. He is one of two "tapsters" to master the 20-minute routine, and tomorrow's performance will be the fourth one "ever" in the country. Entertaining is part of the Klingbeil family, for the Columbus resident, Ray, heads his own orchestra, the Ray Mund Orchestra. (Cute, using his first name that way, don't you think?) Another first on the program is a suite, based on the score of "My Fair Lady." There are many lovely tunes in this last mentioned, many recent hits, so it should be an enjoyable performance to attend. The Columbus Symphony is the participating group in this "pop" concert. (For you folks who wonder what a "pop" concert might be, let's say it's long-hair music that got a "crew" cut!)

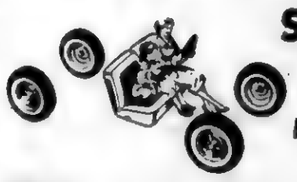
A young friend of ours was married this past Sunday, but sorry we don't know all the particulars. The young lady was Judy Wycoff, who was a South Sider for years, but who moved to the Linden area last year. She has many friends in these parts, so we wanted them to know she'd married her "Roger."

Saturday will be "Bicarbonate" Day for the women of the Fellowship Class of Southwood Church of Christ. At 6:30 p.m. on Feb. 16, the men will feed their wives. Just to show how nice the men are, they will NOT serve their wives a la India, where men eat first and the women eat from their master's plate! They're seriously considering letting the women eat first, matter of factly. While we're thinking of Southwood, we're very glad that Rev. Davis will continue on as the leader of the congregation.

Birthday greetings to Paula Knepper, 1783 Champion-av, when Feb. 20 appears on the calendar.

Issy and Prissy are sly ones, okay. Their wedding anniversaries are Feb. 14, so that Jim and Paul can't readily forget! "Issy" is Isabelle Coslett, 504 E. Morrill-av, and Prissy's the gal getting writer's cramps as she writes this. But her there, friend Isabelle.

Don't forget that the Band and Orchestra Parents of South High would like to have your rummage for Feb. 25 and Feb. 26. The ladies to call are Mrs. Berger, CA. 4-1058; Mrs. Metzger, HI. 4-2607; or Mrs. Hoptry, HI. 3-6416.



Just don't seem like there's anything else to write about now, so we'll end this week's stint. Do call us, won't you? We'd like to print YOUR news! Till next time then, tis, the

Three South High Students Win In Essay Contest

Southsiders To Be Seen In Capital U. Youth Orchestra Sunday, Mees Hall

South Siders are, left to right, Don Valentine, 705 E. Stewart, violin; Martha Rader, 1287 City Park-av, violin; Ted Hensel, 1251 Wilson-av, violin; Ilga Filliers, 970 Newton-st, viola; Janet Nicholson, 688 Sheldon-av, violin.

The pictured five Southsiders will appear in the first concert of the season of Capital Youth Orchestra when it presents its first program of the season at Mees Hall, according to an announcement last week. Each member of the orchestra, it was stated, is an experienced musician, recommended by his school or private music teacher. The orchestra, formerly was known as the Training Orchestra. Its numbers have increased from 45 last year to 60 members now, it was stated. The concert admission fee was stated as only 50 cents, in Mees Hall, the concert beginning at 8 p.m.

Dates Set For Annual Mardi Gras, Ball

The Damenchor Singers of the Columbus Maennerchor will sponsor its Eighth Annual Mardi Gras Masque Ball Tuesday evening, March 5, at the Maennerchor Club, 966 S. High-st, according to a report from officials of the organization.

Chairman and co-chairman for the affair will be Mrs. Clarence Snouffer and Mrs. Alice Wilhelmsen, Jr., assisted by the following committee: Mrs. Valentine Schneider and Mrs. Mary Keller, decorations; Mrs. Fred Brednich entertainment; Mrs. Paul Kerschensteiner, door prizes, and costume awards; Miss Kathleen Keller, publicity; Mrs. Merle Dean and Mrs. Paul Adams, grand march.

The Orchestra

The Baumbush Orchestra will play for the ball from 9 to 12 p.m.The grand march will start at 10 p.m., at which time the judges will select the best-dressed and most comical costumes for prizes. After the grand march there will be round and square dancing as well as a serpentine and balloon dance.

An invitation has been extended to the public since the proceeds from this ball will be used to buy music, maintain a director, and help defray expenses involved in sending the club to participate in local concerts as well as in German singing festivals and concerts throughout the year in Ohio and other states.

Tickets

Tickets may be purchased from Mrs. Bernard Weirick and Mrs. Alex Wilhelmsen, Jr., co-chairman of tickets, from any member of the Columbus Damenchor, or at the door, Mrs. H. C. Haddox, publicity chairman, said.

Papers Now Go To State Level; Winners Will Get Trip To National Capital

Commander Ralph Hedrick of The American Legion said today that his Legion district, composed of Franklin County, had selected eight prize-winning essays from hundreds submitted by high school students.

Writing on the subject "Patriotism in Modern America," Mr. Hedrick said that the high school students this year were quick to point out that good citizenship is the best way to demonstrate patriotism. One young lady, an exchange student from the Netherlands, expressed her surprise at the large display of flags on holidays here, as contrasted with Dutch custom.

The eight Franklin County winners included four from Bexley High School: Bert Japikse, 2363 Bexley Park; Skip Amburn, 353 N. Cassingham; Mary Orr, 2228 Astor; Diana Marx, 285 S. Dawson.

Three At South

Three of the winners are students at South High School. They are Kay Chambers, 121 E. Whittier; Charles Hagenberger, 754 S. 17th;; Grace Heller, 304 Hanford-st. One student from Gahanna High School, Douglas Chadwick, made up the total.

Each of these students will receive a citation of merit and a medal in recognition of their work at the Legion's district conference to be held March 24 at Post 82, 4604 N. High-st. The medals will be presented by District Education Chairman Robert H. Smith.

To State Level

Smith pointed out that the essays winning in each Legion district now go on to the state level, where 12 final winners are chosen. These finalists are awarded an all-expense-paid tour to Washington, D.C., and other points of interest. Side tours are made to Mount Vernon, Williamsburg and Old Point Comfort, Va. Ohio's congressional delegation entertains these winners at lunch and visits to the FBI, the Capitol and the Supreme Court buildings are high points of the tour. The entire cost is borne jointly by the Legion and the Legion Auxiliary, by whom the contest is sponsored.

Heart Fund Sunday; Workers Ready

This Sunday has been dubbed "Heart Sunday" because it is on that day that workers call on their neighbors for contributions for the Franklin County Heart Fund Drive.

Chairmen for the drive have been announced and the Leader presents here a list of many of those in this area. The list of workers is too long to report. However, they all carry identification.

With each chairman's name and address is given the telephone number, so individuals may call the chairmen and ask that contributions be picked up.

The list in the South Side Leader area is this: Mrs. Robert Syeffins, 473 Welsh, HI. 4-0790; Mrs. Morris Diamond, 286 E. Jenkins, HI. 3-2470; Mrs. Harold Edwards, 78 Morrill-av, HI. 4-4203; Mrs. Robert Frost, 756 E. Whittier, HI. 3-5392; Mrs. Philip Palombo, 954 Heyl-av, HI. 4-3991; Marion Twp., Mrs. John Nippert, 1615 Berkeley-rd, HI. 4-9329; Hamilton Twp., Mrs. Cyrus Donahue, 1085 Williams-rd, HI. 4-6847; Obetz, Mrs. Taylor Martin, 3774 Parsons-av, HI. 4-9659; Mrs. Lillian Yost, 858 Morrill-av, HI. 3-5489; Mrs. Dorothy Legore, 1745 S. 20th, HI. 4-3191.

Coach Out Of Coaching

Coach Dale Helmick, baseball coach at South since 1946, will not be on the Bulldog's bench this year, according to an announcement Monday. The reason for Helmick's withdrawal from the baseball scene is an eye injury he received during a practice game last spring, it was said. He was out of school several days because of this injury.

Helmick, who has had two championship teams and several runners-up in his eleven years of coaching at South, will be succeeded by Robert Fearing, who is now reserve basketball and football coach.

Helmick graduated from Capital University, where he played college ball. He says he does not plan to go back into coaching unless "something comes up." He is staying on at South to teach physical education.

Pvt. M. D. Haws In Germany

Army Pvt. Melvin D. Haws, 20, son of Mr. and Mrs. Clarence E. Haws, 738 Seymour-av, recently arrived in Germany for duty with the 40th Antiaircraft Artillery Battalion.

Haws, who was last stationed at Fort Chaffee, Ark., is now a member of a wire crew in Headquarters Battery's communications section. He entered the army in August, 1956, and completed basic training at Fort Chaffee.

Haws is a 1954 graduate of South High School and a former teletype clerk for the Chesapeake and Ohio Railroad.

Trail's End Near In South Side Y-Church League

With only one set of games remaining to be played in the Y-Church loop, Oakwood Methodist remains the favorite to cop the crown and have an undefeated season. Oakwood must defeat St. Paul E&R, which has a three-won and two-lost record. Emmanuel Lutheran finished its season last week with a 5-1 record, and, should St. Paul upset Oakwood, Emmanuel and Oakwood would share the title.

In games last week, St. John E&R downed hard-trying Livingston Methodist 19 to 9. Gary Hahn led the St. John scorers with 12 points. Mike Grayem and Dave Duerler scored all of Livingston's points. Oakwood Methodist scored its fifth victory in a row by winning over Central Community 33 to 20. Little Tom Lutz staged a one-man show as he scored 16 of his team's 20 points. Dick Anderson scored 10 for Oakwood Methodist.

Emmanuel Lutheran finished its season with a hard-fought victory over St. Paul E&R 17 to 11. The usually high-scoring Jim Buel was held to one basket and five free throws, which hurt St. Paul's chances. Buel was high man for St. Paul with seven points, while Bill Reall and Larry Middendorf were high for Emmanuel, scoring six and four points respectively.

Freon 12 Is Subject At M-F

The student body of the Marion-Franklin High School will see and hear about "Hot Facts on a Cold Subject" at their meeting Tuesday, Mar. 26, at 9:30 a.m. at the school.

Royal S. Buchanan, manager of advanced refrigeration engineering and development for Westinghouse Electric Corporation in Columbus, will give a "humorous yet educational" demonstration of a little-known liquid, Freon 12, which, he explains affects almost everyone's daily life. He talks about and demonstrates the properties of this liquid, which is the basic element in modern refrigeration, he explains.

LINCOLN PARK PTA

Lincoln Park PTA executive board and room mothers will serve a luncheon for the children this Thursday. The board meeting will be held at 1:30 p.m.

Vice President Mrs. Irvin Rollison is in charge of the Founders' Day program. It was stated that it is hoped all past presidents will attend. The meeting is Thursday, Feb. 28, at 1:30 p.m.

Scholarship Time Limit

The final date for receiving applications for the 1957-58 scholarship offered by Soroptimist International of Columbus is Apr. 1, according to Charles L. Petrie. This scholarship consists of $800 to be used for graduate study. Any woman resident of Franklin County who has completed her undergraduate work may apply. The applicant may select any field of study and may attend any university of her choice. The other conditions of eligibility are high scholarship, financial need, and her intention to contribute in service to her community as well as to her personal and professional advancement. Applicants will be interviewed after the closing date and the award will be made early in June.

Application forms may be obtained immediately from Dr. Leabelle Ross, 2708 Welsford-rd, Columbus 21. Telephone, evenings, HU. 8-7217.

Fun, Frolic Night Listed At Livingston

Plans are being made for the "Fun and Frolic Night" to be held at Livingston School, Mar. 22, according to Mrs. John Detloff, frolic chairman, and Mrs. Willard Miller, publicity chairman. The affair will start at 5:30 with a supper, the spokesman said, adding that "there will be plenty of activity in the evening, with a fish pond, cake and pie walk, lots of games, movies, bazaar table, etc."

Garden 'Outdoor' Show Opens 22nd At Coliseum

Central Ohio's first annual Garden and Outdoor Living Show, a $250,000 display of growing plants and garden equipment, opens Feb. 22 at the Fairgrounds Coliseum. It will continue through Mar. 3.

The show will open on a patriotic note with a special Washington's Birthday program for thousands of Central Ohio school children. At 2 p.m. Friday, Governor C. William O'Neill, education leaders and other officials will take part in an opening ceremony. A "king and queen," selected from among attending school children, will plant a symbolic cherry tree which will later be replanted, with an appropriate plaque, in the Ohio State Fairgrounds.

Focal point of the show will be a circular display of flowers, flowering shrubs and trees arranged around fountains and a pool at the arena's center.

Exhibitors will show garden equipment and lawn furniture, patio and lawn designs, barbecue and outdoor-living equipment, seeds and plant foods, fertilizers and insect sprays, and many other needs of the gardener and home owner. Entertainment highlight of the show will be the fabulous "Dancing Waters," an eye-catching combination of music, colored lights and performing sprays of water.

Youngsters will be admitted at a special price of 10 cents on opening day. Regular price will be 25 cents for children, 75 cents for adults. The show is sponsored by Dispatch-Journal Charities.

St. Paul E&R Yields To Persistent St. John Team

In the South Side Y-Church League last week St. John E and R outlasted previously unbeaten St. Paul E and R, 21 to 18. Thanks to a hot first half, in which John Harris of St. John scored 10 points, his team was able to gain a big lead of 19 to 8 at halftime. St. Paul E and R fought back gamely in the second half, scoring 10 points to only two for St. John. The two points, scored by Bill Diebert of St. John, were actually the winning basket. John Harris was the big gun for St. John with 10 points. Jim Buehl scored four baskets and four free throws to lead St. Paul with 12 points. This win by St. John can give a big boost to league leading Oakwood Methodist, which now needs just a victory over winless Central Community to clinch a tie for the title.

In the middle game of the evening, Thurman Methodist downed Central Community 24 to 7.

Bob Ison, with five points, followed closely by Al Mullens and Bob Helsel with four each, was the leading scorer for Thurman. George Mather and Tommy Lutz scored all seven points for Central Community.

In the last game of the evening, Emmanuel Lutheran defeated Livingston Methodist 29 to 11. Emmanuel jumped off to an early lead and was never headed. Larry and Joe Middendorf led the Emmanuel scorers with eight points each, followed closely by Tommy Lewis with six. For the scrappy Livingston five, Dave Pence was the high man with six points.

College Night Date Changed

When South High School PTA schedule was originally set up, "College Night" was designated for Feb. 28. Mrs. Walter W. Denney, president of South High PTA, has now announced that this meeting has been rescheduled for Wednesday, Mar. 6, 7:45 p.m.

Any student at South High School interested in going to college will find a definite advantage in attending this meeting.

Representatives from 16 different colleges will be present on that night to meet and talk with the student about the college he may be interested in.

Group Minus Unit Training Has But One Season Loss

The Reeb Shooting Stars are in the Thursday League of the South Side YMCA Gra-Y leagues. These boys came into the league without having practiced together in any practice session prior to the season. Their only defeat was at the hands of the Siebert Scorpions. Every boy was conscious of playing the game with good sportsmanship as well as a desire to win. The club is small, but has the making of a group interested in becoming better citizens. They are, left to right, back row, Frank Adams, Richard Williams, Rodney Wilkerson, and Douglas Anderson; front row, Wayne Stewart, Howard Revels, Bob Schoener and Morris Greene. Club adviser is Marlen Atkinson.

Euchre To Boost Scholarship Fund

Men of St. Leo Holy Name Society have scheduled a euchre party for the scholarship fund of the group, at School Hall, Saturday evening, Feb. 23, at 8:15, according to publicity spokesman Leo J. Reis of 55 Hanford-st.

The publicity spokesman said many prizes will be available. The committee is composed of Morris Diamond, chairman, assisted by Andy Theado, George Dorn, Carl Bayer and Ollie Nehr.

Distance Lends . . .

"O, if only George Washington could came back, he would soon clean up that Egyptian-Israeli mess," a woman exclaimed a few days ago when the Middle East troubles were being discussed. The lady was not burdened with much sense, as can be determined by observing her utterance. However, there was in her vaporings an idea which the American people should take out and investigate once in a while. That idea is that to some the dim past is filled with greater heritage than the present is with brains, education and understanding. Maybe that's because the past is past, and the people who long for the great of long-ago yesterdays simply are limited in comprehension. That's worth keeping in mind. People were great in the limited spheres in which they lived and had responsibilities and we give to them the admiration and respect which are their due. Let us pursue our responsibility and accomplish to the best of our ability and not cloud our vision with silly lookings-back and muddled comprehension.

A Good Story

The story of the chopping down of the cherry tree is a good story to keep in mind. That is so because it illustrates vividly the character later to be revealed in the misery of long-continuing defeat the while the Great Leader sought an advantage where he might strike the liberating blow at the enemy. Washington achieved because he thought thoughts which could surround only the activities of the then, pursue roads of action which opened because the environment of the then. Imagine him, Washington, now crossing a river with a few men in a few boats to attack a strong enemy. Men of yesterdays would think along current lines were they living now. The wishers for the "then" should hide their heads and shut their faces.

The young ladies of Mrs. Weaver's and Mrs. Edwards' Camp Fire group are now one step higher in this worthy organization. On Feb 12 in Southwood School, the following girls achieved the Trail Seekers Rank. Carol Weaver, Paula Pieplow, Sharon Roff, Jeri Hampton, Karen Alexander, Sandy Moore, Kathy Miller, Beverly Oursler and Helen Poenisch. (This group and the Re-Hi-Go Horizon Clubbers are always big helps in our Christmas project, so we think they're tops!) The Re-Hi-Go'ers also had a Council Fire on Feb. 12 in the home of Mrs. Michael Skobrak, 1593 Oakwood-av. Sally Paulus and Priscilla Ann Dicke received their Firemaker's award. Election and installation of officers was also held with the following members so honored: Linda Junk, president; Betty Skobrak, vice-president; Nancy Buller, secretary, and Sally Paulus, treasurer. Four new members were welcomed into the Re-Hi-Go group, Patty Bryant, Judy Marte, Carol Murphy and Emma Tillet. This group has been together since they were Bluebirds. One of the features of the Council Fire was the burning of their Campfire name, Tin-ke-ta-wa, thus making them full-fledged Horizon Clubbers.

Wing 40 will meet next Tuesday, Feb. 26, in the home of Mrs. Ralph Dsown, 611 Southwood-av. Mrs. Dean Foster and Mrs. James Hykes will assist.

The Mothers Club of Southwood Church of Christ is planning to prepare Easter baskets for some worthy children's organization. To do this, they will need cottage cheese cartons or strawberry baskets. If anyone would care to donate these items, the person to contact is Phyllis Donovan, 297 Markison-av, or call HI-4-6190.

Three of the smaller-fry who have February birthdays are Eugene Moore, 1574 S. Fourth-st, who celebrated his birthday on the 15th, and Karen Edinger, 43 E. Welch-av, who celebrates her birthday Feb. 28. Denny Ramey, 1721 S. Third-st, also should receive belated wishes for his Feb. 7 birthday.

Two young couples who will be marching down the aisle this Saturday are Mary Margaret Moore, fiancee of Thomas Hinton, and Ruth Ann Bates, betrothed of Bernard Black. Miss Moore, 254 Hanford-st, is a graduate of St. Mary's High School, and Mr. Hinton is an Aquinas graduate. Their marriage will take place in St. Leo's. Miss Bates, 429 E. Stewart-av, is also a graduate of St. Mary's and her husband-to-be also graduated from Aquinas. St. Mary's Church will be the scene of their wedding.

An "acting-up" appendix was the reason for little Roseanna Di Goia's abrupt entrance into Mercy Hospital last week. Roseanna resides at 3216 Parsons-av. Another community member who was hospitalized in Mercy Hospital last week (and incidentally a relative of Roseanna) was Mrs Sergio of 1180 Gilbert st.

Happy "George Washington" birthday to Martin Mitchell, 192 E. Gates-st.

Bead 24 of Our Lady of Mercy School will meet in the home of Joan Long, 570 Southwood-av, on Feb. 28, at 1 p.m.

Everyone agrees whole-heartedly about the worthiness of the youth groups, Scouts, Campfire Girls, etc., but there is always one pressing need . . . leadership. Too many youngsters are unable to participate in these character-building organizations for this reason. The Girl Scout groups in this region find themselves in this position at this time, and hope to do something about it Thursday evening, Feb. 28, at 8

Winning TB Essay Called 'Result Of Good Thinking'

Many complimentary comments have been heaped upon Miss Julie Warner of South High School for her prize-winning essay on TB, according to information reaching the Leader office. Several requests have been made that the essay called "Good Thinking," be published in The South Side Leader. The following is the essay, entitled "Your Tuberculosis Society; Its Past and Future in TB Control:"

"The killer stands on trial His name is tuberculosis, alias white plague, alias TB He awaits the decision of the jury. The jury is you, the American public. Listen well to the case brought before you now.

"The crimes of the accused are innumerable. 16,000 people died in the United States in 1955 because of this killer. There were 37 deaths in Franklin County alone. A number totaling 40,000 in the nation were stricken with the dread disease robbed of vitality and health by this thief. Tuberculosis kills more people than all other communicable diseases combined. Yet the figures just given are greatly reduced from those of 50 years ago.

"Just as an organized police force works to rid society of a dangerous criminal, so an active force has been fighting to remove tuberculosis. This force you know as the Tuberculosis Society. For 50 years now your Tuberculosis Societies, local, state and national, have been waging an all-out war against the criminal, TB. In 1904 the National Tuberculosis Society was formed by a group of conscientious citizens headed by Dr. Edward Livingston Trudeau. Dr. Trudeau, a former sufferer of tuberculosis, is credited with the discovery that the disease can be cured. The purpose of the society was to bring the attention of the public to the tuberculosis problem and to the cure. This was the beginning of the fight against the terrible "white plague."

Became Aware

"It was not long before the people of Franklin County became aware of the possibilities of organized action against tuberculosis. On December 5, 1906, the Tuberculosis Society of Columbus and Franklin County was created. Its leaders were Mrs. Samual L. Black, Dr. Frank Warner, and Dr. Probst. In the same year the society established the first free clinic. It had little with which to operate except a stethoscope and the enthusiasm of the workers; nevertheless, it was a big step in the crusade to save lives.

"Soon the need for a tuberculosis hospital became evident, and eventually through the efforts of the TB society, that dream was realized in the building of the tax-supported Benjamin Franklin Hospital

"The citizens of Columbus and Franklin County were gradually becoming aware of the work of the Society. In 1908 they were called upon to contribute to the cause by giving clothing, fruit, and flowers for TB patients. But the real beginning of public support came when Franklin County joined the nationwide Christmas Seal movement. This drive began in Delaware in 1906 when funds were desperately needed for the support of a small hospital. Emily Bissell, a cousin of one of its doctors, arrived at the idea of the Christmas seal, a plan which originated in Denmark and was successful there. Through the aid of newspaperman, Leigh Mitchell Hodges, the drive was an overwhelming success here, too. In 1909 when the Society introduced the plan to Franklin County it was accepted with a wave of enthusiasm which brought in $3,012. This figure seems small in comparison to the $190,000 collected this year, but it did prove that a good many people were beginning to believe that tuberculosis could be conquered.

Bought Property

"In order to meet the needs of the community in TB control the Society purchased the property at 503 Oak Street, its present headquarters. The much-needed clinic was established with adequate equipment including an X-ray. The building served the residents of the county in this capacity until 1952 when the mobile unit X-ray cruiser was bought. This purchase enabled the society to reach every community and give its people free X-rays. The idea proved to be one of the biggest steps in TB control. It was so successful that last year the second Christmas Seal X-ray Cruiser was purchased

"The X-ray program has played a big part in TB control. Last year 60,000 received X-rays through Christmas Seals. This year's total is expected to reach 90,000. It is extremely important that tuberculosis cases be found in the early stages. They must be isolated so that the disease is not communicated to others. Recovery is almost certain at this stage. Since TB has no symptoms in the beginning, chest X-rays must be relied upon to uncover cases. Your police force can count on funds from taxes when tracking down a lawbreaker, but the Tuberculosis Society has only the funds raised from the Christmas Seal Drive to support its program against TB.

"Education of the public is also an important part of the Society's program. About 300,000 pamphlets on every phase of tuberculosis have been distributed this year. Educational films were presented to about 20,000. The TB Societies are founded on the order that through education, TB can be conquered.

"The society also supports a rehabilitation program. In 1954 a full-time rehabilitation consultant was employed in order that former tuberculosis patients might take their places in the community again as normal, useful individuals.

Most Used Here

"Almost 90 per cent of the money raised in Franklin County is used for these programs. The remaining 10 per cent goes to the national and state societies where programs in research are carried on. Through this work came the discovery of the wonder drugs, streptomycin, PAS (para-aminosalicylic acid), and isoniazid. Although the drugs do not cure TB in themselves, they hinder the growth of the bacilli and are a definite aid to recovery in many cases.

"You have heard the story of the criminal tuberculosis and the fight carried on against him by the Tuberculosis Society. The case rests in your hands. You must decide his fate. Left free he will continue to kill. You can not be sure that you or someone close to you will not be the next victim. But he can be conquered; and the Tuberculosis Society with the help of the public will work untiringly until he is conquered. They cannot do it alone, however. It's up to you to do your part, by keeping in good physical condition, by practicing common rules of personal cleanliness, by taking advatage of the X-rays offered to you by the Tuberculosis Society, and by supporting the Society through the purchase of Christmas Seals. You will decide the future effectiveness of the work of the society. What is your decision?"

Library Titles Suggest Cozy Relaxation Periods

In observance of "Brotherhood Week," Feb. 17 to 24, the Parsons Library this week called special attention to books that will help people to learn how to get along in the family circle, in the community, on the job, in our national life, and in the world at large.

Books are available at the library on all phases of human relations, according to Librarian Miss Bausch.

For younger readers, the librarian said, there are books that will help them to understand and appreciate other children; for teen-agers there are books that help them to understand and live with their parents, as well as how to get along with their business associates and indicate work that can be done in the community, and for women readers there are books on understanding the adolescent, living with older adults and cultivating friendships.

Easy-To-Read

In addition, Miss Bausch said, there are easy-to-read volumes that explain how other people live and worship — what their problems are and how individuals and groups can work together to help solve them.

A few of the titles on human relations that have been added to the library recently include "Segregation, the Inner Conflict in the South," by Robert Penn Warren; "Cross-Currents," by Arnold Forster; "How Far the Promised Land," by Walter White; "Prejudice and Your Child," by Kenneth Clark; "Now Is the Time," by Lillian Smith; "Goodbye to Uncle Tom," by Joseph Furnas; "A Guide to the Religions of America," by Look magazine; "How the Great Religious Began," by Joseph Gaer; "Altars of the East," by Lew Ayres; "What Is a Jew?" by Morris Kertzer.

Girl Scouts Hold Rally

Ten troops, including Brownie, Intermediate, and Senior Scouts of the community, joined in a rally Saturday afternoon, Feb. 16, at the First English Lutheran Church, with "international friendship" as their theme. Each troop participated in the program of songs, folk dances, and games of other lands. Refreshments included cookies baked by the older girls from recipes of foreign countries

At this time each year Girl Scout troops make a contribution to the World Friendship Fund to honor the memory of Juliette Low, who started Girl Scouting in America in 1912.

On Wednesday afternoon, Feb. 20, at Oakwood Methodist Church, the district-wide get-together was held. Representatives from each neighborhood group brought their "friendship" gifts, and enjoyed a program arranged by the executive director of the Ohio Trefoil Council of Girl Scouts, Miss Ruth Shollenbarger.

North Clinches League Title With 67-47 Win Over South

South's Bulldogs were swept aside by North's powerful steamroller as the Polar Bears cakewalked to a 67-47 victory last Friday night at South.

The win wrapped up the 1956-57 City League title for the all-conquering Bears. It was North's second league title in the last four years, but the first in the three-year regime of Bernie Cellar.

The Polar Bears, who afflicted the Canines with their fifth straight loss, never left a doubt of their intentions or the final outcome as they ran up 13 straight points midway in the first quarter. With sophomore Jim Dougherty connecting on five baskets in as many attempts, the Maroons enjoyed a 24-11 first-period margin. In those first eight minutes the North Siders hit on nine out of 18 field goal attempts.

Dick Jones, rugged Polar Bear backcourt ace, spearheaded their famous full-court press as the "hungry" Bears continued the onslaught in the second quarter. Jones swiped many hurried Bulldog passes, as the Canines desperately fought off North's press. Even though the Bulldog's "Joe" Devlin and Hal Ward held their own in the rebounding department, South was on the short end of a 36-22 halftime disadvantage.

In the third period the Polar Bears were still minus the fabulous scoring punch which has terrorized the whole City League. However, it was still enough as the Maroon's back court flashes took the heart out of the Bulldog offense with a brilliant defensive job on South's Kenny Fowler. Limited to a very meager four points for the night, Fowler suffered from inactivity, playing less than half the whole game.

Coach Bernie Cellar's boys boosted their margin ever so slightly in the final period as the bench of the Maroons infiltrated in the game's waning moments. The Polar Bears' 20-point margin spelled out a clear-cut title with one more game still to go on the schedule. For the Bulldogs, it was their fifth straight loss as their City League mark faded to five wins and six losses.

It was a sad night over all as the North Reserve team elbowed into a first place tie with South, by virtue of their 53-43 win over the Puppies. Each team now possesses a 9-2 mark with the final game for both tonight.

George Devlin was the Bulldog's high man with 14 points, and beefy Hal Ward chipped in with 10. Jim Doughty, North's "jumpin'-jack," totaled 20 points, and Dan Wherry and Bill Dodson each had a dozen markers. The Maroons connected on a very cool 26 for 76 shots from the field, and the Canines had a frigid 19 of 63.

Since South's Bulldogs have played the state's two top teams in Middletown and North, and with tournament time approaching, a comparison of the two seems inevitable. Both teams can boast exceptional shooting, speed, and alertness. Each team is well coached, the Middies hold a fair height advantage. This reporter can only see one difference in these two fine teams, and that is J-e-r-r-y L-u-c-a-s.

Tonight Coach John Colmery's lads travel to Linden to play the Panthers in the season's finale. A win could put the Bulldogs at .500 for the league standings. With the tournaments just around the corner, South's cagers should be reminded that Bulldog fives have been in the Central District finals three times in the last four years.

Parsons Branch Library Lists Exciting Reading

Your Parsons Branch Library would like to remind you that it has a great deal of highly entertaining new fiction for you. Following are some of the titles:

Liza Bowe, by Shirley Barker. During the tumultous days of Queen Elizabeth's reign, Liza Bowe was a bar maid at the bustling Mermaid Tavern, where she first encountered the quiet actor, Will Shakespeare. There, too, she found her lover, Philip. Miss Barker recreates magnificently the noisy, crowded London of 1588, the theater world of Marlowe and Shakespeare, the everyday lives of lesser and famous Elizabethans at work and at play.

"Tangled Web"

A Tangled Web, by Nicholas Blake. Daisy Bland was an innocent, which is a dangerous thing to be when you are also particularly lovely and loving. Hugo Chelserman wasn't in the least bit innocent, but he had great charm and a way with women. This is a story of love and of a man who lived by his wits and his physical prowess. This is a moving and engrossing novel and the author shows a superb understanding of people involved in difficult situations.

"The Man Who Didn't Fly," by Margot Bennett. On the way to Dublin the chartered plane went down in the Irish Channel. There were no survivors. Four men had arranged to travel on the plane, but only three had arrived at the airport and only three had boarded the plane on that fatal night. Where was the fourth men? Who was he? He should have come forward when news of the tragedy was announced, but he was silent and invisible. This is a distinguished, exciting, and witty novel of suspense.

In North Africa

"The Light-Hearted Quest," by Ann Bridge. The setting is present-day North Africa. Julia Probyn goes there to seek her cousin, Colin Monroe. Julia's quest, light-hearted but exciting, takes her to Casablanca, Tangier, Fez, Marrakesh, and through the Moroccan countryside.

Although she manages to get herself and others into serious trouble in events, both intriguingly gay and horridly sinister, in the end, largely through her own efforts, the situation is saved.

"The Prophet and the King," by Shirley Watkins. When Samuel chose Saul to lead the Israelites against the Philistines, there arose one of the most poignant and tragic conflicts in Biblical history. This is the story of that struggle for power between two great men, the Prophet Samuel and the King Saul. And it is the story also of young David, and of the beautiful Michal, who defied her father to save the man she loved.

Other Titles

Some other interesting titles:

"The Calendar Epic," a novel of the merchant marines, James Kubec.

Right Angle Officers To Be Installed

The annual installation banquet of the Right Angle Club, a service organization of the South Side Branch YMCA was held Saturday, Feb. 16, at the Nationwide Insurance building in Columbus.

Wildcats Lose Games, Get Experience

Back row, left to right, Anthony Lang, scorer; Frans Cruz, Bob Miller, Theil Geddes; Henry Frazier, Tommy Croft, Gary Dodge, Danny Cline, Charles Fillinger, and Mrs. Doris Bernlohr, adviser. Front row, James Levins, David Downing, Wendell White, Albert Wilder, Charles Hewath, Albert Tures.

The Livingston Wildcats have developed more through the season than any team in either league, according to Mrs. Doris Bernlohr and Mrs. Nancy Wedell, club advisors. Although they didn't win a game, the boys had a good competitive spirit and played clean ball every game. The club is rebuilding after having no activity in 1956 and is showing signs of being one of the biggest and best, a Y report said.

Hamilton Win Basis For Joy

On Feb. 1, Hamilton's basketball team celebrated its Homecoming with a 65 to 62 victory over Groveport. This was their first victory in six starts in the County League.

Hamilton was never threatened for three quarters, and led most of the time by at least ten points. But in the last quarter Jerry Roof and Allen Miller combined their scoring and brought Groveport into the lead 62 to 61, with 45 seconds to play. Then Hamilton's Wayne Sharron put the Rangers in the lead to stay with a jump shot from the foul line. Keith Johnston then added two foul shots with eight seconds left, to give the Rangers a three-point lead and the game.

Allen Miller and Perry Roof hit 24 and 23 respectively for the losers. Wayne Sharron scored 29 for the winners, Ray Jacob played a swell floor game, stealing a pass in an important part of the game.—School Reporter.

High Scores

Lenore Kunce and Ronald Walker received high scores of 97 in the English grammar tests given to South High seniors on Feb. 8. The tests were given for experimental purposes by the Board of Education and were the first of their kind to be given to high school seniors.

The median score for the school was 68. Eighteen students received grades better than 80, and 147 of the 314 who took the test had grades above 70.

South Sider Wins TV Set

Aaron Johnson, Sr., 485 Llewellyn-av, was the winner of a portable television set in the second week's contest featured during "Leisure Laundry Days." The award is being presented by George Horvath at Hoermle's, while Jack Edwards of the Electric Co., looks on. For his role in telling Mr. Johnson the dryer story concerning "Leisure Laundry Days," Horvath received a savings bond as a winner in the dealer-salesman phase of the competition. "Leisure Laundry Days" is a cooperative effort by the Electric Company and about 250 electric appliance dealers designed to tell housewives how to add hours of leisure by drying laundry the modern, all-electric way.

Dire Warnings

The prophet Amos sounded dire warnings in regard to the Lord's action over against His people. A neglect of the Word always brings a time when people shall seek it and shall not find it. The Word needs to be treasured and lived, if we would experience its true value.—By Rev. Henry Oestreich.

Kenny has enlisted in the Marine Air Reserve six-months training program and is scheduled to go on active duty this coming August in that program. He, along with many other young Columbus men, is currently discharging his military obligation as a member of the Marine Air Reserve.

Pvt. H. Davis Ending Stint

Army Pvt. Herbert L. Davis, son of Mrs. Louella Knipp, 705 Scotwood-rd, is scheduled to complete the second phase of six months active military training Feb. 15 under the Reserve Forces Act program at Fort Sam Houston, Tex.

Davis is terminating 14 weeks of medical training at the fort's Brooks Army Medical Center after completing eight weeks of basic combat training at Fort Knox, Ky.

Hamilton Gets Polio Shots

The Franklin County Board of Health is sponsoring a drive for polio shots at Hamilton Township Local Schools. These shots will start Feb. 28, at Hamilton Central school. School buses will transport the students from the Obetz and Lockbourne Elementary Schools to and from the Central School. Students in grades one through 12 may receive the shots free of charge. Information will be given to each of the students concerning these shots. A permission card must be filled out by the parents and sent back to the school before shots can be given. Each child receives three shots, in a series, to make him immune to polio.

Two weeks later, on Mar. 14, another series of shots will be given and the final series will be given seven months later.—Janet Lindemuth.

Gra-Y Basketball Tournament

The South Side YMCA Gra-Y Basketball tournament opened Tuesday, Feb. 12, with some decisive wins. Beck's Bulldogs showed a strong offense in Bill Howard and Ray Gray and used this to win over the previously unbeaten Siebert Scorpions, who boasted a 5 won and no loss record. The Lincoln Park Scarlets continued their win streak by overpowering Deshler, 29 to 7. Both Heyl teams gave impressive showings as the Buckeyes beat the Southwood Eagles and the Leopards won over the Stewart Indians.

The Thursday games were also exciting as Beck and the Lincoln Park Scarlets continued on the victory path. The Scarlets eliminated the Heyl Buckeyes from the winners' bracket, while the Bulldogs did likewise with the Heyl Leopards. Other games found the Lincoln Park Grays winning a close one from the Reeb Shooting Stars by a score of 26-21 and the Southwood Panthers also had a tough time beating Livingston 18-10.

Tuesday, the 19th, found the Lincoln Park Scarlets opposing the Southwood Panthers, and the Beck Bulldogs versus the Lincoln Park Grays, to decide the semi-finals in the winners bracket.

The loser's bracket was inserted so that each team would have at least two games and will have Deshler playing the Southwood Eagles and Stewart opposing Siebert.

Fishermen Must Have New '57 Licenses, March 1

Some 1500 fishing license dealers throughout Ohio are now receiving their initial supply of 1957 fishing licenses, according to the Department of Natural Resources.

Soon all agencies should have licenses and digests of the fishing regulations available to the fishing public. A 1957 FISHING LICENSE WILL BE NECESSARY ON MARCH 1.

While most regulations will remain the same as for the past several years, new liberalized regulations cover Pymatuning Lake. With the exception of bag and possession limits, the lake's regulations have been completely lifted.

HE SOLD IT FAST!

We're talkinb about W. G. Taber, 419 Stewart-av, who recently put a small classified advertisement in the South Side Leader to sell a Rex water heater. He had advertised in the Leader classifieds before—Oh, yes! That was the reason he advertised upon this occas. However, it was better than ever this time—a quick sale, very quick, right after the paper was out. He was so enthused that he teld us we could use the fast sale as a testimonial. Thank you, Mr. W. G. Taber. We know Leader classified pulling power, as you do, because it happens to every week often, but it is awfully nice to hear it over and over again. The same opportunity is open to everyone—to use the Leader's classifieds,.. taking your wishes to many, many thousands of people. No wonder Leader classifieds pull so profitably for advertisers.

Mercy Hospital Offers Free Polio Vaccinations

Details Given Include Dates and Hours In Which The Public May Receive Coveted Vaccine

Southsiders ranging up to a maximum age of 39 will have an opportunity to receive polio shots without charge, according to a statement issued Tuesday morning by Mercy Superintendent C. B. Beard. "Mercy Hospital and its medical staff support members of the Columbus Academy of Medicine in its special free vaccination program," the superintendent said.

Anyone within the age limits given may receive the required three polio vaccinations free of all cost, according to the statement. It is commonly accepted that one "shot" is not enough, and Mercy's program makes it possible for those needing it to have the full course of vaccination generally accepted as the size "dose" to make the average person immune to the disease.

The Medical Academy's statement, issued as a part of Mercy's announcement, declared, "The Academy in its belief that the health of this community is of vital concern, has volunteered through its members to administer vaccinations free to all in the prescribed age limit who may care to avail themselves of this service."

Superintendent Beard said that the hospital in conjunction with its medical and nursing staffs "have set a program to handle quickly and professionally the large number of Southsiders who are expected to take advantage of the unprecedented health bargain."

To make the program properly effective, Superintendent Beard said that "a special clinic will be set up under the direction of Dr. Beryl Oser and Dr. Charles Freeble, Jr. Dr. Freeble has had wide experience in the field of communicable diseases and Dr. Oser is chairman of Mercy's medical staff.

Signed consent from parent or guardian must be presented at time of vaccination, the superintendent said, for anyone under the age of 21 years. He said this is a legal requirement and therefore cannot be waived in favor of anyone. Consent forms may be obtained from the hospital, according to Superintendent Beard, by calling at the hospital, at 1420 S. High-st. Or, he said, a request by telephone will result in the mailing of the consent forms to the address of the person requesting.

Dates for the vaccination have been announced as being from March 4 to 8 only, which, the superintendent said, should cause those interested to organize their time so they can be vaccinated within the dates given.

Hours for the free vaccinations will be from 8 until 9 o'clock a.m. and from 3 o'clock to 5:30 in the afternoon. On Wednesday, the hours will be from 3 o'clock in the afternoon until 8:30 in the evening.

Mercy's emergency room will be used for the vaccinations, it was stated.

Pictured are, left to right, Miss Myra Freel, R.N., director of nursing service; Dr. Beryl Oser, chairman of Mercy medical staff; C. B. Beard, Mercy superintendent, in consultation.

Racing Fire Meets Flailing Firemen, Extinguished After Two Hours' Hard Fight

Brooms and shovels flew fast and furious Monday afternoon to extinguish a racing brush fire that burned out an estimated 450 acres of farmland northwest of Obetz. Volunteers of the Hamilton Township Fire Department are shown above beating out the flames. Fire Chief Jack Jones said that the fire was believed to have been started by a resident burning trash. The fire started at the west end of Obetz-av and raced along the southeast side of the C&O Railroad tracks to Williams-rd, burning out fields on five farms. Forty firemen and volunteers of the Hamilton department fought two hours to extinguish the flames.

"Big" From a Little

Talking "big" about small things may exalt the talker's ego, but it is a poor basis for achieving even normal success.

Man Made a Mistake

"Man," meaning all of us, has made a big mistake. The mistake now is bigger than "man" made many years ago. That's because there are so many more of us to maim, gas, mangle, and in our numbers we have built exaggerated ideas of our importance and competence. A nuclear world is likely to take us down a peg or two. And it won't be pleasant—for us.

Bulldogs Crack Losing Streak; Beat Panthers

By Bob Goldstein

The South Bulldogs snapped out of their cumbersome five-game losing streak by decisively drubbing the Linden Panthers 78-68 last Thursday night on the Panthers' home floor. The game, which was the regular season finale for both teams, marked the Bulldogs' final record at nine wins and nine losses, including an even .500 record in the 12 City League starts.

Evidently once again scenting the approach of tournament action, the Canines exploded for their best offensive show of the season. The 78 points was the biggest output of the 1956-57 season for the rangy Bulldogs.

Classy Performance

From the opening whistle the Bulldogs gave indications of a classy performance as they rang up a 16-6 first period lead. George Devlin and Ken Fowler chipped in with six points each in the first eight minutes.

With Hal Ward and "Joe" Devlin once again controlling the backboards, South found ample shooting opportunities. The 220-pound Ward had 10 of his 13 points in the second period to help cement a 36-25 half-time halftime advantage. Speedy Kenny Fowler chimed in with 12 points before intermission time.

Law On 'Retire' Funds Sought From Prosecutor

"Little things keep coming up to remind us that there are many details to be considered in a community's 'getting married' to a big city like Columbus," according to a citizen of the Marion Township area just recently attached to the city of Columbus. This time the "remainder" of the recent action was in the form of an inquiry concerning rights of former township employes to funds previously paid into a public employes' retirement fund.

Before the change of government for the area, it was observed, employes could pay into the fund and their deposited monies, under definite provisions, would be matched by public funds from the township.

The question presented to Franklin County Prosecutor Samuel L. Devine was this: "Can funds deposited by employes and matched with funds from the township be frozen by Columbus upon annexation, or can the employes withdraw their money when they quit their jobs?"

In replying to the inquiry, Prosecutor Devine explained that the employes have the right to withdraw funds which they have deposited, three months after quitting, but they will have no claims to any of the "matching funds."

The prosecutor also told the inquirers that they could, if they wish, leave funds they have paid in "and gain future rights at some future dates." It was understood that most of those having made the "deposits" will, if they leave their jobs, take advantage of the opportuntiy to withdraw their funds without waiting for the "future dates."

Don't have spring fever, but certainly have spring "itch" . . . can't wait till the lovely mythical maiden gets here! Thinking of lovely girls, what better way to start today's writings than with an item about one of the South Side lovelies? Nancy Norris is the subject of this first note . . . As a youngster she attended Southwood School and now she is there once again, this time as a student teacher. Nancy's home is at 517 Frebis-av.

We send our most "potent" get-well wishes to Mrs. Huffman, 229 Southwood-av; Mrs. Ed Lemmon, Sr., 1049 Jackson-pk; Norris Dean, 33 E Mithoff-st; Preston Yates, 140 Mithoff-st; Clarence Shreve and Clarence Gillespie.

Mrs. Arthur Foster, HI. 4-0641, is district chairman; Mrs. Charles Davies, HI. 3-4422, is neighborhood chairman.

The other reminder is about the first "Nephrosis Walk" to be held Mar. 20. For any group interested in learning more about this dreadful disease, a 16 mm. sound film is available for showing. The film is entitled "Children with Nephrosis." Even if your group has no projector or operator, the nephrosis group will try to provide them. The person to contact is Marian Theado, 681 Oakwood-av, CL. 8-2967 (after 7 p.m. please).

Maybe some people think the early March winds are caused by the imaginary lion, but we have a different theory . . . they're caused by all the travel in and out of Central Ohio at this time of year! This "preamble" will use four bits of news to prove it. so-o-o-o . . . Russ Canter went to Florida last week. Harry and Ethel Hesser are in Florida, Larry Rumsey went to Chicago, and Mr. and Mrs. Oscar Jenkins should be in Columbus again after a month's stay in Florida.

Mrs. Van Buskirk, mother of Mary Leist, is once again in Mt. Carmel Hospital. She was to undergo surgery at our last knowledge of her. Cecil Smith, 312 Southwood-av, was another who has recently been a hospital patient. We hope he's well on his way to a speedy convalescence by now.

At 7:30 p.m. last evening in South Methodist Church, Mary Belle Karnes and Charles Dutton exchanged their wedding vows. Mary Belle is a South High graduate.

Don't know what this foursome does to cars, but don't ever invite them to ride in your car! A week-end or so ago, the four put three cars out of commission in two days' time! (We'll hasten to say that each time it was mechanical failure, NOT accidents. The "four jinxes" are Gerry and Edna Baughman, Roger Brown and Eleanor Jones. The four were riding in Eleanor's car the first time, in Edna's car later, so then Gerry's car wanted to get in the act! (Incidentally, it seems to us that Roger just had a recent birthday, so a "hello" to him, "jinx" or not!

Soon-to-happen birthdays are those of Billy Ringhiser, 34 W. Mofer-st, on Mar. 3, and Robert Schneider, 356 Frebis-av, on Mar. 8.

South High School's PTA meeting, originally scheduled for this evening, will be held instead on Mar. 6 at 7:30 p.m. ANY teenager in the community (junior or senior high school age) who is contemplating a college career, should plan to attend this meeting. Representatives of 16 colleges will be present to meet and talk about their schools and what they have to offer. Much time, planning, and effort have gone into this meeting, so we hope that all interested parents and "teeners" will be on hand next Wednesday.

HAPPY TELEPHONE CALL!

Yes, when Mr. W. G. Taber called the Leader office to give us some good news, we were really glad for him. You see, it was this way: Mr. Taber said he had expected it would take more than one issue to sell a Rex water heater. But on the day after the Leader came out with his classified advertisement he called to tell us to stop the advertisement . . . because he had sold the water heater quick . . . but quick, just like that! We are always happy for our friends who sell so quickly even though it costs us another advertisement. But we're used to it . . . those Leader classified ads surely do a good job. You try it with some of the odd articles you don't need any more. YOU just try it! Call HI 4-9262.

Ohio ranked fourth in the nation in the number of business incorporations during the month of January. Records in the office of Secretary of State Ted W. Brown show that records were shattered not only in 1956, breaking the annual record, but more corporation charters were granted in January, 1957, than in any previous year.

Don't forget the card party that is to take place this evening at the YWCA, under the sponsorship of 11 Trudeau Guilds. The main project of the "Trudeaus" this year is the closed-circuit television at Ben Franklin Hospital with the addition of WBFH (on Ch. 3). Patients may "sit in" on the entertainment available heretofore only for "up" patients; they may see their "under 14" children, or listen to their doctors. As far as it known, Benjamin Franklin is the first hospital in the nation to make use of this media. The guilds are furnishing the system and the television sets, so profits from tonight's project will certainly be put to a good purpose. (And incidentally, we are still in the business of finding entertainment for the patients at BFH, so if you're interested won't you call us at HI. 4-1051 Remember, you'll be on television!)

A March 2 anniversary will be that of Barbara Lee Columbro, 635 Morrill-av, and Felix Moore, 1475 Glenn-av, in the years to come. St. John the Baptist Church will be the scene of the wedding.

Bulldogs—

(Continued from Page 1)

mainly on a variety of drive-ins and long shots.

Went To Work

In the third stanza the Bulldogs once again went to work as Fowler hit his final points with six third period markers. Only the deadeye foul shooting of the Panthers kept the game from turning into a rout.

Enjoying a 20-point lead at 58-38, Coach John Colmery wisely began clearing his bench midway through the final period. The host "Cats" then made their belated stretch drive. Jimmy Bowman and Johnny Hunter led the Panthers' uprising. Bowman and the speedy Hunter each had 17 points to share Linden's top billing. Howie Millisor chipped in with 14 points for the Northenders. Four Bulldogs hit the double figures as South drew the curtain on the regular season with a workmanlike 78-66 victory.

George Devlin and Ken Fowler each bagged 18 points, while Hal Ward added 13 markers and Captain Ronnie Allen had 11. The Bulldogs were a terror at the free throw line with 21 connections on 28 charity attempts.

South's sparkling reserve quintet wrapped up a share of the City League crown by blasting the Linden J'V's 49-30. Jimmy Marshall led the "Puppies'" charge with 14 points. With popular Bob Fearing at the helm, the Reserves ran up an 11-3 season's overall record, including a 10-2 mark in league play. There were many heroes for the unheralded South yearlings, many of whom will don Bulldog varsity uniforms come next season. Paul "Tiny" Watters, Jerry Daily, and Dave Long were the powerful rebounding strength for the Jay Vees. Jim Marshall, Steve Miller, Tim Woodyard, Doug Childers and Waldo Drake all provided outside punch at one time or another.

Price of Peace

It's not peace we object to, only the nervous tension that goes with it. — Roanoke Times.

Advertisisg Essay Contest, Local High School Students

The annual high school essay contest sponsored locally by the Advertising Club of the Columbus Area Chamber of Commerce is now officially underway.

All high school students in Columbus and Franklin County public and parochial high schools are eligible to participate in the contest. This year's topic is "Advertising"—A Force for Democracy." Essays are to be 1,000 words or less. Official contest dates are Feb. 20 to Mar. 22. Essays are to be judged on originality of thought, accuracy of information, and clarity of expression.

Although the Advertising Club is the local sponsor of the contest, it is a nationwide contest put on by the Advertising Federation of America. The winner of the local contest will receive $75, a trophy, and the opportunity to participate in the national contest. The second local prize is $50 and trophy. Third prize is $25, and certificates will be awarded for the fourth and fifth prizes.

First prize for the national contest will be $500 plus an expense trip to the Advertising Federation of America Convention in Miami, Fla., in June. Second prize will be $200 and third prize $100.

South High PTA Speaker To Be OSU Registrar

Ohio State University Registrar Ronald B. Thompson will be the guest speaker at South High School PTA meeting Wednesday, Mar. 6, at 7:30 p.m.

President Mrs. Walter W. Denny of the PTA will conduct a brief business meeting preceding a musical program by the Senior Choir and Glee Club, conducted by Miss Mary Winchester.

Following the musical program the guest speaker will be introduced by President Denney, who later will participate in meetings with parents, with representatives of other colleges.

The college representatives will occupy designated rooms for the purpose of meeting with parents and students. Studtnts interested in college futures will find representatives of several colleges awaiting in the designated rooms for discussion of the merits and programs of the respective institutions. Both parents and students will be welcomed to such discussions, it was stated.

Representatives will be present from Capital University, Ohio Univtrsity, Denison; Middlebury, Vt., College, Ohio Wesleyan, Otterbeing, Heidelberg, Marietta, Ohio Northern and Ohio State University.

Hostesses for the evening will be the Future Teachers of America. Refreshments will be served after the program.

Beck Wins In Tournament

The South Side Branch Gra-Y tournament ended with three easy wins and a forfeit. Beck beat the Lincoln Park Scarlets by a score of 21 to 12 to earn the title of tournament champions before a capacity crowd of parents and students. The scoring was relatively even in the case of Beck as Jerry Hoover, Bill Weber, Bill Howard and Ray Gray each made points when they were needed. Joe Middendorf of the Lincoln Park Scarlets again played a fine game as he drew individual honors in scoring with eight points and Larry Jonas put on some fine floor play for the Scarlets.

Beck's team play was the deciding factor as they displayed good passing and floor play with no outstanding individual.

Other final games in the losers' bracket found Siebert defeating the Southwood Eagles by a score of 23 to 8, Reeb Shooting Stars beating Livingston by a score of 27 to 6, and the Southwood Panthers winning a forfeit from the Lincoln Park Grays. The Grays failed to show up to play due to a misunderstanding of the schedule.

Track Popular At Hamilton High School

The Hamilton Township High School has 45 boys out for track this year. In senior high there are about 25 boys out and junior high has 20 boys out. The senior high has six boys who were on last year's team. Their first meet this year is with Gahanna-Lincoln on Apr. 11. The track team lost only three seniors last year. Bruce Johnston, the miler; Stanley Dunegan, the 440; John Prushing, the 220.

From OG's Notes

In Australia there's been found a fabulous coal deposit, leading to possibility of quick vast increase in population in a previously almost deserted area. A sad commentary: with the increase of population two agencies of government are said, to be swamped. Know what they are? They're (1)the post office, and that's good; (2) the police station, and that's bad. With thousands of years of proof that good reason and good conduct produce good citizens and good habits, isn't it a sad commentary upon our people that the police station should be one of the most overcrowded with "business"? If we behave ourselves we have time to cultivate good thinking, followed by good conduct, and followed by happy living.

Cager Party This Evening

The South Side Branch YMCA will hold a basketball party for the South Gra-Y Leagues at Barrett Junior High School at 7:30 o'clock this Thursday evening. The party will be sponsored by the Amerigo Seniors, a men's club from the South Side YMCA.

Frank Howard, Ohio State basketball player, will be the main speaker and present awards to the team sportsmanship winners from each league and to a boy from each team who was voted by his teammates as the best individual sportsman.

Recognition of the leading taffy salesman from the Gra-Y Clubs will be made by E. P. Becker of the World Service committee, board of management, South Side Branch YMCA. Following the program, the Big Ten football of 1956 will be shown. Refreshments will be served following the movie.

Political Metaphor

To mix a neat metaphor, would you say that the house afire which a candidate starts running like is something dashed by the water which he insists on carrying on both shoulders?—St. Louis Post-Dispatch.

New Toy

We read in the "Business Bulletin" column that a new toy cow moos and can actually be milked. Probably it's just a taxpayer.—Wall Street Journal.

I have called upon Thee, for Thou wilt hear me, O God . . .—Psalms 17, 6.

Such is the complete and absolute trust in God, our Father in Heaven, of the true seeker after righteousness. He knows, and ever re-affirms, that God—all-good, all-wise and all-loving-kindness—will hear his every prayer for help, for strength, and for guidance. Of such is Faith.

'Perfect' Mark For Many At Barrett Jr.

During the semester just passed, 115 students at Roosevelt Junior High School were in their places on time every school day. In commending these students on their perfect attendance Roosevelt Principal Harold D. Washburn said "Good attendance and superior scholarship are the best assurances we have that pupils are growing toward a successful future. One characteristic of honor students is regular attendance. Being in school every day on time is tangible evidence of dependability, a characteristic every employer considers to be of primary importance."

The following students maintained a perfect record of no absence or tardiness for the entire first semester:

High School Upper Half In 'Political' Campaign

By Marge Shuler

Citizenship day sponsored by the YMCA is held every year for high school seniors in Franklin County. Each school is given two offices such as judge, mayor, for which they send representatives to hold for the day. Citizenship day will be held Mar. 7 this year and Hamilton has been assigned common pleas judge, held by Robert Leach, and juvenile court referee held by Marion Sherer. Candidates for these offices were given petition forms on Feb. 18, requiring signatures of 25 juniors and seniors pledged to support the candidate. Deadline for securing the required signers was Feb. 21. Both P.O.D. classes now will vote on two candidates out of their class to run. This will make up two parties. They will then conduct a campaign for a week. Although only seniors are allowed to run, both juniors and seniors vote by secret ballot to decide who will represent the school. Students who had petitions out are as follows: common pleas judge, Jimmy Walters, Russ Evans, Janet Lindemuth, Don Lipfert, George Berrowcliff; juvenile court referee, Shirley Baker, Chuck Juliano, John Craven, Jim Perry and Lucille Oberl

Tot Is Injured In 2-Story Fall

The boy was taken to Children's Hospital for treatment of possible chest and head injuries. He is the son of Mr. and Mrs. Malcolm J. Hamilton.

Trips Delightful

I enjoy traveling However, the traveling in mind is not a grand trip aboard a great ocean liner steaming magnificently across the seas to other lands and peoples. I grant that such a trip is glorious. But now I am thinking about the travels in our own neighborhood, especially if the area is possessed of grasses, trees flowers, moss, and many other things too often considered as of no service to humankind You see, I know better than that, because I like to travel with the insects and with little animals, and with birds, only the birds have wings and we can't travel together through our highways in the shade of a blade of grass or under a fallen leaf

Great Lakes

Take the Great Lakes, for instance I adore them, however muddy they may be I adore them because they contain some of the strange creatures of the earth They're little, as they would have to be to live, even briefly, in the tiny Great Lakes in my fairy land, in my wonder woods in my wonderland, where the bees and bugs and flies, and spiders—and O, so many creatures of the earth abide These I like to catalog with great leisureness with no hurry, because there's often but a fleeting moment when one must discover, examine, and cata-

South High's Ward Is On 'Dream Team'

Harold Ward of South High has been selected by the city coaches to the City League "dream team"

Ward stepped into the over-size shoes of 6-foot 5-inch Don Dickie after mid-year graduation to pick up where he left off on the right side of South's double pivot

Hauling down rebound after rebound and slapping tips through the silken cords at the most crucial moments gave "Big" Hal the reputation of one of the roughest players in the league

In January 1955, Ward came to South from Roosevelt Junior High to make his debut against East's top-rated championship team and has been a mainstay ever since

Ken Fowler, whom many consider the second best guard in Columbus Ron Allen and Joe Devlin placed on honorable mention, according to student reporter Norman DeVictor

Venture Club Holds Dinner An Installation March 2

Dolores McShane

Dolores McShane 710 Seymour-av is a charter member of the newly-organized Venture Club which is sponsored by members of the Soroptimist Club A venture club is an organization for young professional and business women of more than average ability and membership is by invitation only The Soroptimist Club which is made up of women who hold key positions in the city and are "their own boss" as Mrs Charlotte Petrie, public relations for Soroptimists put it, act only as advisers to Venture Club girls they make their own plans for projects

Dolores a tall redhead who is a secretary for Dr. Otis M Goodline, was a member of the committee which made arrangements for a dinner which was held at Bonkas' Provincial House Mar 2 for the installation of officers and chartering of club members.

The club's slogan which is "nothing ventured, nothing gained" is a service rather than social club This was why Dolores decided to join the club which boasts among its members many young school teachers, newspaper women and secretaries to city officials

Dolores who has been a member of several social clubs in the past, put it this way "I wanted to joint a club whose members were interested in "giving" rather than "getting" something out of it."

The club has many worthwhile projects planned for the coming year one of which is providing a scholarship for some qualified young woman who otherwise couldn't afford an education

Speaker for the program was Dr Amalia K. Nelson psychologist and lecturer who started her speech by saying jokingly, "Any one who is a member of a service club certainly doesn't need to be told how to be of service."

The vice-president of the Soroptimist Club Mrs Loretta Rhyan presented newly installed Venture Club president, Shirley Egelhoff 121 Leland-av, with a gavel a leather press book to hold press clippings, a leather briefcase for the recording secretary and to the amusement of new members, a piggy bank with the club's blue and silver seal on the back

Group Elects, Plans Picnic

The American-Hungarian grand committee of Columbus held its annual meeting at the Hungarian Reformed Church and elected its 1957 officers, with the following results: president, Louis Tokar; vice-president, John Pataki; secretary, Frank Laszlo; treasurer, John Hunyadi; auditors, John Weber and Alex Santo, and Joseph Fodor, legal advisor and honorary chairman.

The grand committee is the service group for its delegate organization members. Its purpose is to give financial aid to worthy groups and causes and to promote fraternal friendship and understanding not only between the organization members, but also between the Hungarian people and other peoples of Columbus, a group spokesman told the newsman.

It welcomes those refugees from Hungary who come to Columbus and will continue to help them become adjusted to our country and its customs and to learn the English language, Joseph Fodor of the committee said.

The committee made plans for its annual Hungarian Day picnic, the proceeds of which are used for charitable purposes, it was stated.

Let a Want Ad Sell It For You.

"What do you think of our little college town," asked the student.

"It certainly is unique," answered the visitor.

"What do you mean by unique?"

Replied the visitor: "It's from the Latin 'unus' meaning one and 'equus' meaning horse."

He: "I want to marry your daughter."

Father: "Have you seen my wife yet?"

He: "Yes, but nevertheless, I prefer your daughter."

The five-day week is not a brain child of the 20th century. The inception of the idea is attributed to Robinson Crusoe, who managed to have all his work done by Friday.

Bachelors are men who have nobody to share the cares they'd have if they were married.

Build a stronger, richer life...

WORSHIP TOGETHER EVERY WEEK!

You know the hymn—"How firm a Foundation?" Of course you do. But it's more than a hymn. To many it is a way of life.

The foundation is faith. Faith that gives every day a shining new quality. Faith that provides a strong shelter in time of need. Faith that sustains you in sickness and trouble, that makes life a great adventure, truly worth living.

One does not find faith in a vacuum. You find it as a member of a family, as a member of a community. Worshiping together every week, with those you love, with others who believe as you do—gives you a closeness, a strength to carry you through with hope and courage.

You can build a stronger, richer life—on a firm foundation of faith. Worship together this week . . . every week!

Ask Rev. Clay To Return

An invitation has been extended to Rev. D. E. Clay, 996 Wilson-av, to return for another year to the pastorate of the Wilson Avenue Church of the Nazarene

Since Rev. Clay's coming to the local church several years ago, the congregation has built a new modern edifice for worship and religious education on South Wilson-av, and the congregation has increased and is still growing, one member told the Leader reporter.

Still further expansion in the capacity of the various areas of the edifice are contemplated, it was said, the present attendance indicating that a larger space will soon be necessary.

Ministers in the Church of the Nazarene like the Methodist Church, must be invited by the congregation to return if he is wanted, and, the spokesman said of Rev. Clay, "guess he belongs to us." The bishop, it is said, usually acceeds to the request of a congregation to return the minister

Revelations Found In The Mount Of The Lord

By Rev. Henry Oestreich
Martin Luther Evangelical Lutheran Church

As we come to the Mount of the Lord to worship and bring our offerings we shall behold the glory of God, also a strengthening of the faith in God's provision. Abraham experienced the glory of God as he prepared to give his son as an offering to God. This he saw in the Mount of God. By doing God's will we shall also see how God blesses us in our life.

The federal budget for the next fiscal year calls for around 72 billion dollars, of which 8 billion is for the Department of Agriculture.

Two birds were sailing lazily over the desert when a jet plane whizzed past them, its exhaust spouting flame and smoke. As it sped out of sight, one of the buzzards said: "That bird was really in a hurry."

"You'd be in a hurry too," the other one said, "if your tail was on fire."

log (in his mind) the citizens of the shallow spots of water, and the forests which crowd in close to form a world the size of the sole of a large man's shoe.

Other Travels

Then there are other kinds of travels. One of those is found upon the pages of many treatises, erudite and unerudite, but, all filled with the richness which has flowed from the minds and thinking of strangers. Just down the Road of Time I ran across this the other day, and I want to share it with you, whoever you may be, in the hope that it will bring to you the joy that it has been in my life: This from Robert Collier: "Finding our way . . . steadily steering, eagerly peering . . . hoping for a high road to physical and spiritual safety" . . . or this from a book whose title you will instantly recall: "The Lord is my shepherd. I shall not want; He maketh me to lie down in Green pastures: He leadeth me beside still waters" . . . and there's a strain in the life to be found in these existences which remind one of "I am dying, Egypt, dying," the cry of Cleopatra the beautiful in the story of "Anthony and Cleopatra" . . . and we reach out, spiritually, in the open future and find that we need not be as hopeless as was the beautiful woman who seduced the Roman and died in the same hour as they paid the penalty for their extremes. What visions are conjured, up in the thinking of this couple—like many of the phases in my secret forests and in my little "Great Lakes." . . . and here's Nathaniel Hawthorne . . . "a stale article. If you dip it in a good, warm, sunny smile, will go off better than a fresh one that you've scowled upon."

Pick And Shovel Are Vacation Tools For Relic-Hunting Husband And Wife

Amateur archeologists, Mr. and Mrs. Ernie Good hold a cutaway illustration of Watts Cave in Christian County, Ky. The Goods, who have dug to a depth of 11 feet in the cave was unearthed many rare Indian relics and artifacts. They believe that they have discovered proof in this cave that will show that it was inhabited 10,000 or more years ago. The Goods are residents of Grove City.

Good holds an arrow that was removed from the skull of the skeleton pictured. Believed to be more than 4,000 years old, the skeleton is that of an Indian who had obviously irritated one of his contemporaries to the point of action, and was one of approximately fifty that Good has unearthed in the Kentucky cave. To the left of our deceased friend is the skull of a dog that had been buried with him.

By John McPeek

It's hard to imagine a person who by choice would spend his yearly vacation digging eight hours a day with a pick and shovel.

But with Ernie Good, who does just that, it is a labor of love.

An amateur archaeologist, Good operates an automobile body and paint shop 11 months of the year, but along about August he and his wife, Dorothy, pack up and take off for southern Kentucky, where for the past four years they have spent their vacations digging for Indian relics in a large cave near Trenton.

Recent discoveries made in the Kentucky cave by the Goods have brought archeological fame to their door. Universities, museums, archeological societies, the Smithsonian Institute, and noted archeologists throughout the country have been corresponding with the Goods since their discovery of "fluted points" (a type of spear-head) in the diggings.

These particular points, made of flint, are believed to have belonged to the nomadic "Folsom Man," a common term given to the Paleolithic man who inhabited North America 10,000 or more years ago.

No definite trace of this man has ever been found east of the Mississippi and if radiocarbon dating tests assist in establishing that these fluted points belonged to the Folsom Man, the Goods will be credited with a great discovery.

The couple are members of the Ohio State Archaeological and Historical Society. They live at 15 Civic-dr, Grove City. One room of their home is devoted to displaying their large collection of more than 5,000 relics that they have gathered through the years.

Boyhood Interest

Good first became interested in Indian relics as a boy of 13 when his father presented him with an arrowhead found in their backyard. But he feels the official start of his collection began a few years later when he traded an ancient electric windshield wiper and 20 cents to a boyhood companion, for an axhead and two spearheads. These articles still hold a special position in his collection.

Prized at many thousands of dollars the collection consists of pottery pieces, flints, spearheads, arrowheads, axheads, shell beads, odd mineral pieces, bone artifacts, skulls, and many other articles.

Some folks are so busy being good they forget they should be busy doing good.

The coffee-break is the pause that refleshes.

A judge's little daughter, who had attended her father's court for the first time, told her mother:

Dashing Yellow Jackets Clip Our South Bullddogs

South's Bulldogs joined the ranks of the tournament also-rans as the red-hot Mt. Vernon Yellow Jackets downed the Bulldogs 80-74 last Monday night before a capacity crowd at Capital's Alumni Gymnasium. Thus, South's valiant effort to write another Cinderella story into the pages of the Central District Tournament, was foiled by the keyed-up Mounties.

The defeat was especially bitter, as the Bulldogs had previously run up two straight tournament wins over Whitehall and Hilliards respectively.

Hilliards Game

Fresh from their 88-57 thrashing of Whitehall's undermanned Rams, the Bulldogs started fast against Mid-Six champion Hilliards. Captain Ronnie Allen, who netted 15 in the tournament lid-lifters against Whitehall, found the range for eight points in the opening, eight minutes as South enjoyed a 20-14 lead.

With George Devlin doing wonders on the backboards and successfully clamping down the Wildcat's Bill Bechtold, South opened a little daylight on Hilliards. Kenny Fowler opened up the outside with some long-range cannonading as the Rebels dominated the first half of play. Garv Dougherty, the Wildcat's brilliant forward, kept the Mid-Six champs in the game with some fine floor play, but Hilliards still trailed the Southerners 37-28 at intermission.

Tom Bolen connected for a basket midway in the third period to give South the evening's biggest lead at 47-35. However, for the next six minutes, the Wildcats started using their claws, and in that time they outscored the Canines 15-2. Bill Bechtold, held in check for most of the first three periods, climaxed the "Cats" rally with a jump shot to send Hilliards roaring to a 50-49 paper-thin margin.

For the next four minutes it was touch and go as each team enjoyed brief one-point leads. Hilliards played control ball the final two minutes, but in that interim missed the first try of one and one free throws on three occasions. Kenny Fowler once again saved South's neck as he pulled a daring wide-open steal with only 30 seconds remaining. Wildcat guard Bob Hall, was the victim of the theft as his coach, Perry Reall, frantically called vainly for a time out. Fowler's basket gave South a 57-56 lead, and his two charity tosses clinched matters with 15 seconds to go.

Fowler led all scorers with 24 points to go along handsomely with his 22 against Whitehall. Gary Dougherty was Hilliard's big noise with 18 markers, followed by Bill Bechtold's 14 and Johnny Kramer and Bob Hall each with 10. Ron Allen and Joe Devlin had a dozen markers apiece. The 59-56 win paired South against the Mt. Vernon Yellow Jackets of the Central Buckeye League. The Mounties boasted a great individual star in Richie Hart as the Rebels were soon to find out.

Mt Vernon Game

Richie Hoyt got the Jackets off and running with 11 points in the first period. Ronnie Allen checked in with nine points as both teams started out hot and heavy. Mt. Vernon led 22-21 at the end of the first eight minutes as the Bulldogs couldn't find the formula for stopping Richie Hoyt.

In the second period the pace hardly slackened at all as both quintets apparently liked the race horse basketball. Bruce Tramont and Roger Thompson, the Mounties' flashy back-court guards, took the pressure off of the carrot-topped Hoyt with six field goals between them in the frantic second period. George Devlin came through with five baskets in the second quarter, including a dazzling array of tip-ins. However it was Mr. Hoyt who spelled the difference as he connected on 11 of 12 free-throw attempts to help cement Mt. Vernon's 45-41 half time advantage. Ken Fowler had five baskets in the first half as South gamely battled the white-hot Knox Countians

The pace slackened a little in the third period as it seemed the Rebels found an answr to the antics of Richie Hoyt, Midway in the stanza, Mt. Vernon opened up a 57-49 lead, Led by Ken Fowler and Ronnie Allen, the Canines whittled the margin down to two points. At the end of the third period, the Bulldogs were on the short end of a 61-57 score.

With five minutes remaining in the ball game, the Bulldogs lost George Devlin on personal fouls, giving the Yellow Jackets a welcome advantage under the boards. The Bulldogs still battled, but Mt. Vernon's lead stayed between six and 10 points. With two long minutes to go, the Bulldogs suffered another bad break as Ken Fowler exited with five personal fouls. Richie Hoyt came roaring back in the last period with 10 points as Coach Houston Schloeaser's boys started putting icing on the cake with their deadly free-throw accuracy. At the final buzzer, the Jackets had an 80-74 win as they wrote finis to what could have been another Bulldog basketball Cinderella story.

Easily the finest pivotman South faced all season, Richie Hoyt led Mt. Vernon with 35 points. They included 17 of 20 from the gratis line, a truly remarkable performance under tournament pressure. Bruce Tramont, the bespectabled Mt. Vernon guard, checked in with 18 points, and Roger Thompson had 13 tallies. Captain Ronnie ended his long and varied basketball career with probably his finest performance. The crew-cropped senior connected for 23 points to lead all Bulldog scorers. Allen had nine of 11 free throws, including many under tight pressure-packed moments. George Devlin was a shining light for the Canines with 16 points, and his under-the-boards work left nothing to be desired. Although not his best performances, by his own standards, Ken Fowler did an acceptable job with 15 points. The speedy Fowler can look forward to next season with great pleasure as he returns for a full year's eligibility.

In the statistical department, the Mounties from Knox County also held the upper hand. They connected on 25 of 35 field goal attempts for an amazing 45 per cent. South had 26 baskets in 84 tries for 31 per cent. At the free throw line, South had 21 conversions in 32 attempts, but the Mounties made a remarkable 30 out of 40.

Thus ended the Bulldogs' basketball season, certainly not one of the best in their recent history. An early season snag was snapped as South found the winning combination with the season about two-thirds old. Possibly the high point of the Canines' schedule was their 54-49 win over the East Tigers on the Bengals' own court

However, Don Dickie's mid-year graduation cost the Bulldogs valuable ground in the City League race. Two hearbreaking defeats to West and Aquinas could have demoralized other teams, but the Bulldogs showed great courage in the recent district tournaments. The overall season's record was 11 wins against 10 losses including 6 wins and six losses in City League play. Hal Ward, the Bulldogs steady pivotman, was honored with a place on the All-City squad. George Devlin, Captain Ronnie Allen, and Kenny Fowler, all received honorable mention

Auto Engineers Give Barrett Pupils Peek Into Future

At an assembly in the afternoon of Thursday, Feb. 28, Barrett Junior High School students were given a science preview, presented by two young men from an automotive manufacturing company. With a good script and a good trunkful of material the visitors showed a sample of synthetic rubber coming out of the pop bottle where it was made, a car powered by sunlight, a really cold stove which really fries an egg, although the scrambling was by hand, a jet turbine and jet power radio, modulated by gratings. They drove nails with bottles and later broke the same bottles by dropping small pieces of abrasive inside.

Apparatus was simple, with few working parts. Explanations were clear. If the principles were difficult, the applications were easy and interesting. The purpose of the program was to bring more young people into science and engineering studies and employment.

At a pay (15 cents) assembly on Monday, Mar. 4, the McCrae Marionettes gave a performance of "The Sleeping Beauty." The Barrett audience gave generous support to the program of pay assemblies by buying tickets attending and applauding.

Tomorrow, Mar. 8, the World Day of Prayer assembly will be held as a "contribution toward the betterment of the state of the world." Mrs. Lillian Casey will be in charge of preparation and presentation of the program.

Two men were discussing their status in life. "I started out on the theory that the world had an opening for me," said one.

"And you found it?" asked the other.

"Well, rather," replied the first. "I'm in the hole now."

Hold your horses . It was uncontrolled horsepower that caused half of last year's traffic fatalities.

Mercy Hospital In Amazing Polio Vaccination Job

Because of the impact of the thousands who wanted polio vaccination during Polio Week at Mercy Hospital Mar. 4 to 8, Superintendent Charles B. Beard and his associates developed a "team" spirit and had a "league of consecrated workers," he said.

There was jubilation in the hospital's personnel group as they were deluged with what turned out to be a total of 4,500 persons vaccinated against polio. Superintendent Beard paid high tribute to the professional and non-professional members of Mercy Hospital staff, some in the routines of the hospital moving up to take over responsibilities to release the trained professional staff members for the important work of vaccinating the crowds which at times almost swamped the hospital.

The team work evident in the entire staff, the superintendent said, led to the establishment of a "game" wherein score was maintained as in sports.

The magnitude of the job done by hospital medical men and the hospital staff is indicated by comparing the sizes of the several hospitals participating in the free vaccination program. Mercy, with 95 beds, Supt. Beard said, gave a total of 4,501 vaccinations, and it is the smallest of the hospitals in the city.

"Team" Standings

Hospitals	Shots Given
Mercy	4,501
Mt. Carmel	2,395
University	2,148
St. Anthony	1,506
White Cross	1,756
Children's Hospital	1,306
Grant Hospital	1,007
St. Ann Hospital	[illegible]

This accomplishment was brought about by the entire Mercy personnel, who displayed great team spirit in its desire to make the vaccination available to all South Siders who cared to "come get them," one of the nurses told the Leader newsmen.

Vaccinations were given under the direction of Columbus Academy of Medicine members who are on Mercy's medical staff.

Wednesday, the team worked until 9:30 and gave 1,722 shots. The hour of closing on this date was 8:30. When Miss Myra Freet, R.N., director of nurses, asked her team at 8 o'clock what they wanted to do, they immediately said, "If people want these shots for themselves and children badly enough to stand in the rain and cold we'll stay until the last one is cared for," and that exemplified the team's spirit throughout the week, the superintendent said when he was asked to make a statement for publication.

Statement

"As in football the linemen seldom get full credit for the great work they do, our team had a parallel situation. The glamour members of the team were the nurses who gave shots and were in direct contact with the public. They, of course, did excellent work, but we must not forget the workers in the sterile supply room who kept the sterilized needles and hypos coming. Each unit of course, could be used only once, and then had to be steam sterilized in the high pressure sterilizer, filled with vaccine, and delivered to the clinic in a sterile condition."

He Continues

"It should be remebered that the hospital's function throughout Polio Week had to be geared to its usual efficiency and the vaccinations were an extra program and could not interfere with regular patient care. The vaccination clinic was staffed with volunteers who had completed their regular day's work and offered their services to combat polio." He also paid high tribute to Mercy Guild women.

The Follow-Up

There are to be other vaccinations, of course, since the successful vaccination depends upon each person having the full quota. The second vaccination will be announced soon, and it is hoped, one physician remarked, that everyone who came for the first vaccination will return for the completion of the "shots." Authorities suggested that the Leader stress the fact that all of the shots are necessary for both young and old—the recent first "shot" can't "carry the load" by itself.

The Leader will announce the next vaccination date soon.

Good Signs

Two South Side High School students are entitled to recognition. It is a pleasure to give this recognition. One of these is Bob Goldstein, a senior, who has kept Leader readers "on their toes" with his thrilling accounts of football first, then basketball. I called him to tell him his work was excellent and that I looked forward to see him writing in "big time"—and he belongs to that group. Darn him! Know what? No, of course you don't, unless you are fortunate enough in having his acquaintance. He told me he was not going into journalism, sports or otherwise. What is his future? Simply, he says he will be a pharmacist, and expects to enter OSU to study for that field. Guess we need more pharmacists, but I'm sorry to see the need take a star sports reporter. Then, there's . . . but we'll wait for her recognition next week.

In The "Big" Paper

Recently The Leader had to share its own Tom Sharp with the wide, wide city. An indefatigable South Side Leader display advertising expert, Tom is a member of the Southeast Lions Club and also a member of the Steelton Merchants. But, more than that, Tom is president of the Steelton Merchants. He deserved the write up given by the downtown afternoon newspaper. We add:

Tom is married . . . a lovely lady is Ruth, plus two young fellows Sharp. The Sharp home is at 968 Chestershire. If you are in business needing advertising you need "sharp" advertising prepared by Tom Sharp!

Third Parent Study Group To Meet

The Parent Education chairman of Southwood School PTA, Mrs. Ray E. Conkle, has announced that final plans are being made for the third Parent Study Group meeting, to be held Mar. 21 at 8 p.m., in the Southwood School auditorium.

Miss Doris Ferrel, director of the Juvenile Center, 50 E. Mound-st, will be the guest speaker. She will speak on the topic, "Getting Tough Doesn't Help." Following the formal presentation there will be a discussion period in which Miss Ferrel will answer questions pertaining to the topic.

Refreshments will be served during the social hour following the meeting, according to Mrs. Paul Mason, publicity chairman.

Golden Age Club Is Being Formed

All senior citizens (60 years of age or older) are invited to Schiller Recreation Center on Wednesday, Mar. 20 at 1 p. m., according to a Schiller announcement this week. This meeting is for the purpose of forming a club for the people of the South Side who are in the golden age of life but still young in heart, the announcement said.

"Anyone 60 or over who wishes to add life to his or her years is welcome to attend and help plan a program of interest to senior members of the community in some new path of activity," it was stated.

Barrett's Principal Takes Leave For Schooling

School will be out early this year for the principal of Barrett Junior High School, Robert L. Nash. The Barrett principal is shedding his role of administrator to become a pupil again. He is taking a leave of absence for the spring quarter to continue work toward his doctorate.

The Barrett executive has been working for the past four years toward the degree of Doctor of Education at Colorado State College in Greeley, Colo. All his previous work has been done in the summer months, but in order to qualify for the degree, he must fulfill certain requirements this spring. Tomorrow, Friday, Mar. 15, will be his last day at Barrett until his return, May 27.

During the principal's absence, Thomas Quick will be acting principal of Barrett. The acting principal is well known in the community, having served, until the recent consolidation, as executive head of the Marion Franklin school system. He lives at 1211 Woodrow-av and is a member of the Southeast Lions Club. Concerning his new responsibility, Quick expressed pleasure that he would be of service to the South Side community during Principal Nash's absence. "I will be happy to work with the fine staff of teachers at Barrett," he said.

Child Study Is Official's Barrett Theme

Dr. F. Reichelderfer, assistant superintendent of child study and student counseling, board of education, will be the featured speaker next Thursday evening, Mar. 21, at 7:30 p.m., at Barrett Junior High School PTA meeting at the school.

A short business meeting will precede the address, according to Mrs. Richard R. Chambers, publicity chairman.

The occasion is Father's Night, the publicity chairman said, and in observance of this the junior band will give a brief concert, under the direction of H. L. Germain. The boys' glee club will sing under the direction of Andrew Denman.

B. F. Prehm Commander

Bernard F. Prehm, 349 Siebert-st, is the newly-elected commander of Howard M. Harrison Post 180, Veterans of Foreign Wars.

A ticket agent at the Union Station for many years, during W.W. II, he saw service as a sergeant in the 105th Infantry, 27th Division, in the South Pacific campaigns.

Max J. Visocnik, who served with Prehm in the same outfit, was elected quartermaster for a seventh term.

Other elected officers are Fred L. Mertz, senior vice-commander; David Lackey, junior vice-commander; Donald W. Hickle, judge advocate; Carlton Wallace, chaplain; Harry M. Fitzer, surgeon; and the retiring commander Edward F. Cook, three-year trustee.

Details Ready For 'Backward' Ball At S. High

South High School's "Backward Ball" details have been completed, according to Patty Trumps, and is "expected to be one of the best social activities of the school year." The event's date is Mar. 15.

For the "Backward Ball" the girls invite the boys, furnish "corsages," and pay all expenses. Round and square dancing will be the order of the evening.

South High Philo Society Plans 50th Anniversary Celebration March 22

Members of the South High School literary society, Philo, are making plans for a 50th-year reunion banquet to be held Mar. 22 at 6:30 p.m. in the Gold Room at the Fort Hayes Hotel.

Mrs. Francis Gallagher, formerly Doris Clickinger, a member of Philo and a South High School graduate of 1932, will be speaker for this occasion.

Fifty years ago a handful of sophomore girls attending South in the building which is now the present Barrett Junior High School, founded a literary group under the leadership of A.C.D. Metzgar.

It Was Named

In quest of a suitable name for the club, Miss Susie Spence, who is now Mrs. Susie Shook, came up with Philomatheon, a Greek word meaning "love of learning."

As the years passed, Philo grew in strength as well as in number, its goal, "as long as life is mine, I will do my utmost to keep an open mind without which no learning ever takes place," has served as the beacon light for Philomatheon girls throughout the years. Harriet Daly Collins, a club member who graduated from South in 1912, wrote the Philo song, which has, like the club itself, come to become a tradition at South.

Today, the service club boasts a membership of about 75 girls. The present sponsors are Mrs. Florence Belcher and Miss Mary Gaal, who was also a Philo member and a South High graduate. Spurred on by the September officers, Marilyn Wilson, president; Jo Stonerock, vice-president; Stacey Skufis, secretary; and Becky Rowley, treasurer, the plans for the Philo reunion were laid. The present officers have been working hand-in-hand with various committees in making final preparations for the banquet.

Reservations may be secured by contacting Barbara Hoover, 350 Molter-st; Carol Guyton, 3429 E. Livingston-av, or Patty Trumps of 162 Innis-av.

Clover Athletic Club Basketball Team Ends Season With 99 Per Cent Wins

Southside's Clover Athletic Club basketball team has completed its season with a record of seven victories and one defeat, according to Bob Carroll, manager, and Earl Smith, coach. The team is a member of the Sunshine Senior League, the officials said, and it operates under the Columbus Recreation Department. The boys range in age from 14 to 18 years. Pictured above are, left to right, front row, Clyde Chaffin, Rick Randazzie, Dave Spanner, Richard Marvin. Standing, left to right, Bob Carroll, manager; Jim Foulk, Larry McCaffrey, Craig Olney, Carl Berke, Earl Smith coach. Leading scorers were McCaffrey with 99 points and Jim Foulk with 81 points.

Dance March 19 For 'Help' Funds

Auxiliary No. 6 of United Cerebral Palsy will hold its March meeting Tuesday, Mar. 19, at 8 p.m., at the home of Mrs. Jerry Caldwell, 996 S. Champion-av. Further plans will be discussed concerning a square dance to be sponsored by Auxiliary No. 6 on May 16 at the K. of P. Hall, with Jim Wagner calling.

Tickets may be purchased from any Auxiliary member, and anyone desiring further information about either the dance or the group itself, which is a new organization, may contact either Mrs. Al Krelic at BE. 5-5837 or Mrs. H. R. Lewis, BE. 1-6248.

Livingston PTA 'Night' Plans Are Readied

One of the largest groups of workers in behalf of a special Livingston-av PTA show is that which is preparing for the Fun-Frolic Night at the school Friday evening of next week, according to members of the organization.

Ticket sales have got underway, it was said, and a capacity crowd is expected to be on hand Friday evening, Mar. 22. Preparation was said to be proceeding for a record attendance at the roast beef dinner to be served by the ladies beginning at 5:30 p.m. There are to be specials for the children—things "right after their own hearts," it was said.

Heyl Avenue School now has four new life members of the NEA. They are Miss Barbara Jean Rannebarger, Miss Virginia Lee Breon, Mrs. Rebecca Moore, and Mis Dorothy Levengood, principal of the school.

Didn't mean to slight a fine little friend of ours last week, so belated birthday greetings to Mary Beth Whitacre, a 15-year-old since Mar. 6.

Mary and Martha Circles of Gates Fourth Methodist meet today at 10:30 a.m. in the church

Our sympathy to the family of Mose Baker, a Barthman Avenue resident for many years.

Some of the nicest people seem to have March birthdays so "howdy" to Isabelle Coslett, 504 E. Morrill, and Ethel Weber, 3266 Groveport-pk.

Women of the Fellowship Class of Southwood Church of Christ will be hostesses to the men of the class tomorrow evening at 6:30. Baby sitters will watch the small fry, so "Mom and Pop" can eat with minds at ease

Winning All-City Honors is a big thing in a young man's life, so we imagine these "teeners" were treading the clouds last week. Junior high basketball players so honored were Gerald McGee, Mohawk; George Crow, Barrett; Mike Boyer, Roosevelt; Ken Karnes, Barrett; Emmett Andrews, Roosevelt The high school representative from South was Hal Ward.

Another item from a member of the church is concerning a teen-ager, Ronnie Berger, a South High student. Ronnie has been nominated for an office in the Youth Fellowship in the national organization. The best of luck, Ronnie! Ronnie resides at 815 S. Sixth-st.

March 19 is the candle-and-cake day for Carol Nolan, 636 S. 22nd-st, and Sharon Dunkle, of 93 Frebis-av. Mar. 18, vivacious Lynn Chambers, 121 E. Whittier-st, celebrates her special day. Two fourth grade Southwood pupils with birthdays are Frank Szuk, Mar. 17, and Barbara Johnson, Mar. 23.

Emma Smith Circle of Reorganized Church of Jesus Christ of Latter-Day Saints will meet this evening at 8 o'clock in the home of Mrs. William E. McLaughlin, 800 E. Stewart-av.

Since many of the recent South High graduates would know him, we're sending a message to them through this medium anent "Marty" Pehrson. Marty discovered he was playing host to a TB germ, so is now hospitalized at Benjamin Franklin Hospital. He is quite a sports enthusiast, bowling and baseball in particular are his forte, so the inactivity is a little hard for him to get used to. The twenty-year-old lad would be pleasantly surprised, we know, to hear from friends, neighbors, or well-wishers, so won't you send a message to him? Hospital room number is 114 North, Benjamin Franklin Hospital. Marty's home address is 541 Siebert-st.

South High co-eds will reverse the usual order of things tomorrow night at their Backward Ball. They will do the asking for a date, pick up their boy friends, present them with "unflowery" corsages, and pay their admission fee. The boys "have it made" tomorrow.

Belated birthday greetings to "Grandma" Siebert, who was our next door Morrill-av neighbor for years, but who now resides in Middleport. Her natal day occurred Mar. 9. Mar. 8 was also the anniversary date for Gerry and Paul Baughman, 1575 S. Sixth-st, so best wishes to them, also.

Thurman Avenue Church Circles that held meetings this week were Elizabeth and Ruth, both yesterday; Mary Circle meets at noon today in the church for a dessert luncheon and white elephant sale.

We were sorry to hear that Bonita Metzger has been on the ailing list recently and hope this week's "output" finds her feeling up to par again.

Dorothy Spiker, 87 Southwood-av, celebrated a new age Mar. 10.

Trudeau Guilds have lost an indefatigable worker since Betty Homer moved from the state. May we suggest guild members drop her a card while she's new to Michigan and getting acquainted? Her new address is 177 Catalpa-av, Benton Harbor, Mich.

That does it for this week . . . phone's still HI. 4-1051, and we're still . . .

Sun Plus Rod Equals Spring

IT'S THAT TIME AGAIN! Ray Theodo of Reynoldsburg just couldn't wait to fish in that old favorite spot. He is shown above with rod and reel in the Big Walnut creek at Lockbourne-rd during last week's warm spell. Although this particular spot is one of Theodo's favorites, the fish weren't biting. "Water is probably a little cold yet," he commented, and went right on casting. Who cares, it's that time again.

Dear Son

By Joseph Martell

Chittlin' Switch
Monday Afternoon

Dear Jason:

I'm on the outh with your Paw. Last week we had an argument when I wouldn't dip into the egg money to let him go swill a few down at the Bon Ton Cafe. I told him he was driving me to my grave. In two minutes he had the old Ford in front of the house.

Things have been rather slow here around the Switch. That young boy you used to run around ith Vernon Stronk from Beaver Gulch, got arrested last week because he was a camera fiend. I thought it was funny they'd arrest anyone who had a hobby for taking pictures but come to find out, Vernon took cameras.

The bathroom set came the other day that we ordered from Sears but the company must have made a mistake because after we set the tub and and the rest of the stuff up we seemed to have a piece left over. Well, we took this extra piece off the hinges and the flat part I used for a bread board and the round section we framed Grandmaw's picture.

That parrot you sent me will be the death of me yet. His language is not the best. Mrs. Poozer has a girl parrot who prays all day long so I figured that if I put my parrot in with hers, maybe he'd learn how to be polite. Well, as soon as we put him in her cage he shouted: "How's about some loving, honey!" Mrs. Poozer's bird shouted back: "What do you think I've been praying for?"

A couple of weeks ago I wrote you that Adrenaline Slodge's husband died very suddenly. Addie took it pretty hard so the preacher paid her a call yesterday to comfort her. When he got there he found her drinking heavily and was in an extremely happy mood. He was very surprised and asked her if the bottle she held in her hand was the sole comfort she could find in the loss of her husband. She answered: "Nope, there is a dozen more bottles up in the cupboard."

I happened to mention to that snotty librarian, Maude Flange, that you were going to sea soon and maybe get as far as Egypt. She told me to tell you if you did get there to be sure and see the Sphinx. I told her if you didn't get a chance to see them you'd at least call them on the phone.

Your loving,
MOM

Builders Club Composed of Young Men Interested In Giving Service

Left to right, seated are Bob Kates, Paul Barnhill, Paul Goetz, Paul Gage; standing are Don Yoakam, Ed Boquist, Jack Pennell, Dan Gwyn. Absent are Dave Hussey and Don Phillips, club adviser.

The Builders Club is a youthful South Side organization composed of young men attending college at OSU or Capital University. The club works in conjunction with the South Side YMCA for the betterment of the South Side community, and other worthy causes.

The club now has 10 active members and five inactive members who are in the service. Those in the service are Carl Gerhard, Don Shaffner, Charles Doersom, Joe Glick and Frank Lake.

The club's motto and purpose is "to live for Christ through serving man." The name "Builders" has been selected to stand for the building of good Christians and citizens within our community and country.

During the past year the club sponsored a hay ride, with the proceeds going to the YMCA's community park fund. During the Christmas season the members presented a large basket of groceries to two needy South Side families. And just recently a paper drive was held to raise money for the YMCA's world service program.

The Builders will hold their second annual square dance on Mar. 23. The dance will be held at Y-Park from 8 to 12 p.m. The donation is $1.25 per couple, with refreshments included. Jim Wagner will do the calling. For tickets and additional information, Paul Gage, HI. 4-8543, may be called.

Water Safety Course Slated; Summer Instructors Needed

Franklin County Chapter of the American Red Cross will hold a water safety instructors training school at Ohio State University starting Mar. 22, 7 p.m. Men and women 18 years of age or over, who have successfully completed their senior life saving within the last three years, are eligible.

The training school will be under the direction of F. E. Uncles, assistant director of Safety Services for the local chapter, with eight water safety instructors assisting.

Those successfully completing this school will be qualified to teach swimming and life saving courses. This training will be valuable for camp directors and swimming pool operators in their aquatic programs.

Also, the local chapter of the Red Cross is in need of volunteers (both men and women) to help teach during the summer months. The Red Cross is taking registrations for this training institute at headquarters, 995 E. Broad-st, CL. 3-8511. Registrations are also being taken for instructors in canoeing or boating safety courses in May and will be open to good swimmers, 18 years of age or over.

For further information contact Red Cross headquarters.

Farm Bureau Committee Has Briefing On Area Problems

The legislative committee of the Franklin County Farm Bureau and 11 advisory council representatives met with Henry A. Koontz, county commissioner, recently to discuss some rural area problems.

Three main items were discussed:

Police Protection

Koontz informed the group that, since its meeting with him a year earlier, another cruiser has been added to bring the total sheriff's cruisers to five. Representatives from all areas in the county agreed that police protection is nearer adequate now than it ever has been. The possibility of area sub-stations was suggested and will be considered.

Sanitary Dumps and Dumping of Trash

The commissioner said that the possibility of locating more sanitary dumps is being explored and that one land-fill is presently operating on Alum Creek-dr. Trash barrels along highways were suggested as a means of reducing trash littered along highways.

Effective System of House Numbering

Southeast and Northwest areas of the county are without effective systems of house numbering. After discussing the subject with Koontz, the group decided that the Regional Planning Commission should be asked to begin work on this.

The following persons attended the meeting, representing the legislative committee and the advisory councils: Northeast, John R. Shockey, George Cooper, Robert Goodrich; Northwest, George Purdum, Lowell Durban; Southeast, Grant Harden, Franklin Smith, Carl Schacht, Harold Schacht, LeRoy Kunlwein, Donald Klamfoth; Southwest, Richard Densmore, Harry Linebaugh, and William Bettinger.

WEEKLY BIBLE THOUGHTS

Margaret Simons
3411 Refugee-rd

QUO VADIS? An old phrase—but a sobering question. In what direction are you headed—if all your days are measured by what you did today? "Where thou goest, I go." (Matt. 28-19: 20)

A bank recommends a safe deposit box for your valuables. Deposit both your "Will and Deeds" in the will of God—then keep changing your will to deeds. (Luke 9: 57-62)

When we seek God's best, we should always be "trying"—just "up and do." We can keep our Promise to God, for He stands ready to help us. He gives us grace and strength to overcome the pull of the "I can'ts." (Psalms 118: 24).

To vary pancakes add about ½ cup of well drained, crushed pineapple and a dash of ground cloves to the batter just before cooking.

Interest Upped By Leather Work

Special sessions in crafts at Schiller Recreation Center are growing in popularity particularly in leather tooling, aluminum tooling, and in the art of making flowers from wood fibre. These classes are held Monday and Tuesday evenings and are open to teenagers and adults. Next week's work will be on bill folds and coin purses.

In the afternoons the basic crafts are taught to boys and girls of pre-teen age. They are making crepe paper raffia baskets, pot holders, bracelets, lanyards, tooled aluminum placques, and other articles which the younger boys and girls are able to complete in one session.

Each Monday and Tuesday the craft room is open from after school until 6 p.m. for the pre-teen age group and in the evening from 7 until 10 p.m. for the teenage and adult sessions. Mrs. Thora Gatwood, arts and crafts instructor, will be on hand for both periods on each day to help those needing it, and to give instruction to newcomers to the group.

How Much Should A Funeral Cost?
• THIS IS A question which we hear every day—and the answer is not at all difficult or embarrassing. Each family has its own set of circumstances which, properly added up, supplies its own answer. We are always glad to talk frankly about costs—ours and yours — and to give our advice when asked. If you have a problem of this kind why not drop in and talk about it. We'll try to give you all the facts.

PRUNE THE FRUIT TREES

What to do with the fruit tree in the backyard is a problem faced by many backyard gardeners at this time of the year Proper pruning is one of the most important jobs in your garden at this time of the year. It is not too difficult, but a certain amount of thought and skill is needed to get the best results. Pruning tends to make it possible for the tree to give maximum yields of fruit over a long period of years.

The proper time to prune is during March and April while the tree is still in a dormant stage, and long periods of extreme cold weather are not likely to be encountered. Trees pruned in the fall or early winter may suffer serious winter injury.

There are a number of different tools which are used in large orchards to do the pruning, each with a special use. For the home gardener, however, not all of these are necessary. There are two which are really necessary. First is the hand shears, used in making small cuts on twigs and branches. A small narrow bladed hand saw is the second tool, and can be used for making any larger cuts which cannot be handled by the hand shears. A third tool, which would be desirable, although not absolutely necessary, is the long steel handled lopping shears. This tool makes the job of cutting larger limbs much easier. With these tools the average person can do an acceptable job of pruning.

A well pruned tree will have strong, well spaced "scaffold branches" coming off the main trunk of the tree. There will be no interference or rubbing of smaller branches against each other at any place in the tree. Pruning tends to keep the tree from becoming too tall and "leggy" if the proper cuts are made.

Removal of large branches is referred to as "bulk pruning," and "detailed pruning" is the removal of small branches to thin out the tree. "Heading back" cuts are used to remove the terminal growth of a branch back to a lateral branch.

You should make all cuts smooth and flush to the limb from which the branch was removed, leaving no stub which will decay and allow disease to enter the tree. Pruning should be done with the minimum number of cuts to obtain the desired results. Few "bulk cuts" will be necessary on a well cared for tree.

FERTILIZE NOW

In Ohio, nitrogen is the only nutrient elements which is not provided in adequate amount to the trees by the soil.

Apples and plums need one-fourth pound of nitrate of soda per year of tree's age. Then, an eight-year-old tree would receive two pounds broadcast out around the tree.

Peaches and cherries need one-third pound per year of age.

Questions of general interest will be answered in this column. Write the question on a postcard with your name and address and mail to "THE GARDEN SPOT" J. R. Mills, Franklin County Agricultural Ext. Service, Room 317, Old Post Office, Columbus, Ohio.

Extremely tall vases and similar objects are most pleasing in a room when they are on or below eye level. They should not be placed on high surfaces, such as the top of tall shelves or bookcases.

Ohio State To Hold Ag-Career Conferences

Franklin and Madison County high school juniors and seniors may attend the annual series of career conferences sponsored by the Ohio State University's College of Agriculture Mar. 21 at 1 p.m. in Room 111 of the new Agriculture Administration Building at the university.

Representatives of the university will discuss careers in agriculture, home economics and related fields with the students. Chester S. Hutchison, assistant dean, will be in charge of the Columbus area meeting.

Time For Shamrock Ball; It's Set: Friday Evening

It's time for "Shamrock Ball," according to the publicity department of the Barrett FTA—they are the Future Teachers of America, you will recall—at least they are some of them.

Because "that time" has arrived for the famous ball, the Barrett Future Teachers of America have announced that the ball will be a happy fact this Friday evening at 7:30. The dance will continue until 10 o'clock. That will be "going-home" time one of the promoters of the ball said.

Barrett and South High band students will consolidate to provide a combination band to make music for the occasion, it was announced, and several FTA members will entertain with dance and song.

The inevitable king and queen, it was said, will be crowned and will reign over the festivities of the evening. Treasure hunts and other games will make up the entertainment for the evening.

Because the committee asked tha. this appeal be made by the South Side Leader "to help things along," the newsman quotes as follows:

"The committees having planned gala decorations, awarding of prizes and refreshments, it is hoped many will attend."

Each year Southway Post No. 144 and Auxiliary sponsors a patriotic essay contest in the schools of the South Side community. This year the subject assigned was "Patriotism in Modern America." The winning papers from the local contests went to a state contest, where Kay's paper was a winner. A winning boy from the same contest is Charles Hegenberger of 754 S. 17th-st, a South High School student.

The prize for each winner at the state level includes a nine-day all-expense-paid trip to Washington, D. C., and other points in the East, with other winners, and accompanied by Ohio Department Legion and Auxiliary officials. For this they are excused from a full week of school attendance. At a Southway Post meeting, Mar. 20, both winners received gifts of luggage for the trip, in appreciation at the community level of their efforts in the essay contest. Post Commander Kochensparger made the gift presentations.

Presenting . . .

Miss Patty Trumpal

Patty is the daughter of Mr. and Mrs. Charles Trumps, 162 E Innis . . . a happy-minded girl who still adores the excitement of accomplishment . . . like, for example, writing about South High student affairs for the South Side Leader. She is a good writer, a good student, and is planning a useful life. Patty wants to attend OSU and major in journalism, including advertising — I wonder, does the girl have mercenary motives? . . . Patty will graduate in January or February next year . . . and she hopes for a scholarship to add to her earnings, and she DOES have plans for adding to whatever normal income she may have from scholarship and not "so odd" jobs. She's going places!

Beauty Abundantly

Usually we stay within our own bailiwick on "news" items. An exception is made here. It's about the Nineteenth Annual Spring Rose Rally, Plumb Hall, OSU Campus, Mar. 22, 8 p.m. I am told that the South Side has considerable representation in the field of Roses in Columbus. So, you who are interested, and may your tribe be unlimited, let's attend the pruning and planting demonstrations at the Columbus Park of Roses Saturday, Mar. 23, 1 to 3 p.m., and plan for Beauty Abundantly.

Mohawk's PTA Show Has Foundation In A British West Indies Port Setting

A scene in Trinidad reproduced by members of the cast in rehearsal scene in auditorium of Mohawk School. Pictured above, left to right, are Mrs. Franklin Claffey, George Simmons, Mrs. Henry Ott, Mrs. Jack McGee, Mrs. Carl Diefenbach, Mrs. Benjamin Reeves, Mary Wagner. In front are Ruth Ellen Simchia and Catherine Wright.

Should the variety show for which so many people are diligently working and which will be "on the boards" Friday evening, Mar. 29, measure up to the effort being put into it, Mohawk School patrons should be very well satisfied — as, of course, they will be.

The show will be in three sections, according to Mrs. Eugene Lifkin, publicity chairman, and Mrs. Franklin Claffey, general chairman, who have assured all that the show will be of a high order. The first section will be vaudeville acts from the school and Sherick's Dance Studio and outside talent.

The second section of the show will be a short play by the PTA executive board. Then, the third section: Calypso Capers from Heartbreak Hotel in Trinidad when the cruise ship U. S. Mohawk docks.

Every student is a ticket agent, it was said. Each ticket will cost just half-a-dollar. The show starts at 8 p.m.

Truly Backward

Patty Trumps Describes S. High's Backward Ball

By Patty Trumps

Blue and yellow crepe paper streamers adorned South High School's auditorium and a backdrop sporting a typical barnyard scene extended from the ceiling as dungaree-clad students eagerly gathered for South High School's annual Backward Ball, Friday, Mar. 15.

Complying with the rules of the dance, members of the fairer sex had swallowed their pride to ask their favorite beaux for a date. The boys took a vacation as southern belles bought the tickets, made corsages, and in many cases picked up her date.

In the Barrel

After climbing through a barrel at the door, the girls escorted their dates into the auditorium, where square dancing held away. Soon came the much-awaited moment when the corsages were to be judged and the boy sporting the winning creation was to be crowned king.

Don Ball was named king for his corsage, judged on originality and versatility. It was made by Mary Beth Whitacre. Shaped like a heart, her corsage was adorned with radish roses and a flowing gold ribbon, imprinted with her date's name.

Recognition was given Dick Schumacher and his date, Patti Lowe, who ran a close second in the contest, and Howard Burdett and Julie Warner, who placed third.

Another main attraction of the dance was the talent show, Emceed by Paul (Tiny) Watters, it featured vocalists Joan Haley and Sallie Jester and the Concords, a quartet made up of Barbara Hoover, Judie Farley, Marcia Lipson and Judy Herrel. Jack and Gene Speakmon played guitars and sang, and Bob Merriman joined them in a comedy act.

There will be a business meeting, nomination of officers, and a film, "Highlights of Ohio," narrated by Lowell Thomas and shown by Principal Paul Lindquist of Stewart School.

Following showing of the film there will be a period of community singing.

Tickets will be available at the meeting that night to the annual Festival of Music to be given Friday, Apr. 5, at 8 p. m., at Central High School. Admission will be 70 cents. The Festival of Music is sponsored by the Columbus Council of Parent-Teacher Associations.

The Power Of An Argument

Pioneer Period Petticoat Argument Changed Name

Familiarity, even though it be casual, frequently obscures interesting facts concerning the history of either person or place. This is the situation in relation to the area known as Marion Township—or which was Marion Township prior to the annexation a few months ago.

Varied Answers

Asked the origin of the name of the area, several people who had lived in the area for many years, as had their forbears, offered several possible reasons for the name of the area. Many of these were guesses in the realm of Government assignments of land to pioneers early in the country's history, some thought that the name had derived from an Indian action or name. One suggestion which had a number of subscribers was that the name of the area was the result of a lottery. Most, of course, simply "didn't know."

Was Growth Result

Actually the naming of the area was a sort of growth, according to a study of the history involved in the area. The naming of the area was tied up with events recorded in a special feature in the South Side Leader issue of May 10, 1956.

That feature dealt with the coming to this area of William Merion, whose brick home was built "in the country" west of S. High-st and south of Moler. William Merion, soon after coming to this area in 1808, began building for the future. Prior to coming here from Massachusetts, Merion purchased 1800 acres of land, including the spot on which later he located the brick house which still stands and is occupied, and covered the area runing to what is now Lockbourne-rd.

Natural Result

It was natural in a thinly populated area that the name of the man who owned so much land should come to have his name attached to the ownership. And it was so in this instance. It was known as "Merion's" (spelled with an "e") land. And it is at this point, which was much later than Merion's coming here, that the name of the area until recently known as Marion Township had the spelling of its name changed.

Two Petticoats

A story of a dispute over a petticoat, handed down generation after generation and known to relatively few, is believed to explain why "Merion" became "Marion." There are several versions about the undergarment and much disagreement. But it seems likely that the essentials of the story are correct.

In the story it is related that two sisters (one version says they were Merion's nieces) visiting in a relative's home, hung their petticoats on a line to dry in the sun. Then, according to the story, there arose an argument over which petticoat belonged to which of the two women

Changed the Name

The result of the argument, which seemingly ended the friendship of the two petticoat owners, was that one of the women and her side of the family, embittered over so small a thing, changed the spelling of the family name from "Merion" to "Marion." Thus, it was said, the recent Marion Township had its spelling because a petticoat argument changed an "e" to an "a" in the spelling of the founder's name.

Mrs. George Merion Pedlar, great-great-granddaughter of William Merion, the pioneer, told the Leader that she had heard of the "petticoat" story, but could not verify it. Anyway, she thought, if it really happened, it merely indicated that people have not changed a lot through the years.

Bobb Chevrolet Celebrates 33rd Columbus Anniversary

Completion of 33 years as a Chevrolet dealer in Columbus and Franklin County is being observed this month by the Bobb Chevrolet Co., 621 Parsons-av. of which George C. Bobb is president and treasurer.

It was in March, 1924, that Mr. Bobb founded the company with a handful of employes. Since then, the number of employes has grown to more than 100 and facilities have increased 10-fold.

The Bobb firm's technical knowledge of auto mechanics has kept pace with the rapid growth of Columbus. The firm's mechaniss are factory trained and hold diplomas for efficiency.

Many have received specialized training at General Motors training centers in Cincinnati and Detroit. The Bobb service department is equipped with the latest and most modern designed equipment.

The firm also operates used car lots at 621 Parsons-av. adjoining the new car showroom, and at 780 Parsons-av.

Since 1941 Bobb Chevrolet Co. has operated the Bobb Motor Sales, franchised to sell Chevrolet and Cadillac cars in Bellefontaine and Logan County. The latter is managed by J. W. Brubaker.

Officers of Bobb Chevrolet, in addition to Mr. Bobb, are George H. Woodworth, vice president, and Huston M. Prout, secretary.

Columbus CP Adds Sewing Therapy

Cerebral Palsy of Columbus and Franklin County, a United Appeal Agency at 523 E. Walnut-st, has extended its occupational therapy department to include a class in sewing and ironing, according to a recent statement. Ten handicapped girls and women are being instructed in these aspects of homemaking. The equipment for the class was given to the Center by the North American Management Club.

The Center invites people to come for a visit to see what their contributions to United Appeal have made possible, for Cerebral Palsy of Columbus never puts on a separate drive for money. Operating funds come from United Appeal, equipment and other necessities from charitable contributions and through the efforts of its auxiliaries, called Branches.

Local People

Frank Brockmeyer, 845 S. 22nd-st, is a member of the board of trustees.

Miss Donna Ball, 167 Jenkins-av, is one of the cerebral-palsied persons from the South Side who come to the Center.

Mrs. H. A. Laile, 1250 E. Whittier-st, is connected with the Center through the Charity League, an organization which raises money for the benefit of the Center.

Talent makes a man respectable, tact makes him respected. Talent is wealth, tact is ready money.

'For 33 Years BOB CHEVROLET HAS KEPT STEP WITH THE FINE CARS WE SELL'

In March, 1924, we sold our first Chevrolet. It was a twin to the high, boxy, spoke-wheeled model in the picture.

In March, 1957 — thirty-three years and tens of thousands of cars later — we are offering our customers the advanced motor cars that only Chevrolet can give.

Over the years we have progressed with our product. Our original handful of employes has grown to over one hundred, many of whom have been with Bobb Chevrolet 10, 15, 20 years — and one from the beginning of our operation 33 years ago.

From a small shop in 1924 our service facilities have been built into one of the most modern in Ohio. Our mechanics are graduates of General Motors training courses. You can be sure of the finest in service at all times.

We've grown bigger in manpower. We've grown bigger in facilities. We've learned how to sell and service cars at less cost to you. But we have never changed in one respect: our policy of **square-dealing** with the motorists of Columbus.

We will always quote you the true, published list price, a practice which, of course, will save you money. No "gimmick" or "come-on" ads will ever be used by Bobb Chevrolet.

We will continue to explain our financing — the lowest available — in detail so that you know exactly how much it will cost you.

We pledge to carry on the policies that mean peace of mind for the buyer who knows he is doing business with a thoroughly reliable dealer.

During March — our Anniversary month — we will celebrate by offering you an even **better deal** than ever before. We invite you to stop in and see our new car display and our modern service facilities. We'll have a useful Anniversary remembrance for you and your family.

GEORGE C. BOBB

Bake Sale Saturday

Adventurers

The Adventure Club of Schiller Recreation Center meets each Saturday morning from 9 to 12 and is made up of youngsters aged 8 to 12 inclusive.

Last Saturday, the group took a trip to the State Capitol building and enjoyed being shown through the various offices which were open to the public. Of particular interest were the many flags on display in the rotunda, and the paintings depicting incidents in the history of the state.

Future trips will include visiting the Columbus Zoo and the Columbus Gallery of Fine Arts.

It is economical to thaw only as much frozen fruit as you expect to use at one time.

Happy Thought

It seems apparent that the South Side could start, develop and successfully finish a physical renaissance with happy results. It's not a "pushover." Real estate values could be greatly upped. Marketing could be greatly increased. In many instances, property, business or residential, could have a "new face" at not an excessive cost. People DO shop where there is attractiveness. Could be that substantial prosperity for the area would increase while we looked with pleasure at our handiwork.

An old-timer is a fellow who remembers when he could buy a pound of steak for a dime, but forgets he had to work an hour to earn the dime.

Surprise For Brownies

Brownie Troop 329 of the Thurman Avenue Methodist Church was surprised by a party given by Mrs. Isaac Kinser in honor of her daughter, Judy, who was celebrating her 10th birthday. Songs and games were enjoyed by the Brownie troop.

A picture was taken by John McPeek (news editor, S. E. Rural-Urban News, new Hartley publication), at the home of Rev. and Mrs. Ray Huff with a Brownie Scout, Judy Salser; an intermediate Scout, Linda Ellifritt; and a senior Scout, Sharon Troutman, for publicity for the Girl Scout cookie sale, starting Mar. 29.

Plans were made to attend Lazarus' party Mar. 23.

Pebs' To Meet

The Pebs' Club will hold its monthly meeting at the home of Mrs. Perry Roach, 639 Frenchdr, Tuesday, Mar. 26 at noon. There will be a casserole luncheon, followed by a business meeting and social hour. The assisting hostesses are Mrs. Cain and Mrs. Rex Grate.

The Gadabout—

(Continued from Page 3)

were scheduled to read their essays to members of Southway Post this week. Their departure is slated for Apr. 4 and the return home takes place Apr. 12. We're hoping the two young folks will tell us of their experiences upon their return. Kay's address is 121 E Whittier-st. and Charles' residence is 754 S. 17th-st.

This next item is connected with the preceding one, for it, too, is about a member of the Chambers family. Dick Chambers, father of Kay, had a birthday on Mar. 16, and so the best possible wishes are sent to him for this event.

Sorry we didn't know about it sooner, but we hope Jean Pipelow has a rapid return to health. Guess she was hospitalized a short time ago, but we didn't know about it.

A "teener" who has a birthday tomorrow is Charles Mason, 1357 S. High-st. Nellie Kaufman merits two items this edition, one for having a birthday next Tuesday, and a second because she will be hostess at a "stork shower" honoring Marlene Wagenbrenner this Friday, Mar. 22. Mar. 26 is also the birthday of Mary Leist, longtime friend.

You Philo alumnae should have a nice golden anniversary celebration tomorrow night at Fort Hayes Hotel, for we know the committee has worked diligently on the affair. Doris Clickenger Gallagher will be the speaker at the 6:30 p.m. banquet

Helen Estep, daughter of Mr and Mrs. Haskell, 681 E. Fulton-st and Joe Kessler, son of Mr. and Mrs. Everett Kessler, 174 E. Moler-st, will exchange their wedding vows this Saturday in Oakwood Methodist Church. Rev. Carl Hicks will perform the ceremony Helen just had a birthday last Sunday, Mar. 17, so March is really an outstanding month for her. The Kesslers will hold an open house following the ceremony

Ruth Groezinger, 460 Stanley-av, rates a "Happy Birthday" for today; so we'll just send one awinging to her.

The South unit of the League of Women Voters will hold its second March meeting next Tuesday, the 26th, in the home of Mrs. Richard Smith, 1072 Berkeley-rd, at 8:15 p.m. Mrs. Earl Todt will continue the discussion "Ohio Public Finances" that marked the earlier March meeting. Mrs. William Coons is the resource person.

(Continued from Page 1)

evidence of the high caliber of teaching as presented in the musical program by the glee club. Principal Washburn of Roosevelt Jr. was a member of the panel, with Miss Bausch of the Parsons Branch Library, C. L. Dumaree, the assistant superintendent of schools, administration; and Joe Davis who is associated with the Columbus School System. The latter has had an enviable career of participation in the South Side Branch YMCA. He substituted for Cap Hoover of "Y" . . . Principal Washburn had some interesting figures dealing with the South Side school population growth. They'll be published very soon. The devoted school teachers and officials earn plaudits of all.

South Side Girl Scouts Huddle To Make Plans For The Annual Cookie Sale

Left to right, Judy Salser, Sharon Troutman, Linda Ellifritt, and Mrs. Ray W. Huff.

Practicing their sales approach for the county-wide Girl Scout annual cookie sale which begins Friday, Mar. 29 (after school hours) are Brownie Scouts Judy Salser, 298 E. Deshler, member of Troop No. 329, the leader of which is Mrs. Richard Pope, 509 Hanford-st, Intermediate Scout Linda Ellifritt, 952 Heyl-av, member of Troop No. 121; Mrs. Harold Ellifritt, 952 Heyl-av, leader and senior scout; Sharon Troutman, 265 E. Beck-st member of Troop No. 208, whose leader is Mrs. John Howard, 265 E. Beck-st.

At the left, Mrs. Ray Huff, 429 Thurman-av, has apparently bought one box and contemplates the purchase of another.

It is expected to have three types of cookies available this year for the same price of 40 cents per box, that is the regular four-flavored sandwich creme, the ever-popular thin mint, and the new type being introduced this year, "Savannah," which is a peanut butter sandwich cookie.

Proceeds from this annual cookie sale will be used to balance the Girl Scout budget. Each troop will earn five cents per box sold which will be used for their own troop programs.

Goal this year has been increased to 250,000 boxes due to the expansion of the girl scouting program into three and one-half counties, and increased enrollments.

Each Scout is planning to sell 25 boxes of cookies, so when your Scouts come to your door, cooperate and also treat your family to some good cookies.

Note to the thrifty: these cookies will keep perfectly in your freezer indefinitely — providing you family leaves them alone.

Daily Editor Is Speaker

Norman H. Dohn, Sunday editor of one of the city's daily newspapers, was heard by the Southeast Lions Club members at their regular weekly luncheon Tuesday. He spoke on various subjects, including "This Is Ohio" and "A Newsman's Responsibility."

Dohn, a native of western New York, holds a B.A. degree from Otterbein College and an M.A. in journalism from Ohio State. He is currently a candidate for the Ph. D. degree in American history at OSU.

Tuesday's program was one of a series arranged by program chairman Frank Neubeck dealing with occurrences and affairs throughout the world.

Mr. Hickle Gets Lost Watch Back With Classified

There was great disappointment in the heart of Louis H. Hickle, 618 Sheldon-rd, when he came into the South Side Leader office on Tuesday, Mar. 12. There was, too, some hope. The hope was because he had come into the Leader office to advertise the situation which had caused his disappointment. He had lost a watch which he had carried for many years from 'way back.

But there was a happy ending for the man who had lost his watch, and there were the details which we got for this story. Mr. Hickle came to Columbus in 1926. At that time he had behind him the experience of being in the first World War. He went into the restaurant business on South High between Hosack and Bartholomew. He also went into the second World War (he's 70 now). Then back to restauranting, then retirement. Mrs. Hickle has been deceased for some years.

There are four sons in the family, three here and a fourth in Wichita, Kan., and two daughters, one in Akron and one in Columbus.

Oh, about the watch! The loss was advertised in the Leader of Mar. 14. About 6 o'clock the same evening some one rang his bell . . . and had his watch, which had been picked up on the street about the time the loser had been placing the advertisement with the Leader's classified department.

An open discussion will conclude the evening. Mrs. John Joyce will be the presiding officer.

The program is scheduled to begin at 8 p.m.

Ralph French is band director.

Ordained Here, Minister Returns For Revival

A young man who was ordained in the ministry 24 years ago in South Church of Christ, Disciples, at Woodrow and Bruck, is a factor in an important event to take place in the church beginning April 1.

Another circumstance is that Clarence Mulkin is minister of South Church and decided to tie the factors into another, the fact that the church will celebrate the 50th anniversary of its existence. The minister put these factors all together, with the result that the young man who was ordained in this church 24 years ago said he would come to the church for an evangelistic program.

Joseph Dabb

McArthur Pastor

The young man, whose picture is shown here, is Joseph Daab, pastor of First Christian Church in McArthur, O. He is not a stranger to these parts, according to the pastor of South Church, because some time after his ordination he became pastor of Benfield-av Church of Christ.

Now, reported Rev. Mulkin, the man who was ordained here 24 years ago is pastor of a large and thriving church in McArthur and a leader in state young people's work.

The services which begin Monday evening, Apr. 1, will continue two weeks, ending Sunday evening, Apr. 14, the pastor said. During this time, in addition to sermons, the visiting minister will be in charge of the song service. Mrs. Daab will be at the organ for the entire period, it was stated.

Service Hours

Services will be held each evening except Saturday The hour will be 7:30 p. m., the pastor said, adding that the services are open to all.

The PTA has had a new speaking system installed, making our meetings more pleasant for everybody.

Taffy Sale Big Success

The South Side Branch YMCA World Service taffy sale was a huge success, boys and girls throughout South Columbus selling 5,200 pound boxes of taffy.

Profits from each club were divided, sending half to the service of children of other countries, and the other half to the disposal of the club which earned it. Out of the different Gra-Y's, Jr. Hi-Y's, Hi-Y's and Tri-Hi-Y's, Southwood Gra-Y Club came out on top with the selling of 659 boxes; Barrett Jr. Hi-Y came in second best, selling 474; Roosevelt Jr. Hi-Y finished with 464 sales.

Harry Kirby of Southwood Gra-Y came through as the individual sales winner by selling 72 boxes. Eddie Speakman of the Optimist Jr. Boys Glee Club was second with 69 sales; Connie Crabtree of Fornof Gra-Y, third with 66 boxes; and Gary Kipp of Heyl-av Gra-Y was fourth with 64 sales. These, it was said, are only a few of the salesmen who finished with over 50 boxes sold. They were given a choice of a T-shirt with their club emblem, or a club pin.

The leading salesman of each club was awarded a softball as an award for his or her effort.

Barrett's Jane Nicholson has been chosen as concert mistress of the Columbus All-Junior High School Orchestra. The position calls for her to be leader of first violins and the chief performing assistant to the director. Diane Gehl is solo oboist.

Herbert Germain has Music Festival tickets for sale at 70 cents, he said. Proceeds will go to the Parent-Teacher Association glasses fund to provide glasses for needy students in Franklin County.

Laetare Song Festival This Sunday Afternoon

Pictured above are members of the committee in charge of next Sunday's affair at St. Mary's. Left to right are John Megaw, Earl Gray, Charles Britt.

Eating and music are as pleasant as they are necessary, and St. Mary seems to be following that pattern in the event which has been announced for Sunday, Mar. 31. There is to be a music festival and food afterward, according to the report.

The affair is called a Laetare Song and Music Festival and is to be given this Sunday afternoon from 3:30 to 5:30, according to Mrs. Charles Britt, publicity chairman. The committee members in charge are shown at a recent meeting as they prepared for the festival and luncheon, the latter to be served after the musical program is completed. The Dads Club is preparing roast beef sandwiches and beverages, with an assist, of course, by their lady helpers. All will be in St. Mary gymnasium, it was said.

The List

A list of the musical organizations indicates the magnitude of the program being offered—"the best-known in the city," Mrs. Britt told the newsman.

Columbus Maennerchor, the St. Xavier Chorus, and the Mount Carmel School of Nursing Glee Club are the visiting headliners.

In addition, of course, said Mrs. Britt, there are those who compose the local talent; including St. Mary High School Glee Club and selected quartets. Then, with luncheon time arriving, participants will find Sultans of Swing providing the dinner music. There will be more song and music after the luncheon, the publicity chairman said, adding that either the adult $1 ticket or the student 75c ticket may be secured from just about any St. Mary student one may meet.

St. Mary's Former Pitcher Moves Up . . . and On

Ron Porter and (at right) Al Buccilla

Chuck Toth Photo

It was Al Buccilla day at Port Columbus last Thursday. Family and friends invaded Port Columbus to wish "happy hitting" for the former young baseball hero of St. Mary's parish, who was departing on a TWA liner for Daytona Beach, Fla., where he is to play with the Cocoa Indians at Cocoa, Fla. Buccilla was accompanied by another local player signed by the Indians. He is Ron Porter, another local player who has made a reputation for himself. The two boys were signed to contracts two or three weeks ago, it was stated.

Bucilla is the son of Mr. and Mrs. Treston Bucilla of 1938 S. Champion-av and is remembered for his brilliant pitching, not only for St. Mary's, but for numerous amateur teams in the city.

Relatives and friends were in attendance at the time of departure, including Bucilla's friend, Miss Shirley Santo of 1590 Frebis-av, according to Mrs. John Santo, Shirley's mother.

Waited Long Time

George C. Bobb has had many things happen to him, but the ad man last week "fixed" him with something he hasn't previously had during the 33 years in which he has been advertising and selling Chevrolet cars. He had his name bobbed—that is, in a half-page advertisement in the top line there appeared "for 33 years BOB" . . . some one forgot to put on the other B—like BOBB. Those printers' Gremlins! Drat 'em!

Deepest Thanks

From Mrs. Donald Salser, 298 E. Deshler-av, is this heart-warming note, which could have been brought up only by some one who's very nice: "It gives me great pleasure during Girl Scout Week to say 'Thank you' for the nice publicity you have always given our district. It's cooperation like yours that keeps Scouting so interesting." And, again the Leader says "THANK YOU", Mrs. Salser . . . and to St. Leo ladies we say, "Thank you for your great kindness."

I'm Weeping?

Just read that the Jai Alai in Tijuana, Mexico, has been burned to the ground. It was a million-dollar counterpart to some of our thirty-cent dives. Can't weep too hard, because the high cost of looking at it kept me binocular distance away from it as I passed into or out of the quaint and exciting country to the south of us.

The Earthquake

Those of us who remember 1906 and the great San Francisco earthquake feel jubilant that the story is so much different now. Then about 450 were killed. Loss from quake and fire totaled $350,000,000. Man has, in this instance, won out over "nature" because he used natural resources for guarding against great destruction.

Last Day!

Saturday of this week is the last day for getting 1957 license plates for the car. It is unlawful to drive without the new plates after Saturday. For the convenience and assistance of motorists of the South Side, plates may be purchased at 1572 Parsons-av, just a few doors south of the South Side Leader office. Leader readers living further north in the South Side will find a station open at 1686 Oakwood-av.

Pastor Rife said that the Nelsons present a feature of special interest for boys and girls and young people, in the form of Bible stories and object lessons. The visiting evangelist and his wife are accomplished musicians, Mr. Rife said, and Mrs. Nelson is expected to have a lot to do with the music during the series of meetings, which began yesterday, Mar. 27, and are to continue until Sunday evening, Apr. 7.

TACTFULLY ANSWERED

At a dinner party, a society matron found herself sitting next to a handsome Westerner. They soon became extremely interested in each other and eventually got to talking about ages.

When asked by the woman to guess her age, the Westerner answered tactfully, "I don't rightly know, Ma'am, but I do know one thing. If I saw you on the street, I'd whistle first and estimate later."—Wall Street Journal

From Two Kind Ladies

That big crowd mentioned in last week's column in connection with the panel discussion at Roosevelt Jr. High recently seemed to like the evening's program, if Mrs. Mary B. Thomson, program chairman, is a criterion in the situation. She has written her thanks for the work done that evening by the panel. She is Roosevelt Jr. High PTA program chairman. Thank you for telling us, Mrs. Thomson. Then, there is another from Mrs. Paulyne K. Thompson, general chairman, who who expressed thanks to the members of the panel for the work done. Such expressions add joy to our soul and reveal happy dispositions in those who are so kind.

Burgess-Boyer Rites Event Of Mar. 2

MRS. RICHARD F. BOYER

Westgate Evangelical United Brethren Church was decorated with arrangements of palms, ferns, white bridal flowers and candelabra, with an arch of greenery and white flowers for the wedding of Miss Kay Burgess and Mr. Richard E. Boyer Mar. 2. Rev. Harold Dutt read the marriage service at 2:30 p.m.

The new Mrs. Boyer is the daughter of Mr. and Mrs. Ray Burgess, 731 Wiltshire-rd and her husband is the son of Mrs. Marie Tate, 977 E. Whittier-st.

Given in marriage by her father, the bride chose a gown of pure silk and nylon tulle, designed with scooped, iridescent-trimmed neckline and long, tapering sleeves. The full waltz length skirt featured a peplum effect in the front and, in the back, tiny tiers of ruffles extended the full length of the gown.

Her fingertip-length veil of imported illusion was caught to a matching plateau trimmed with pearls and iridescents, and she carried an arrangement of white gladiolas and lilies of the valley.

Mrs. August Ruzicka, matron of honor, was gowned in a pink semi-sheath taffeta gown with matching feather hat and veil, and carried violet gladiolas.

Jane Roberts, cousin of the bride, was the miniature bride. She wore a white dot and satin ribbon gown with a matching bonnet and a corsage of white gladiolas.

Mrs. Danny Bell, bridesmatron, and Dee Roberts and Lynn Roberts, cousins of the bride, junior bridesmaids, all wore violet semi sheath taffeta frocks with matching feather hats and pink gladiolia corsages.

Mr. August Ruzicka served as bestman and guests were seated by Mr. Rudy Williams, Mr. Garry Beckett, Mr. Walt Schwartz and Mr. Bob Vogt.

Mrs. Burgess chose for her daughter's wedding, a pink jersey and chiffon frock over taffeta, white leather hat and a corsage of white orchids. The mother of the bridegroom wore a light blue jersey gown with black accessories and an identical corsage.

Miss Grace Durflinger and Mrs. Richard Kerns were hostesses for the reception held at the Dispatch Country Club, immediately after the ceremony.

The new Mrs. Boyer was graduated from West High School and is employed at the Ohio Bell Telephone Co. Mr. Boyer was graduated from South High School and is associated with the Columbus Dispatch.

The Gadabout

Priscilla LaRue Lones
HI. 4-1051

Carolyn Tope, 384 E. Hanford-st, was the honor guest at a surprise shower given in her honor, Mar. 21, in the home of Carole Chatfield, 734 Wilson-av. The "Winx" Club members, composed of young South Side graduates in their late teens, were honoring Miss Tope, who will soon be the bride of Alan Helm, 218 E. Gates-st. These were the guests at the shower: Julie Waller, Cathy Wynd, Irene Bajus, Kitty Webb Nancy Whitmer, Alma Schwartz, Phyllis Ramsey, Betty Gaal, Joyce Crary, Joyce Moehrman, Doris Clark, Patty Bennett, and Charlotte Krafft.

Mohawk School will be the scene of a variety show tomorrow night at 8 p.m. The executive board will present a short play, "Heartbreak Hotel." Another feature of the program will be "Calypso Capers."

Attending the stork shower given for Mrs. Wagenbrenner by Mrs. William Kaufman, we learned several interesting items, so will relay them via this medium. We learned that Eileen Wilson, 1417 Miller-av, has been a hospital patient recently, so we hope she's getting better now.

In the Rumsey clan, home address 222 Frebis-av, we learned that Mary Rose Alexander (who celebrated a birthday this past Tuesday), and son, Tony, will be visiting Columbus relatives in June. Larry, Jr., and Jane Rumsey, now residents of Youngstown, plan to be in Columbus the 6th of April, to celebrate their first wedding anniversary by "dancing at the Dale." Larry, Sr., Frances, and Sharon spent this past week-end by "jaunting" up to the northern city.

Birthdays we've heard about . . . Johnny Daugh, 79 Woodrow-av, Apr. 3; Sandra Dennis, 20 E. Moler, Apr. 4; Joe Earhart, 1544 S. Fourth-st, Apr. 4; and Deanna Brewer, 523 Sheldon-av, Mar. 29. "Doc" Crary, 256 Doshler-av, also had a recent birthday, but our long ears developed a short circuit when the date was being mentioned.

Final reminder of the pancake supper that's sponsored by Boy Scout Troop 31, at South Methodist Church this Saturday. Serving time is 5 to 7 p.m; cost of a ticket is 75 cents. For this small sum you can get all the pancakes you are able to eat, and two pieces of sausage. Tickets may be purchased at the door.

Harry R. Eichenberger, 1470 Lockbourne-rd, is one of the local residents who has been enjoying the Florida climate this time of the year.

St. Paul's Evangelical and Reformed Church was the scene of the wedding of Barbara Shipley a Gates-st resident, and David Unverzagt, of Welch-av, last Saturday, Mar. 23.

Since the Blood Donor Center is such a necessary part of our city, we like to honor those people who have responded so generously. One gallon donors are: Roy Fee, 104 Thurman-av; Dave Cox, Obetz; Herschel Huffman, 208 E. Moler-st; and George Schmidt, 863 Columbus-st, a two-gallon donor.

These four men are employees of the Armstrong Furnace Co., which has done an outstanding job in this direction for their donation record is 1200 pints since May 1951. Forty-two employees are one-gallon donors, six are two gallon donors and two have three gallon records. We'll gladly salute any other "gallon" members, IF we are told about them.

Meant to put this item in several weeks ago, but neglected to do so. Mrs. Hoffman, who resides with her daughter and son-in-law, Kate and Ben Williams, 229 Southwood-av, underwent surgery a short time ago and is in the recuperative stage that's so slow. Mrs. Hoffman would love to have company and would enjoy talking to German-speaking folks very much. Those of you who have had a leg removed will particularly know Mrs. Hoffman's state of mind, so do help to cheer her up, won't you?

Esther Ziegfeld, well known South Sider, has been in Florida since Feb. 10. We appreciated her thoughtfulness in remembering us by sending a card from Daytona Beach. She was expecting to be home by Mar. 24, so today's item is really a "welcome home, Esther." Miss Ziegfeld resides at 1395 Oakwood-av.

A belated birthday, but still the warmest wishes possible, to Anna Gray 1386 S. Fifth-st, who was 83 years "young" Mar. 22. Mrs. Gray has been an invalid for years, so cards are always appreciated.

Newly-weds Mr. and Mrs. John Wolfe receive congratulations and best wishes for many years of wedded happiness. Mrs. Wolfe is the former Lucille Correll.

A reminder that cottage cheese cartons will be used for Easter baskets for children's organizations by the Mothers Club of Southwood Church of Christ. Mrs. Donavan, 297 Markison-av, HI. 4-8190, is one of the women to contact.

Iva Warner, 636 Wager-st, has been a patient in White Cross Hospital (which reminds us, Margie Speakmon was in Mercy Hospital last week. She was expected to be in sooner, so that's why we reported her in before she actually made it. It's one of the hazards of weekly reporting.)

Here's another South Sider who has been on the ailing list, and who merits cards and visitors. Margaret Kimberly, 600 Sheldon-av, was hospitalized in Mt. Carmel for a ruptured appendix and as soon as she has recuperated sufficiently is due to return for a hip operation. She would appreciate cards and visitors very much, we know, and we hope many folks will help her get through this difficult period. Margaret's granddaughter, Ruth Shepherd, had a tonsilectomy not so long ago, so she rates an item, too. Ruth lives at 1028 S. Washington-av.

The last meeting of the Heyl Avenue Parent Education Group for this semester will be today at 1:30 p.m. Mrs. Diane Hastings, teacher for the hard-of-hearing at Heyl Avenue, will conduct the meeting. The topic to be discussed is "Why Hasn't He Talked Yet?"

Stewart Avenue PTA meets tonight at 7:30 p.m. for a Family Night. On the agenda for the evening is a nomination of officers and a film "Highlights of Ohio" narrated by Lowell Thomas.

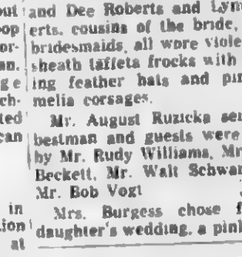
Our sympathy to the family of Mrs. Flowers for their bereavement.

South Church of Christ members will be renewing acquaintance with a former member who was ordained at the church in 1933, and is now doing wonderful work in Vinton County when Rev. Joe Daabs returns for an evangelistic service Apr. 1. Rev. and Mrs. Daabs will be conducting services at the church for a two-week period. Mrs. Emmons Ball, 387 Markison-av, is a sister of the visiting evangelist. Rev. Mulkins extends a cordial invitation to all Columbusites who are acquainted with Rev. Daabs, to renew their acquaintance. And yet another item from the South Church . . . a junior church was instigated there last Sunday and will be a regular feature of the church.

A new little brother for the son and daughter of Mr. and Mrs. Fred Bush made his appearance at White Cross Hospital Mar. 20. The Bush family lives at 2041 Studer-av.

Another "youngster" who celebrated a recent birthday was Harvey Kimberley. Harvey is well-known by patrons of the Markham theater, as he's been associated with the entertainment house for 14 years! Harvey's youngness? 78 years, my friends!

My but there is lots of hospitalization this week . . . Roy Johnson, who resided on Innis-av for years, but now lives on Miller-av, is in Room 257 Grant Hospital. At the time we wrote no visitors were being allowed, but cards are always welcome. Mrs. Dessie Voeller has been in Room 125, Mercy Hospital, so her friends could check to see if she has returned home yet.



This will be particularly amusing to those parents who have Cub Scouts and know how the boys earn their "patches." Tommy, our, nine-year-old, came home one day and found ye Gadabout in the throes of housecleaning. The inevitable "What are you doing, mommy?" This brought our response that we were "doing the woodwork." This brought an excited response from Tommy and he grabbed the sponge from our hand with "Oh let ME do that, mommy, so I'll get credit for it in the Cub Scouts. We'd have been glad to co-operate, but we don't thing the "achievements" include that kind of "woodwork," darn it! Guess we'll end this stint and look for some more woodwork to do . . . there're always plenty "achievements" like that for . . .

Cronkrite, whose CBS affiliation began in July, 1950, has had a long career of reporting news all over the globe, for newspapers, wire services, radio, and television. He became familiar to millions of television viewers as "anchor man" for CBS during its coverage of the 1952 and 1956 political conventions and elections. Currently, he has two CBS-TV shows, "Air Power" and "Sunday News Special," seen locally over WBNS-TV. Cronkite's Ad Club topic will be "1960 and All That."

Ladies' Day is one of the high points of the Ad Club year. The entire plans for this meeting are being arranged by the women of the club—speaker, decorations and invitations. This is America's Heartland where, last year, Columbia Gas System delivered *more* natural gas to *more* people than ever before. This year Columbia expects to spend about $87 million on construction . . . to keep up with growing demand!

You Live in a Very Special Part of America!

You live in the Heartland of American industry and commerce—one of the most dynamic, fastest-growing regions in the nation.

What makes this territory so special?

One reason is that America's Heartland is "natural gas country". . . with millions of people working at good jobs because industry here makes such excellent use of this flexible, uniform, low-cost fuel.

Natural gas was first discovered in this region. The techniques of gas distribution were developed here. Many of the great Appalachian fields now serve as natural underground storage reservoirs . . . assuring a nearby supply of natural gas for winter use.

Families here use more natural gas per household than in any other section of the country. And every year industry in America's Heartland requires *more* of this clean, efficient fuel.

Yes, it's a progressive, growing region, and your gas company's ability to serve continues to grow with it! Remember: gas does it better, for less.

Girl Scout Cookie Time Is Here Again!

Starting on Friday, Mar. 29 (after school hours) and continuing through Monday, Apr. 8, members of the community are asked to cooperate in this annual Girl Scout Cookie Sale.

There will be three types of cookies available this year for the same price of 40c per box, i.e., regular four-flavored sandwich creme, the ever-popular thin mint, and the new type being introduced this year – "Savannah," which is a peanut butter sandwich cookie.

Proceeds from this annual cookie sale will be used to balance the Girl Scout Budget. Each troop will earn 5c per box sold which will be used for their own troop programs.

Goal this year has been increased to 250,000 boxes due to the expansion of the Girl Scout program into three and one-half counties and increased enrollments.

Each girl is planning to sell twenty-five boxes, so when your "scouts" come to your door – cooperate and also treat your family to good cookies. Note to the thrifty – these cookies will keep perfectly in your freezer indefinitely, so buy for today and tomorrow, as well.

Specialist Third Class James S. Nesser, son of Mr. and Mrs. John L. Nesser, 606 S. 18th-st, recently was named Soldier of the Month for the U.S. Army Ordnance Depot, Oppama, Japan. Specialist Nesser, a troop information specialist in the depot's headquarters company, was selected in competition on a basis of neatness, knowledge of military subjects, and efficient performance of assigned duties. Wilson-av Nazarene Church Has United Rally

A 25-year veteran missionary to Africa, Rev. William C. Esselstyn, will speak at two missionary rallies uniting 15 area Nazarene churches in Columbus First Church, King and Hunter-avs, Monday, Mar. 25, at 2:30 and 7:30 p.m.

Large crowds are expected at both services, since Rev. Esselstyn has been prominent in overseas work. For the last 15 years, he has supervised all work in the Union of South Africa. Of 330 full-time missionaries supported by the denomination, 98 are in Africa, among whom are 20 doctors and nurses.

The Rev. Miles A. Simmons is pastor of the host church. Among South Side churches uniting will be Wilson Avenue Church of the Nazarene.

Books make no demands on you. They travel with you or stay home and keep you entertained. They feel no affront when you shut them up. 'Tis good to have books from the Columbus Public Library on hand.

Shade Trees Available Free

The Division of Parks and Forestry, City of Columbus, has an operating plan to assist citizens in planting street shade trees within the street dedication.

Under this plan the Division will select the variety of tree best suited to each street, will order and will plant. The only cost to the owner of the abutting property is the wholesale cost of the tree (exactly the same amount paid by the Division to buy the trees).

The city reserves the right to locate the tree site and to limit the number of trees within an area. This reservation is made to eliminate conflicts with sidewalks and traffic factors, water lines and drains, low overhead wires, etc.

Although 50-foot spacing between trees is desirable, the city to accommodate owners of smaller lots, will modify spacing requirements to allow one tree per lot frontage.

As the Division places orders for these street trees along with their spring and fall orders for park planting, it is necessary for persons to place their orders by Sept. 1 or Feb. 1 of each year.

Any group or individual interested in street shade-tree planting this fall, should contact the Division of Parks and Forestry, CL 2-2115, and individual attention will be given. Groups or organizations may have a free talk accompanied by colored slides at any meeting.

The International Typographical Union was founded in 1852 and is the first and oldest labor union in the United States.

Stretching A Blanket

A woolen blanket should be stretched back into shape after washing. Two people can pull equally in opposite directions or you can place the blanket across a line and pull evenly on the two hems.

A wonderful way to honor your loved ones who have passed away is to order flowers delivered to your church for Palm Sunday and Easter. A lovely Easter lily, hydrangea, azalea, tulips, hyacinths or beautiful cut flower arrangement would be a perfect tribute. Order early this year - Palm Sunday is just two weeks away.

Our best wishes to many who have been ill—Mrs. Ina Warner, Mrs. Kochensparger, Genevieve Lewis, Steve Bondy, Louise Brown, Leslie Fuller, Alfred DeGioia, Mrs Virginia Conley, James Dorton, John Watkins, Verna Brakeall and Otto Linn. Congratulations to couples lullabying their new little one Mr. and Mrs. Lester Conklin, Mr. and Mrs. John Harper, Mr. and Mrs. John Faris and Mr. and Mrs. George Weigands.

When you call us about your flowers for the church, why not order your corsage to complement your Easter ensemble?

Plant Peas Early

This weekend would be a good time to get started on the early garden, if you haven't already done so.

Peas are the backbone of many early gardens. Unfortunately, many gardeners don't get peas planted early enough, and consequently don't obtain the yields which they should. Peas are a cool season crop, and give best yields if they are planted early so that they have an opportunity to develop abundant vine growth before they bloom.

The time that peas bloom is governed by temperature units (number of hours above a certain temperature) which makes it important to get early growth during the cooler weather. This is the reason why some gardens have low yields of peas, a result of planting too late.

Varieties

Little Marvel is a good pea for fresh use, while Thomas Laxton, Freezonian or Laxton's Progress would be better suited for freezing in most instances. Your personal preference or past experience with certain varieties will of course, help you determine which to plant.

There are a number of other vegetables which can be included in your early garden. This week-end, if the weather permits, should find many gardeners also planting parsnips, salsify, swiss chard, red beets, carrots, onions, spinach, early cabbage, lettuce and radishes.

Tricks to Use—It is best to plant complete rows, putting quick maturing crops in the same row. Plant part of a row with lettuce, part with radishes. A few weeks later make a second planting which will supply you with fresh produce over a longer period of time.

Radish seed may be mixed with carrot seed and sowed together. This provides for double use of the row and since the radishes grow more quickly they will serve as a row marker. By the time the radishes are removed the carrots will be visible.

A list of recommended varieties is available in Extension Bulletin No. 287, "For a Good Home Garden in Ohio," and can be obtained from the county agricultural extension office.

Question—When should I spray my fruit trees, how often, and what kind of spray? The fruits are wormy and blemished.

Answer—An all purpose spray formula has been developed for home orchardists to use on all fruit trees except apples, which need special sprays.

Mix the formula just before spraying. Use:

1 tablespoon—Methoxychlor—50% powder
.2 tablespoons — Malathion — 25% powder
1½ tablespoons—Captan
Mix in one gallon of water.

Apply the all-purpose formula four times during the year:

1. When petals have fallen
2. Ten days after first spray
3. Two weeks after second spray
4. Two weeks after third spray.

Apples should be sprayed with four tablespoons of dry lime sulfur or wettable sulfur when blossoms first show pink, and again just before bloom, to control apple scab. Other sprays needed will be mentioned in future "Garden Spot" articles.

The Gadabout—

Seems like birthdays of adults this time come equipped with another item as well! Two birthdays to qualify for this statement are Madeline Oakley, 333 Frebis-av, and her across-the-street-neighbor, Scott Buller, 326 Frebis-av. Both had mid-March birthdays (18th, we seem to remember). Madeline flew to Chicago not so long ago, to attend a cosmetic school there. Scott journeyed to Ft. Lauderdale, Fla., to enjoy the fun to be found in the peninsular state.

Don Dicke merits a pat on the back for receiving a jayvee-basketball letter at Capital University. That was quite a day for old "Long and Lanky," as his sister Priscilla accepted his South High award the same day. (Be careful, Momma, your pride is showing!)

More March birthdays on our list: John Iams, 82 Hanford-st Mar. 18; Gary Ruh, 1227 S. High-st. Mar. 14; Beverlee Wells, 1677 S. High-st. Mar. 24; Sandra Binder, 139 Hinman-av. Mar. 4; Dixie Leigh, 1586½ S. High-st. Mar. 15; Clara Smith, 1951 Gantz-rd, Mar. 1; Connie Ringhiser, 32 W. Moler-st, Mar. 3; and Richard Frazier, 300 Sheldon-av. Mar. 11.

Can't find any more unchecked items to pass along, so will sign off until next edition. Till then, 'tis—

THE GADABOUT

Legends and adorable folk tales from the world over would have been loong forgotten if not preserved in books. How good to know they are available at the Columbus Public Library when we want them.

One cannot know everything. But everyone in Franklin County should know that records and film can be borrowed from the Columbus Public Library as well as books.

We are always glad to talk frankly about costs—ours and yours — and to give our advice when asked. If you have a problem of this kind why not drop in and talk about it. Growth and Struggles Of Southwood PTA 40th Anniversary Is Observed

By Mrs. Herbert Hampton

This year our Southwood Parent-Teacher Association is celebrating its 40th birthday, and the 'Founders' Day' committee thought it would be interesting to take a brief backward look at our beginnings and what we have accomplished over the years.

We can point with pride to the fact that our organization was one of the first 40 in Ohio to join the National Parent-Teacher Association in 1917.

In that year Mrs. Frances, who was the wife of the Columbus superintendent of schools at the time, came to Southwood School to suggest that a Mothers Club be organized. Miss Esper, the principal, asked Mrs. Henry Richter to take charge, and Mrs. Richter, who still resides at 1492 S. High-st, presided at our first meeting. Mrs. E. Hutchfield was elected president and served in this capacity for a year.

Presidential Roster

Others who held the office of president for the first 10 years were:

1919-1920, Mrs. A. W. Cole; 1921-1922 — Mrs. William E. Grant; Sept. 1922 to Jan. 1923—Mrs. C. W. Maus; January to May 1923—Mrs. Adam Reichart; Sept. 1923 to May 1924—Mrs. Clarence Siefert; Sept. 1924 to May 1926—Mrs. Harold Graham; Sept. 1926 to May 1928—Mrs. Merle Seman.

There were 200 members in 1923 and by 1928 the membership had grown to 366. All business was conducted in open meetings, although there were occasional board meetings as early as 1925. It wasn't until 1929 that regular monthly executive board meetings were called.

Miss Jung was the principal of Southwood School from 1923 until 1930.

Historical Now

Our PTA members were kept busy in these early years holding rummage and bake sales and sponsoring movie benefits at the now extinct Thurmania and Southland theatres. At these theatre benefits the ladies took over as cashiers and ushers, and, since it was in the days before popcorn was an established lobby attraction, they sold homemade candy there.

Proceeds from these projects were used to buy such things as $100 worth of shrubs to be planted in front of the school, $100 worth of playground equipment, a victrola and records, 100 chairs at a cost of $150 (and weren't those good old days!), $100 worth of reading circle books, music stands for the school orchestra, $139 to refurnish the teachers' room, a piano, lantern slides, 10 tables, two electric percolators, and many kitchen utensils. Of course, time does not permit a full recital of all items purchased for the school over the years.

To celebrate Founders' Day in 1928, the PTA presented the school with an oak tree. This tree was planted in the south end of the school yard and dedicated in May. The dedication speech was given by one of the students, little Priscilla LaRue, who is well known to all of us as our own present legislation chairman and the "Gadabout" columnist of our South Side Leader — Mrs. Paul Lenox.

Presidents who served Southwood Parent-Teacher Association from 1928 to 1940 were:

Sept. 1928 to May 1929—Mrs. Minnie Vollmann.

Sept. 1929 to May 1931—Mrs. Ross Anderson.

Sept. 1931 to May 1933—Mrs. Jacob Resch.

Sept. 1933 to May 1934—Mrs. Frank McCarthy (known then as Mrs. Albert Lehner).

Sept. 1934 to May 1935—Mrs. Bernard Porter.

Sept. 1935 to May 1937—Mrs. J. S. Kegg.

Sept. 1937 to May 1939—Mrs. J. F. Lanane.

Sept. 1939 to May 1940—Mrs. Earl E. Boyd.

The membership had risen to 430 by 1939. Miss McKinley was acting principal in 1931-1932. Mr. Dentus was principal from Sept. 1932 to June 1935, and F. A. Sheridan came to Southwood as principal in Sept. 1935, where he remained until his death in June, 1954.

Our immediate past president, Mrs. Carl Weber, also served as secretary of our PTA from Sept. 1934 to Jan. 1936.

There was an active study group formed in 1935, but this extension of PTA work was later discontinued.

From 1928 to 1940 movie benefits were continued, but many new methods or raising funds have been added.

Ten Cent Teas

During the depression years 10-cent teas were held by various board members at their homes, a play and a minstrel were given; card parties were held and — do I dare confess?—so were bingo parties! Food and game concessions at the school's field day exercises, bazaars, jitney lunches, and doughnut and candy sales were all tried.

Free milk and breakfasts were served by the PTA to the undernourished children of the school during those trying days in the early 1930's; $100 was spent for reframing old pictures and framing new ones; both a stove and sink were purchased for the kitchen for the staggering sum of $125.24; more shrubs were given to beautify the school grounds; a school library was founded in 1937 and the big project that year was to furnish it with books; raincoats were supplied for the patrol boys and school janitors; $100 was spent for a mimeograph machine and $400 for a motion picture projector.

From 1940 to 1950

Presidents who served between 1940 and 1950 were:

Sept. 1940 to May 1942—Mrs. W. E. OConnor.

Sept. 1942 to May 1944—Mrs. Fred Basler.

Sept. 1944 to May 1945—Mrs. Frederick Reibel.

Sept. 1945 to May 1947—Mrs. C. J. Karch.

Sept. 1947 to May 1948—Mrs. M. F. Ely.

Sept. 1948 to May 1950—Mrs Dorothy Weakley.

Membership rose from 450 in 1940 to 752 in 1947 and finally reached an all-time high of 951 in Sept. 1949. However, it must be noted here that in 1949 children from the Greenlawn area were attending Southwood.

In these ten years the treasury was augmented by a bazaar, a movie benefit, rummage sale, bake sale, cookie and doughnut sales, jitney lunches, and sale of Christmas cards and gift wrappings.

The money earned by these projects supplied many things for our school. Some of them were: a new stove and dishes for the kitchen, refurnishing the teachers room, playground equipment, and, reflecting the war years, a $200 war bond was presented to the school. Also supplied were $75 for an electric fan for the movie room; $50 to help buy supplies for the new kindergarten room, a maple tree, an encyclopedia, a loud-speaker system, blacktopping a part of the playground, a bicycle rack, a film strl view-flex, raincoats for the patrol boys, and $300 towards our public address system.

Until Southwood School was remodeled in 1950, all PTA meetings had been held in the first floor hall. In October of 1950 our present auditorium was used for the first time.

LIFE

The room began to spin
And my heart to leap for joy
For I had heard the magic words:
"It's a bouncing baby boy."
I faintly heard a whisper:
"Here is a brand new Dad.
He has a case of son-itis
And he has it mighty bad."
It seems such a little while
Since I held him in my arms—
My son, the finest, and I was
A captive of his baby charms.

Time . . . Yesterday I watched a man—
A soldier—board an Army bus.
Each night I'll pray "Dear God,
Send him safely home to us."

Marie Chappelear Stemm.

Mrs. Stemm lives at 55 N. Oakley-av. My thanks to her for the poem and for her kind words about this column.

She is nine years old today. Her name is Linda Jean. When a lady is nine years old, things she had scarcely noticed when she was "little," suddenly become important — like pretty clothes and boys and reading good books and permanents and taking part in grown-up talk. Now she will leave her dolls at home when she goes visiting weekends. She will want to learn more about so many things—sunsets and stars and Abraham Lincoln and Florence Nightingale and old paintings and why we have had wars. And in the background there'll be love and security, shaped like Daddy and Mother and baby brother and grandparents. The world is rather wonderful when you're nine. Being nine is the sunny space between the ages.

Mail—From Mrs. Althea Jones AAnderson, 3014 Olive-st, Columbus: After being stricken with a light case of polio which caused embarrassing falls at times, my little Irish Godfather who had the heart of a pixie, the humor of a leprechaun and the soul of a saint, cheered me on with bits of philosophy which I have combined into a poem. I thought they might help another:

LISTEN, PLEASE!

If ye jest can see the flowers that bloom,
If ye jest can head the birds that sing, and keep this world in tune,
If ye jest can whiff the sweet springtime air that blows,
If ye jest can speak the "Good Word" to all who "apast" your door goes.
If ye jest can run, walk without a limp, worry or care,
Then look up and quietly whisper a bit of Thank You prayer.
For upon this earth, while we search for wealth, and happiness in jest gainin.
We don't realize these gifts alone, leave ye no room for complainin'.

Dear Son

By Joseph Martell

Chittlin' Switch
Monday Noon

Dear Jason:

Well, I always said good things come in pairs. I got your letter the other day telling me that you were advanced to the high rank of seaman in the morning mail and in the afternoon we heard that your brother, Twill, was being released from the State Reformatory six months ahead of schedule because of his good behavior. A mother couldn't ask for much more!

A young doctor just out of college started a practice in town but the folks don't think he learned too much in medical school. He was treating a fellow three weeks for yellow jaundice before he found out he was a chinaman.

Your nephew, Waldo, was sent home from school the other day with a note from his teacher saying that not only was he the dumbest kid in the class but also the meanest. He's the only child in the third grade that hates George Washington.

At Sunday meeting I noticed old Clara Sludge would bow her head each time the name of the Devil was mentioned. After the meeting I asked her what the purpose of this was and she told me that politeness costs nothing and one can never be sure!

Your friend, Hallworth Tooker, that you used to go to school with decided he wanted to go in the Navy as he figured it was better than working, but he didn't pass the physical examination on account of his eyes. It seems his seeing eye dog has flat feet

I received a letter the other day from your sister Bessie-May from Todd's Corners. It would be three years come next green-up since they moved. I really must go down and pay her a visit soon and see if I can help out. Evidently one of their children must be a freak. She writes: "You'd never know little Willie: he grew another foot." Maybe they can get him in a circus or something.

Well, I guess it's time for me to put the supper on. We're having your favorite dish tonight, hedge hog stew and turnip greens.

Old Grandmaw Gooch from Loon Junction had to go to the doctor the other day as she was all black and blue and suffering from dizziness. She bought herself one of those washing machines that run by electricity and Saturday night she got into it to take a bath. She said that the first 20 minutes or so while she was in it the machine acted fine and it gently moved her from left to right and the water was nice and sudsy but all of a sudden something went wrong with the contraption and it picked up speed and spun her around for 10 minutes before the thing came to a stop. The man that installed the thing came over and told her next time to set the dial on "damp dry." She hao it on "spin."

Your father was on one of those radio quiz shows the other day while he was in the city and h· failed on the first question. The announcer asked him what a "drydock" was. "A thirsty physician" is not the right answer.

Guess I'll close now as it's time to slop the hawgs

Your Loving MOM.

S. S. Gold Star Mothers To Attend Convention, Dayton

Mrs. Florence Tipton, 1919 Oakwood-av, Mrs. Joseph Trott, 473 Sycamore-st, Mrs. Edw. G. Meyers, 1335 Byron-av, Mrs. Otto Fischer, 683 Kossuth-st, and Mrs. Clarence Kuhn, 614 Siebert-st, will join a dozen other members of American Gold Star Mothers, Inc., in attending the ninth annual convention of the Department of Ohio in Dayton, Apr. 1 to 3, inclusive.

Others are Mrs. H. A. Stoughton, state standard bearer; Mrs. E. A. Gerber, state hospital chairman; Mrs. George A. Niebler, chapter president; Mrs. James May, Mrs. David McConnell, Mrs. Anna Hatton, Mrs. Lula Marbach, Mrs. Charles Shoemaker, Mrs. Otto Fischer, Mrs. Martha Nairn, Mrs. Russell Forgrave, Mrs. Charles Werner.

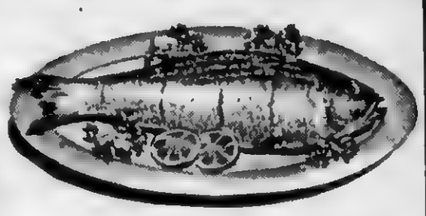
A reception is planned for Monday evening to honor the national and state officers, the president of the latter being Mrs. Mary Hiatt of Dayton. The business session begins Tuesday morning. There will be a luncheon honoring 47 chapter presidents of the state at noon, and memorial services for deceased mothers and dads will be held in the evening. On Wednesday business sessions will resume, with election of officers and a banquet and installation that evening.

Golden Agers Organize At Schiller

The Golden Age Club being organized at Schiller Recreation Center, recently decided to change the day of meeting from Wednesday to Tuesday. The starting time will be 1 p.m., and all people in the golden age of life but who are still young at heart are urged to attend.

Last week these senior citizens of the community had a fine time making new friends, playing games and just chatting among themselves. Items discussed included a birthday party, one meeting a month for all members who have a birthday during that month, a regular pot-luck luncheon session, and other activities of interest to this age group such as trips, hobbies, travel talks, etc.

New members are being taken into the group at each meeting, and anyone 60 years of age or older will be welcome at any time.



What makes a happy life, dear friend? Any family who shares together the simple joys — music . . . books . . . outings. In other words, a trip to the Columbus Public Library.

YMCA-YW Will Seek $2,520,000 For Extensive New Building Program

A campaign to raise $2,520,000 for new buildings for the YMCA and YWCA in Columbus was announced Tuesday evening at the 102nd annual dinner meeting of the Metropolitan Board of YMCA by Frederick B Hill Jr president of the board

To inaugurate the campaign a committee of the associations boards named C Carlton Hartley, president of Hartley Printing and Publishing Co and chairman of the board of the YMCA's Hilltop Branch, to head the campaign as general chairman The campaign will be launched in November and will conclude in May, 1958

C. C. Hartley

Associated with Hartley on the campaign executive committee, Hill said are Edward L Smith, works manager of Westinghouse Electric Corp, Preston Davis former treasurer of the American Education Press and Benjamin F Hadley, vice president Columbus Mutual Life Insurance Co, who will serve as chairman of industrial, cornerstone, and major gifts committees

Mrs Herrick L Johnson president of the YWCA board concurred in the announced plans which provide for the construction of three new YMCA branch buildings, a new residence hall for the YWCA and alterations and modernization of portions of the central branches of both associations Funds are also included for repairs and reorganization of facilities at the YMCA's Camp Alfred Willson, near Bellefontaine

The YMCA's share of the proposed joint fund will be $1,750,000, Hill said, with $770,000 going to the YWCA

The YMCA has sought no expansion funds in 35 years, and the YWCA in 20 years, according to Hill, although both have paid off mortgages through the aid of generous friends

Stresses Two Factors

He attributed current needs of the two organizations to these principal factors, growing obsolescence and high maintenance costs of old buildings, the migration of families away from branch locations, a large increase in the youth population, and increasing demands for extension service in growing suburban areas

Hilltop Branch, at 2725 W Broad st has acquired a new ten acre site at the corner of Valley View-dr and Hague-av, on which a $350,000 building will be erected

The old YMCA Spring Street Branch, erected nearly forty years ago, has had long and hard usage and maintenance costs are now exorbitant, Mr Hill asserted A new location, more convenient for its members, has now been secured on Woodland av where a modern building will be erected at an estimated cost of $750,000

The South Side Branch, at 864 S Third st, now occupying inadequate rented space will move to a new community type building to be erected on a site at Jenkins av and Sixth st where $350,000 will be spent

The birth rate Mr Hill commented, "is probably the most vital factor in our economy, but it also presents profound problems especially to schools churches the YMCA and YWCA which must find space for a growing army of young people

"The largest percentage of our population in the Columbus metropolitan area," he continued "is in the 1 to 14 age group We cannot shirk the responsibility that rests on us as institutions particularly concerned with the wholesome development of youth"

In his summation of the YMCA's growth last year, Hill said that more than 27,000 different members were listed in the seven YMCA branches, an increase of 20% in the past three years More than 1,500 program groups held 25,704 sessions and drew a total attendance of 467,961

New trustees elected at last night's meeting were Edward L Smith Westinghouse Electric Corp, Dr Harold H. Ebling, Superintendent of Columbus schools, and Dean Phillips director of personnel and public relations at North American Aviation Inc

Court Clears Mrs. Budd Of 'Attack'

What the plaintiff called a one sided fight at the time of making a charge of assault and battery resulted last Friday in a Municipal Court verdict that Mrs. Ralph Budd of 658 Lewis rd was not guilty of assault and battery against the person of Mrs Inez Hall in Heimandale School, 615 Kochelas where the latter is a fourth grade teacher in Felicity

A dispute arose over a note which the teacher allegedly charged was not signed by a child's mother asking that the child be excused because of some difficulty with her throat Mrs Hall in her complaint said the alleged attack followed a charge by the mother that the teacher had called the former's daughter a liar

Several trial postponements had been asked and granted prior to last week's hearing

New Program Designed To Reduce Accidents

Steps are being taken to correct some of the Bruck-st abuses which have caused many complaints to city authorities, according to an announcement late last week by Safety Director Otto L. Meier

Although most of the streets in section 2 Bruck are marked with "Stop" signs it has been reported that many motorists have ignored the signs and went on their speeding way with out regard to the rights of others and without regard for the law, it was stated

Ignored

Bruck, which is a through street most of the way from St Leo's Church to Hosack-st, has been the scene of numerous accidents and more near accidents it has been charged by many who live on the through street Some time ago the safety director announced that there would be more police activity on Bruck but this seemingly has not had the desired result

More Signs

Now the director told the South Side Leader, there will be more signs on Bruck and on intersecting streets The plan understood to require many signs but it appears that many believe the increased warning stop signs may add to safety

On each street crossing Bruck it was stated there will be posted a warning sign 100 feet before the actual intersection and on Bruck-st where the right of way is needed to cross [illegible] the type of signs will be posted on Bruck to assure that drivers will be slowed to come to a full stop At the corners, as in many instances now, the big "STOP" sign will present warning to stop

In addition, the safety director said, cross walks on streets intersecting Bruck warning will be painted on pavements.

Driver's Responsibility

Asked whether any plans had been matured for employment in event of the new signs being neglected, the director said that he hoped everyone would respect the significance of the signs However, he seemed under the impression that Bruck will receive pretty close observation by the police force

He summed it up by saying that traffic signs are put up to be obeyed and if drivers ignore the sign they will have no one but themselves to blame for taking chances on their own and others lives

That it seemed to the reporter meant negligent drivers may find themselves saying "yes, sir" to His Honor The director expressed the hope that compliance will take the place of reckoning

AT SUCH AN HOUR

The tone of spring is but a hint
Yet,
More promise than reality; the scent
Of lavender escapes a budding spray
On lilac bush, the river is content
To pulse its song, half merriment half-sigh
For winter's grim tenacity is spent
These days are wonder-woven as the cry
Of children trapping sunbeams in a glade
Their rose-bright lips forever shaping "Why?"
And who can answer how a spring is made
And why its touch will clothe a naked tree.
Or what far Shangri La its feet have strayed?
At such an hour it is enough to see
The earth resurge to April's alchemy

POLISHED BY PAIN
(Revelation 3:12)

Sorrow is a part of our way of life. No one wholly escapes the red of sorrow and the purple of pain. But in suffering you find you are aware of the world, of yourself and of God. You'll never know the stuff you are made of until you suffer pain and heartache.

Joseph came to world leadership by way of sorrow. Hated by his brothers, sold into slavery and cast into prison are some of the trials he had to go through.

Yet remove all of these troubles and would Joseph have risen to be the great king that he did? It took such fiery trials and soul-sorrow to polish and make a great person out of Joseph.

Coal and diamonds are another example of God's polishing cloth. Coal is black, unattractive—yet from just such rubbish comes a diamond. Ah! but only after three thousand degrees of furnace heat, pressure of the mallet and hammer, then emerges a gem of great worth.

You can remain coal and rubbish, and the Divine Sculptor will pass you by. God does not demand that your will be His. You do have a choice, to be a worthless lump of coal or one of God's jewels.

But if you wish to gleam and throw a light that can be seen you must first endure the fire, hammer and mallet. God's polishing cloth! How wonderful are the ways of God. And how plain He makes the "why" of sorrow!

"Him that overcometh will I make a pillar in the temple of my God." (Rev. 3:12)

The Gadabout

Priscilla LaRue Lanoe
HI. 4-1051

Not much to report about this week, but we'll gladly share the little bit we have. Hi. 4-1051 just didn't ring very much.

Trudeau Guild 10 will meet this coming Wednesday, Apr. 10, in the home of Donna Hampton, 190 E. Jerkins-av.

Birthdays we have heard about . . . Debbie Bayes, 47 Welch-av, Apr. 5; Eva Kocsis, 370 Southwood-av, Apr. 5; Stella Walker, 283 Jenkins-av, Apr. 1; Sharon Fillinger, 268 Jenkins-av, Apr 10; Darlene Robinette, 1291 S. Pearl-st, Apr. 9; George Bates, 26 Southwood-av, Apr. 6.

Barbara Conter, a South High graduate who will soon be a graduate of the White Cross School of Nursing, will be exchanging her wedding vows this Saturday with Robert Sengle. The marriage will take place in Indianola Church of Christ.

Mohawk's Parent Study Group meets today at 2 p.m. Rev. Rudy Thomas of Central Community Church, Miss Ruth Plummer, a Mohawk teacher; Miss Leanora Turkopp, primary department superintendent of St. John's E. & R. Church, will discuss "How Can Church and School Work Together?"

Emma Smith Circle of the Reorganized Church of Jesus Christ of Latter Day Saints will meet Apr. 11 in the home of Mrs. Raymond Miller, 2104 E. Whittier-st.

This has been "moving" year for three South Side families. The Roberts family of Morrill-av, moved to California earlier this year. The Dearth family of Moler-st, also trekked to the coastal state. The Haynes family of S. Front-st, are the latest to emigrate from Ohio. The Haynes, however, are moving south to Florida.

Wedding congratulations are in order for the newly married Lt. and Mrs. Walter Black. Mrs. Black is the former Helen Bajus, 216 E. Hinman-av, and a South High graduate. The nuptials were performed in St. Ladislaus church last Saturday. The young couple will honeymoon in Mexico, and after May 1 will be at home at 1243 S. James-rd.

This time of the year we get to report birthdays that occur on S. Fourth, South Fifth and South Sixth-sts, soo . . . Rev. Willie Davis is the birthdayite on S. Fourth-st; Sarah Hughes celebrates on S. Fifth-st, and Donald Dicke reaches his 18th year, Apr. 9, on S. Sixth-st.

Thursman Avenue WSCS meets at 10 a.m. today in the home of of Mrs. Paul White, 1113 Oakwood-av.

Cards are urgently requested for a brave man who has spent considerable time in the hospital these past two years. An auto accident two years ago is the reason for Gordon "Bud" Stewart's frequent hospitalization. He is in Mercy Hospital at the present time, and cards would cheer him greatly. His room number is 141. Home address is 1636 S. Fourth-st. Do remember him, won't you?

The Zodiac Club met last Sunday to honor Nellie Kaufman. Place of the get-together was the home of Mr. and Mrs. Paul Lanoe, 1411 S. Sixth-st.

Bead 10 of Our Lady of Mercy School meets at 8 p.m. this evening in the home of Mrs. Joseph McGuire, 774 Deshler-av.

Congratulations to Walter Denney, 601 E. Moler-st, and his partner, Flo Scholz, for winning a recent bowling tournament with the score of 1215. Walter is a member of the 700 Club and Flo of the 600 Club.

April 6 will be the wedding date of Phyllis Ann Myers, 101 E. Mithoff-st, and Arlene, Dale Dutour, Clifton, Ill.

Oakwood Methodist Church WSCS meetings for the immediate future: Bennett Circle, April 9, 8 p.m. in the home of Mrs. Arthur Wood, 872 Linwood-av; also Apr. 9, at 8 p.m. The Ethel Harpst Circle will meet in the home of Mrs. Earl Keister, 672 Linwood-av; Jessie Lee Circle, Apr. 10, at 1 p.m., 542 Miller-av, home of Mrs. O. B. Daniel; Marcy Circle, April 10, 8 p.m., Mrs. Robert Grate, 542 E. Whittier-st, is the hostess.

Two members of the Gadabout's family "tree" are currently hospitalized. Donna Marie LaRue for a tonsillectomy, and Gasper LaRue in Florida. "Pop" has a probable cancerous stomach ulcer and gallstones, so is in very ill health. Do send him a card, won't you? (We wouldn't be reporting his exact ailments if he were locally hospitalized, but will since he's so far away!) His home address is Trailer Haven, Melbourne, Fla. Thanks.

Kay Frances Wolford, 1311 Parsons-av, is a year older since last Monday, as is Ralph Macioce. To both 'teeners—lots more happy birthdays!

Today is the big day for Kay Chambers and Charles Hegenberger, American Legion essay winners. Their group assembles at Fort Hayes Hotel and proceeds to Bridgeport, O., where they will meet other groups such as theirs. En route, they will travel part of the time on the Sky Line Drive. They will visit Monticello, home of Thomas Jefferson; to Williamsburg, restored colonial capital of Virginia, and to Jamestown Island, this year celebrating the 350th anniversary of the landing of the colonists. After leaving Jamestown their schedule will take them to Old Point Comfort by way of Yorktown. They will board a steamer for an overnight trip up the Potomac to Washington. They are to arrive in Washington on Sunday morning where their headquarters will be the Sheraton Park Hotel. Sunday, Monday, Tuesday and Wednesday they'll make a thorough tour of the Nation's Capital, of all the well known and historic spots. They expect to have a luncheon with our Senators and Congressmen and to have an interview with Supreme Court Justice Burton. A week from today they will start homeward, visiting Gettysburg and the national cemetery, and will travel on the Pennsylvania Turnpike for a while. They are scheduled to reach Columbus on Friday, Apr. 12, in the early afternoon. Sounds exciting, doesn't it? Have fun, Kay and Charles.

Tomorrow night the 21st annual Festival of Music, sponsored by Columbus Council of Parent-Teacher Associations, will take place at Central High School, at 8 p.m. Mrs. Harry Spurgeon, a member of the South High Executive board as well as a Columbus council board member, is general chairman of the affair. Mr. Swain, South High School principal, is in charge of stage arrangements.

S.O.S.! S.O.S.! S.O.S.! Why the plea for help? Well, it's this way . . . Ye Gadabout is on the entertainment committee for the South High Alumni reunion, to be held May 17. The committee has decided to present a history of the school, and to use South High Talent exclusively in the variety show. Since there are two shows presented, it is possible to have two different shows, so alumni will be able to view the "talent" that attended school at the same time they attended, approximately. Now, this is our dilemma . . . 1940 to 1957 is taken care of by SEVEN people, and 1920 to 1940 by just ONE (guess who?) We would like names as well as little things that happened, etc. to help us with our part of the show. We are able to say that Russ Canter will m.c. the 1920-1940 segment, Nita Hutch has the 1940-1957 portion, Paul Ebert will appear, Marilyn Day will sing, the Findley Twins will dance and the Gall brothers will present an act. We will keep you informed from time to time on our progress, so be prepared! One thing that we are looking forward to . . . the 1927 champion basketball team has challenged the 1942 team to a SHORT game. That I've got to see!

Hope we've whetted the interest of the South High Alumni, and if you have any suggestions, do pass them on to us, won't you? Perhaps some ideas can be used another time to help later entertainment committees. Call us, at HI. 4-1051, or drop a line to 1411 S. Sixth-st. (Our postman, Jack Wardlow, is an alumnus, so is very willing to help too!)

That does it for this time, so till next edition . . . .

Sand Test By Betty Furness

Betty Furness will visit two Columbus housewives in a commercial version of "Person to Person," Apr. 8, when the Westinghouse "Studio One" Sand Test commercial will be televised live from their respective homes to a nationwide audience of 22 million viewers. It will be seen on WBNS-TV at 10 p. m.

This was announced today by John Baker, of Seneca Appliances, local Westinghouse dealer.

The two homemakers are Mrs. Fred R. Asay and her neighbor, Mrs. Michael E. Spangler. They had argued over the credibility of the Sand Test, which demonstrates the washing, rinsing, and self-cleaning actions of the Westinghouse Laundromat. Mrs. Spangler challenged Mrs. Asay, a Laundromat owner, to prove the test was not faked. She wrote to the factory for help and it was decided to present a remote telecast of the test right from the two homes, using Mrs. Asay's Laundromat and Mrs. Spangler's competitive automatic washer.

New Cushman Motor Scooter

Howard F. Hoermle of Howard's Sales and Service, Parsons-av, announced this week that the new Cushman Road King and Pacemaker scooters were on hand. He said they represent the most sweeping model changes in the company's history.

"The sleek, new Road King and its lower-priced running mate, the Pacemaker, are entirely new from front fender to rear bumper," Hoermle declared. "In modern styling and advanced engineering, these are the scooters which set the standard for 1957.

Howard's Sales and Service also carries a full line of painting needs and Gliddens paints, plus bicycles and bicycle repair.

We have been very busy with funeral work. It makes us sad to have customers and friends lose loved ones, but we are glad we can do our part to soften the blow by making their floral offerings as beautiful and fresh as possible. Flowers express the love and sympathy you have for the bereaved — say for you that which we all find so hard to put into words. Call us the next time you need flowers. We will do our best to please you.

Get well wishes to Mildred Ore, Verna Brakeall, Mrs. Willie Davis, Clarinell Green, Bill Harmon, Frank B. Woods, Mrs. Eugene Zenger, Mrs. William Venrick, Mrs. John Joiner, Esther Dearring, Mrs. Ed Todd, Mrs. John Williamson, Mrs. Lawrence Hiser, and N. N. Graham.

Birthday greetings to Mrs. Mary Durr, Mrs. Minnie Grunder and to Paula Kay Gregory on her 13th. Congratulations to Mr. and Mrs. Eugene Colburn and Mr. and Mrs. Bob Call who have new daughters, and to Mr. and Mrs. William Fornof, Mr. and Mrs. Homer Willoughby, Mr. and Mrs. Richard Albrey and Mr. and Mrs. William McCracken, all proud parents of new baby boys.

Palm Sunday is only 10 days away. Send flowers to your church for the services . . . it is the perfect way to honor the memory of your loved ones.

THIS GOOD EARTH

STEPS of PROGRESS

This is one of a series of messages designed to point out why this community is truly a wonderful place in which to live. Reflecting the steps of progress in our area, these advertisements are sponsored by local business and professional men who are appreciative of the loyalty, cooperation, and patronage of the loyal citizens whom they serve. Each message is a tribute to a group or organization having complete faith and confidence in the future progress of this community.

ALTHOUGH this community has made rapid strides in the past several years due to the development of new business interests, we still gratefully acknowledge the value of agriculture to our area. Without the help and assistance of the farmer, the stockman and all whose economy depends entirely upon the soil, our progress would not have been possible. For your contribution to the welfare of this community, Mr. Farmer, Mr. Stockman, Mr. Rancher, Mr. Grower, we are grateful. The land . . . the basic foundation of our existence in America — the blessings that it has brought us are not to be forgotten.

Industry . . . big business . . . each has its place, of course, but never must we allow ourselves to forget the importance of the good earth and that which it produces. Nor are we to forget those who make possible the development and distribution of that which the good Lord has provided through the soil of our land.

Agriculture has been a vital force in our growth, an essential factor and it must remain so. To you who have contributed so much, who have toiled so unceasingly and tirelessly, producing crops, cattle, produce, that we may live abundantly, we say thanks.

Roosevelt Jr. Hi Boasts 202 Perfect In Attendance

Zero usually is not a badge of honor and is a not-wanted appellation in the ordinary course of events. But there is an exception in one institution — Roosevelt Junior High School, according to a report prepared by Sharon Branscomb and Vicki Foster.

In this instance zero marks perfect attendance at Roosevelt, the youthful reporters say, and they list 202 students of the school who have "0", or perfect, attendance.

The Report

"The xeros placed on the report cards indicate perfect attendance — on absence or tardiness during the first grading period of the second semester. The following pupils qualified for this honor:

Guilds To Meet

Christian Service Guilds Nos. 1 and 2 will meet at Washington Avenue EUB Church at 7:30 this Thursday evening, Boyd C. Rife, pastor, has announced.

Southwood PTA History

(Continued from last week)

From 1950

Presidents from 1950 until the present:

Sept. 1950 to May 1952—Mrs. William Hoptry.

Sept. 1952 to May 1954—Mrs. Glenn Buller.

Sept. 1954 to May 1956—Mrs. Carl Weber.

Our present president is Mrs. Elmer Marie.

Miss Ruth Chapman came to us as principal in Sept. 1954.

Membership has remained fairly level during these past seven years, with a low of n 795 in 1955 and a high of 892 in 1954. Our present membership is 846.

Parent Study Group meetings were again started in 1952 and have continued to be well-attended and of much interest through these five years.

Some Changes

There have been some changes in ways and means, but the jitney lunches and Christmas card sales still remain popular. In 1950 our first spring carnival was held and it has become an annual affair and our biggest drive for funds. In 1950 we also had a successful minstrel. T-shirts, caps and head-scarves emblazoned with the school name were sold; and popcorn fritter sales took the place of the doughnut and cookie sales.

Itemized Account

These projects served to supply our school with $287 towards a new piano, a $587 balance on our public address system, $150 for playground equipment, the velvet curtains for the stage, a set of encyclopedia and also the Junior Brittanica Encyclopedia, three record players and record albums; movie projector with a screen and rack; automatic film strip machine, a television set, six tables for the dining room and an orlon lace cloth for "state occasions; a $100 donation to the YMCA building fund in memory of the late Mr. Sheridan; kitchen utensils and two public utility carts; $150 toward the redecoration of the teachers room, venetian blinds for the office and teachers room, $370 for draperies for the auditorium windows, and last year we donated a full $200 scholarship to the State Memorial Scholarship Fund, with a pledge to renew it again with an additional $200 contribution this year, which we have done.

This Year

So far this year we have bought additional loud speakers for use in the lower hall and classroom, No. 4, badges for the patrol girls and boys, and have ordered a lighted lectern.

Last year for the first time Southwood PTA was given an award for selling 50 or more subscriptions to the official PTA magazines, and we will be eligible for this award again this year.

Every year the school children receive Christmas treats, aid has always been given to the needy families in our district; the teachers and room mothers have been entertained at luncheons and teas, and each outgoing 6-A class has always been given a party. For the past 10 years our PTA has sponsored several Blue Bird and Camp Fire groups.

Things Highly Valued

While we can be proud of this record of supplying the physical needs of our children for the past 40 years, we are sure all of us agree that the really important contributions of our organization cannot be found in the secretaries' minutes and treasurers' reports. The wonderful educational lectures, the delightful programs by the children, the parent education study sessions, the close relationship between parents and teachers at Southwood, the sharing of our ideas and problems with each other—we know these are the important part of belonging to the PTA. These are the things which have helped us to grow in understanding our children; the things which are helping us to become better parents and better citizens.

O.G.'s Notes—

Nuclear Auto Tires

Maybe the mind and the hand of man have purchased from Tyne its greatest-so-far complete accomplishment. Not perfect, yet, the reported success of one of the great American tire manufacturers in vulcanizing an auto tire by use of atomic energy holds hope that succeeding steps will be quick and in order. Maybe, except for the Mean Hearts of the world, such civilian use of the nuclear power will open the way for peace in the world and prosperity for all That way lies peace — real PEACE between peoples of the earth.

• • •

May Be Only Temporary

Peace has risen through almost certain war in the Middle East. May this be the beginning of universal compliance with the philosophy that reasoning is the door to peace and the exit for war. However war hellions can upset peace at any moment.

They're 220 Short

Russia has "beaten the world" to it "again," according to dispatches from the "source of all knowledge," to hear them tell it. A Soviet scientist has evolved the fastest telegraph transmitter printer in the world, and the Soviet is the most "ahead" nation in the world because of their "freedom." Thus the newest scientific development seems to be fine for Russian development, but they're still not even equal to telegraphy in the United States, saying nothing of the fact that according to their figures they are still considerably behind this country in transmitting words per minute. The fastest transmitter printers used by Western Union Telegraph Co. will transmit 120 five-letter words per minute—a total of 600 characters per minute compared to the 380 characters which the "new" Soviet printer will permit, and for which a "world championship" is claimed.

Hear Own Words

St. Mary's PTA meets Thursday, Apr. 11, at 8 p.m., in the high school auditorium. After a business meeting, Mrs. Helen Stegmiller, of the Ohio Telephone Co., will speak about and demonstrate "Your Voice Is You." Audience members will record and listen to their voices.

I PERFORMED THE AMAZING
WESTINGHOUSE 'SAND TEST'
Right in my own home!!

MRS. RAY WILSON
220 Dean Ave.
Lancaster, Ohio
Lancaster, Ohio
Mrs. Ray Wilson invited a few neighbors into her home and performed the amazing Westinghouse sand test on her Laundromat.
She put six towels into her Laundromat, then added TWO cups of SAND and some detergent, and set it for a normal wash cycle. Her neighbors were pleasantly surprised to discover how clean the towels came out—not a speck of sand on them.
They just couldn't get over how clean the tub was afterwards. One neighbor rubbed the inside of the tub with her white hankie and there wasn't a trace of sand on it.
New York, N. Y., Nov. 12
Millions saw this same sand test on Studio One. Three well-known center post automatics were given the same test—and all three left sand in towels and washers too.

HERE'S WHAT HER NEIGHBORS SAID:
MRS. DELMAR KLONTZ
1615 W. Chestnut, Lancaster, O.
"After seeing the amazing 'sand test' conducted in Mrs. Wilson's home I decided on the Westinghouse Laundromat."
MRS. PAUL STARNER
236 Dean Ave., Lancaster, Ohio
"Now I can see why it is so important to rinse clothes properly, the 'sand test' really proves the Westinghouse Rinsing Story."
MRS. CARL PARRISH
501 W. Main St., Lancaster, O.
"I was undecided between the Westinghouse Laundry Twins and another well known brand. After seeing the amazing sand test I bought Westinghouse."
MRS. JOHN MIHISER
243 Dean Ave., Lancaster, Ohio
"The sand test makes a lot of sense—if the tub is clean after all that sand runs through, the clothes just simply MUST be clean."
THOUSANDS OF "SAND TESTS" ARE BEING PERFORMED DAILY BY WESTINGHOUSE LAUNDROMAT OWNERS
Many homemakers have been doing "sand tests" in their Westinghouse Laundromat for the past 10 to 12 years. Of course, they aren't putting in two cups of sand like Mrs. Wilson did but their children's clothes have been contributing sand, grit and grease just the same. The sand in Mrs. Wilson's "sand test" merely represents the flow of dirty water as it drains out of the washer. The patented Westinghouse Revolving Agitator drains the dirty water, sand, grit and grease away from the clothes and down the drain. Old fashioned centerpost agitator washers must strain the water through the clothes and redeposit sand and lint on the newly washed clothes.
WOULD YOU TRY THIS TEST IN YOUR WASHER?
1. Wash a load of dirty greasy work clothes or old rags. Borrow some if necessary.
2. Do NOT clean out tub when finished!
3. Put in your most expensive dainty silk or nylon garment.
If you own a Westinghouse Laundromat have no fear, because it's self cleaning! If you own a Center Post Agitator Washer, better peek in the tub before putting in that dainty garment!!!
